

## ORDINANCE No. 184945

Authorize revenue bonds for Emergency Coordination Center project (Ordinance)

THE CITY OF PORTLAND ORDAINS:

Section 1. The Council finds:

1. The City is authorized to issue revenue bonds for a public purpose under ORS 287A.150 (the "Act"). Revenue bonds issued under the Act may be payable from all or any portion of the "revenues" of the City, as defined in the Act. The Act defines "revenues" to include all fees, tolls, excise taxes, assessments, property taxes and other taxes, rates, charges, rentals and other income or receipts derived by a public body or to which a public body is entitled (the "Revenues").
2. The City may authorize revenue bonds under the Act by nonemergency ordinance. The City may not sell the revenue bonds under the Act until the period for referral of the nonemergency ordinance authorizing the revenue bonds has expired. If a nonemergency ordinance authorizing the revenue bonds is referred, the City may not sell the revenue bonds unless the voters approve the revenue bonds.
3. The City has determined that there is a need for up to \$5.65 million of revenue bonds to finance certain costs of the City's emergency coordination center project (the "Project").

NOW, THEREFORE, the Council directs:

- a. Revenue Bonds Authorized. The City hereby authorizes the issuance of revenue bonds (the "Bonds") pursuant to the Act in a principal amount of not more than \$5.65 million to fund the costs of the Project and to pay costs related to the Bonds. The Bonds authorized by this ordinance shall be payable solely from the Revenues which the City pledges to pay those Bonds. The Bonds shall be secured by the full faith and credit and available general funds of the City.
- b. No Additional Taxes Authorized. No Bonds shall be general obligations of the City and neither the authorization nor the issuance of any Bonds shall authorize the City to levy any additional taxes.
- c. Procedure. No Bonds may be sold and no purchase agreement for any Bonds may be executed until the period of referral of this nonemergency ordinance has expired and this ordinance takes effect. If this ordinance is referred, the City may not sell the Bonds unless the voters approve this ordinance.
- d. Delegation. After this ordinance takes effect the City's Debt Manager, City Treasurer, Chief Financial Officer of the Bureau of Financial Services, Chief Administrative Officer of the Office of Management and Finance, or the person designated by the Chief Administrative Officer of the Office of Management and Finance to act as Debt Manager

under this ordinance (any of whom is referred to in this ordinance as a “Debt Manager”) may, on behalf of the City and without further action by the Council:

1. issue the Bonds in one or more series, which may be sold at different times;
2. issue one or more series of the Bonds to provide interim financing for the Project, enter into lines of credit or similar documents which permit the City to draw Bond proceeds over time, and issue Bonds to refund the Bonds that provide interim financing for the Project;
3. determine the Revenues that are pledged to each series;
4. participate in the preparation of, authorize the distribution of, and deem final the preliminary and final official statements and any other disclosure documents for each series of the Bonds;
5. subject to the limits in this ordinance, establish the final principal amounts, maturity schedules, interest rates, sale prices, redemption terms, payment terms and dates, record dates and other terms for each series of the Bonds;
6. select one or more commercial banks or underwriters and negotiate the sale of any series with those commercial banks or underwriters, or publish a notice of sale, receive bids and award the sale of each series to the bidder complying with the notice and offering the most favorable terms to the City;
7. undertake to provide continuing disclosure for any series of the Bonds in accordance with Rule 15c2-12 of the United States Securities and Exchange Commission;
8. apply for and purchase municipal bond insurance or other forms of credit enhancement for any series of the Bonds, and enter into related agreements;
9. finalize the terms of, execute, and deliver bond declarations that describe the terms of each series of the Bonds. The bond declarations may also contain covenants for the benefit of the owners and any credit enhancement providers;
10. appoint and enter into agreements with service providers for the Bonds;
11. determine whether each series of Bonds will bear interest that is excludable from gross income under the Internal Revenue Code of 1986, as amended, or is includable in gross income under that code. If a series bears interest that is excludable from gross income under that code, the Debt Manager may enter into covenants to maintain the excludability of interest on that series of the Bonds from gross income;
12. if Congress enacts laws allowing the City to receive federal interest subsidies, such as the federal interest subsidies that were available for “build America

bonds" and "recovery zone economic development bonds," issue any series of Bonds so that they qualify for the federal interest subsidies, and enter into any covenants that are desirable to obtain those subsidies;

13. execute any documents and take any other action in connection with the Bonds which the Debt Manager finds will be advantageous to the City.
