One version of the draft hearing resolution (from Commish Fritz) provides differing hearing procedures for housekeeping items versus other items. That version fails to list all of the housekeeping items that are before the charter commission. Please request that, should council pass a resolution necessitating the housekeeping items to be listed, the following amended list be used (changes noted in red).

- Housekeeping Amendments as specified in existing Subcommittee documents [Sections 2-105(51), 2-105(54), 2-105(49), 2-105(50), 1-106, 2-108, 2-206(b), 2-607, 2-105, 13-301, Chapter 14 – Exposition Recreation Commission] and as agreed for forwarding to the public hearing by the Commission, shall be presented to the public in at least one or more public hearings prior to the Charter Commission voting whether or not to submit the proposed charter amendments to the voters of the City of Portland.

I believe this is simply an oversight on behalf of the drafters and that the above proposed change will allow all of the housekeeping issues to be accounted for. Thanks.
