

ORDINANCE No. 184965

* Amend the Intergovernmental Agreement with the University of Washington for a fire prevention research program (Ordinance; amend Contract No. 30001935)

The City of Portland ordains:

Section 1. The Council finds

1. On March 2, 2011, Council passed Ordinance 184442, authorizing an Intergovernmental Agreement (IGA) with the University of Washington (UW), for a pilot research program to reduce the number of fire-related fatalities, injuries, and property loss, by visiting high risk homes and educating the residents about alarm maintenance, escape plans, and fire safety measures.
2. The IGA is scheduled to expire on October 31, 2011.
3. The UW would like to extend the agreement through December 31, 2011, and change the Scope of Work to add three crews to install additional smoke alarms, and add \$3,000 to cover the cost of the additional crews.
4. Portland Fire & Rescue is able to fulfill the additional Scope of Work.
5. The Fire Chief recommends that Council authorize this Amendment.

NOW THEREFORE, The Council directs:

- a. The Commissioner In Charge is hereby authorized to execute Amendment No. 1 to Contract No. 30001935 with the University of Washington in a form substantially in accordance with the Amendment attached as Exhibit A.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by this Agreement, and increase the fire and life safety in Portland.
