ORDINANCE No. 184970

Authorize contracts with four consulting engineering firms for design related services as needed in support of sewer, wastewater pumping and treatment and drainage and stormwater quality projects. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

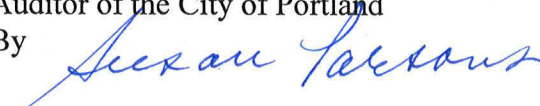

1. The Bureau of Environmental Services requires professional engineering services in support of sewer, wastewater pumping and treatment and drainage and stormwater quality activities for projects included in the Capital Improvement Program.
2. The professional engineering services for these projects are normally of short duration, specific in nature and usually of relatively small dollar value.
3. A consultant selection process was conducted recently (RFP BES120), and these four firms were selected in accordance with Chapter 5.68 of the Code of the City of Portland.
4. A total of twenty-one certified M/W or ESB sub-consultants may participate on an as-needed basis. Participation will be dependent on the amount and type of services required as work orders are issued.
5. The contract terms are three (3) years.
6. The established cost is not to exceed \$500,000 each for a three-year term. Funds are available in the Sewer System Operating Fund, FY 2011/2012 Budget, Bureau of Environmental Services, Cost Center ESEN000020.

NOW, THEREFORE, the council directs:

- a. The Commissioner of Public Affairs is authorized to execute contracts with Murray, Smith & Associates, Inc., Parametrix, Tetra Tech and Greenworks P.C. in forms substantially similar to the agreements attached within Exhibit A to this ordinance and for the purpose described in Section 1, in the amount not to exceed \$500,000 each for the three-year term.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants chargeable to the Sewer System Operating Fund Budget when demand is presented and approved by the proper authority.
