1) Legislation Title:

Create two new represented classifications of Collection System Video Inspector and Collection System Investigator, and establish interim compensation rates for those classifications.
(Ordinance)

2) Purpose of the Proposed Legislation:

The Bureau of Transportation requested a classification review for nine positions in the Environmental System Maintenance Technician classification. There are two groups of employees in this classification that have different responsibilities and have different knowledge and skill requirements. The Bureau of Human Resources (BHR) reviewed this request and determined that two new classifications were needed to properly classify this work. BHR is recommending the creation of the Collection System Video Inspector and Collection System Investigator classifications. These classifications will be represented by District Council of Trade Unions (DCTU), Laborers' International Union, Local 483.

3) Which area(s) of the city are affected by this Council item? (Check all that apply—areas are based on formal neighborhood coalition boundaries)?

FINANCIAL IMPACT**4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.**

No

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? *(Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)*

There is no direct cost to create the two new classifications. BHR is recommending an annual maximum rate of \$54,829 for both the Collection System Investigator and the Collection System Video Inspector classifications. This is the same annual maximum as the current Environmental System Maintenance Technician classification. There will be no increase in cost to reclassify the positions.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)* Yes. Six Environmental System Maintenance Technician positions will be reclassified to the new Collection System Video Inspector classification. Three Environmental System Maintenance Technician positions will be reclassified to the new Collection System Investigator classification.
- **Will positions be created or eliminated in *future years* as a result of this legislation?**
No

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*
