

ORDINANCE No. 185095

*Authorize Intergovernmental Agreement with Multnomah County for the Revenue Bureau to collect Transient Lodging Taxes on behalf of the County within Portland City limits. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Both the City of Portland and Multnomah County have a transient lodging tax, assessed persons who exercises or is entitled to exercise occupancy for a period of 30 consecutive calendar days or less in transient accommodations within their respective boundaries.
2. Since both laws are substantially the same and the taxes are assessed on the same individuals, it is in the best interests of both the City and County to have the administration of the tax done by one jurisdiction where the jurisdictions overlap.
3. The City, through the Revenue Bureau, is willing and able to collect the transient lodging taxes for the County, and has been doing so since October 1, 1989.
4. The current Intergovernmental Agreement has not been updated since it was passed by both jurisdictions in 1989. This original agreement did not have a set expiration date. The City and County recognize the need to update the agreement to reflect needed clarifications in its terms, especially regarding administrative procedures and allocation of costs incurred for collection efforts by the City on the County's behalf.

NOW, THEREFORE, the Council directs:

- a. The Mayor is authorized and directed to execute on behalf of the City an Intergovernmental Agreement with the County substantially similar to that attached to this ordinance as Exhibit A.

Section 2. The Council declares that an emergency exists because a delay will result in the Revenue Bureau not being able to conduct needed enforcement actions on behalf of both the City and County, resulting in lost revenues to both jurisdictions
