

ORDINANCE No. 185134

*Authorize Intergovernmental Agreements with Centennial, David Douglas, Gresham-Barlow, and Parkrose School Districts to work with the City to implement the C3 Program (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. According to the Connected by 25 research students who do not have sufficient credit by the end of 9th grade are 4 times more likely not to graduate high school on time. 41% of local students do not have the necessary six core credits at the end of 9th grade to be on track to graduation.
2. The graduation rate for the six urban, Multnomah County school districts is 57%. Using the research from Connected by 25, the School Districts and City have been able to identify students with an elevated risk of dropping out of school and support them through key transitions to increase their likelihood of graduating.
3. About two-thirds of the ninth grade achievement gap between lower and high income youth can be explained by unequal access to summer learning opportunities. School districts have not traditionally provided summer programs for students between 9th and 10th grades.
4. Career + College Connections (C3), sponsored by the Mayor's Office, acts as a bridge between the "career sampler" of Ninth Grade Counts and the internship of SummerWorks by providing career exploration and work readiness activities to help inform education and career planning.
5. Based on a successful pilot program at Reynolds High School in Summer 2011, the City requested proposals from the remaining five, urban, Multnomah County school and four (4) responsive proposals were received.
6. This IGA will provide for establishment of the C3 Program in each of the School Districts, manage delivery and resources, provide for targeted outreach to the eligible students and provide for pre- and post-assessments surveys. Cost for each School District shall depend upon the number of eligible participants. Total cost for this program shall not exceed \$99,973.
7. Sufficient funding for these Intergovernmental Agreements resides in the Education Program Funds in the Mayor Office's Budget as approved in the FY 11/12 budget cycle.

185134

NOW, THEREFORE, The Council Directs:

- a. The Commissioner in Charge of Finance and Administration is authorized to execute an intergovernmental agreement with the Centennial, David Douglas, Gresham-Barlow, and Parkrose School Districts for the implementation and development of the C3 Program.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants chargeable to the Fiscal Year 2011-12 Adopted Budget when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists in order to avoid unnecessary delays in the City's ability to perform the activities authorized by the IGA, therefore, this Ordinance shall be in full force and effect from and after its passage by Council.
