

ORDINANCE No. 185136

*Authorize and accept Intergovernmental Grant Agreement of \$85,000 from Metro for the Green Development Resource Center (Ordinance)

The City of Portland ordains:

Section 1. The Council finds

1. Metro has awarded the City of Portland a grant for the Green Development Resource Center for FY 2011-12.
2. Since passage of Ordinance No. 181252 on September 5, 2007, Metro has contributed funding to the region-wide Green Development Resource Center to provide information about green building and site development practices to residents and the building industry throughout the Portland metro region.
3. The Green Development Resource Center represents a multi-jurisdictional resource that is housed at Bureau of Planning and Sustainability (BPS) and funded by regional governments to provide services beyond the Portland area that accelerate the spread of green building practices, waste reduction and site restoration activities. The Center leverages the City's efforts to make green building practices standard throughout the Portland region.
4. BPS staff in the City's Green Building and Development program continue to provide technical assistance, resources and training to the building industry and residents.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to accept on behalf of the City of Portland a grant from Metro for the Green Development Resource Center in the amount of \$85,000 and to execute an intergovernmental agreement in substantially the form of the attached exhibit A for this purpose.
- b. The FY 2011/2012 budget is hereby amended as follows: Total funds of \$85,000 were appropriated in the FY 11/12/ Adopted Budget, Ordinance #184679.
