

Why do we need more Recycling cans?

- Most Oregonians use up to 20 gallons of garbage a month
- Over half of that garbage can be recycled

French American International School

How much does portland recycle?

- Up to 30% of waste that we through away in downtown Portland can be recycled.
- There are almost no recycling cans in downtown Portland.
- Portland is trying to make a difference in recycling and we need to live up to the name.
- The Portland trash cans cost up to \$1,600

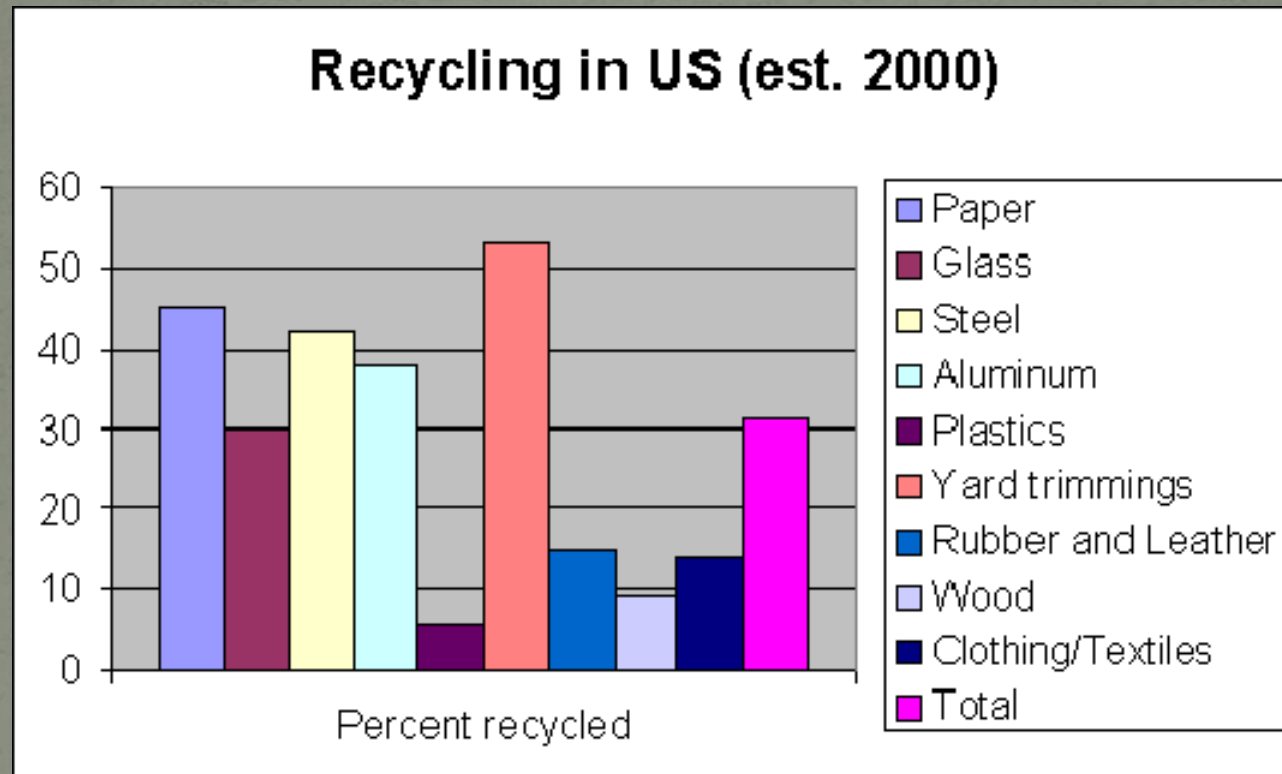

Portland needs to recycle more!!!!!!

This is What Portland Needs!!

- We need more public recycling cans.
- In some of the busiest areas of Portland.

Here are the types of Recycling!

- We can impact how the US's Recycling is doing.
- Like you saw in the previous slide
