FINANCIAL IMPACT

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

The agreement will allow for reimbursement to the City for certain Police Bureau expenses within the current federal fiscal year. The revenue will partially offset the bureau's General Fund expenditures to contribute investigative resources to task force cases. Payments may be made to the extent they are included in the Treasury law enforcement agency's Fiscal Year Plan and the monies are available within the Treasury Forfeiture Fund to satisfy the request(s) for reimbursable overtime expenses up to \$15,000 and travel expenses up to \$10,000. Any modifications will be documented in writing and immediately provided to the impacted agency.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution

or match required. *If there is a project estimate, please identify the **level of confidence**.*)

The Police Bureau's existing General Fund appropriation will be used to continue participation in the Oregon and Southwest Washington Financial Crimes Task Force. This expenditure to provide investigative resources for these cases has direct benefits to the community as well as the region.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)*

No positions will be created, eliminated or re-classified in the current year as a result of this legislation.

- **Will positions be created or eliminated in future years as a result of this legislation?**

No positions will be created or eliminated in future years as a result of this legislation.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*

PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

☐ **YES:** Please proceed to Question #9.

☒ **NO:** Please, explain why below; and proceed to Question #10.

As a matter of course the Police Bureau would normally conduct criminal investigations on the type of cases pursued by the Oregon and Southwest Washington Financial Crimes Task Force. Participation in the task force provides a force and resource multiplier, which is of great benefit to the City and the community served by the bureau. Bureau personnel assigned to the task force remain under the supervision of the Portland Police Bureau. When statutory, constitutional or decisional law of Oregon restricts investigative methods more than federal law, the investigative methods employed by Portland police officers working with the IRS shall conform to the requirements of Oregon law. Portland police officers may not take action or exercise authority under the agreement if the action or exercise of authority is prohibited by Oregon law.

For these reasons the bureau deems this a routine and non-controversial item that would not require public involvement.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

c) How did public involvement shape the outcome of this Council item?

d) Who designed and implemented the public involvement related to this Council item?

e) Primary contact for more information on this public involvement process (name, title, phone, email):

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

For the same reasons identified in item eight, above, the bureau deems this a routine and non-controversial item that would not require future public involvement.

MICHAEL REESE, Chief of Police
