**ORDINANCE No. 179806**

Authorize the Director of the Portland Office of Transportation to execute agreements pertaining to sponsorships, donations, contributions and cost-sharing for transportation programs, services and projects in a form acceptable to the City Attorney's Office and in amounts not to exceed \$150,000 per agreement (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Building and promoting partnerships between the City of Portland and local businesses helps ensure that community goals are realized through transportation system improvements, such as a healthy economy and a livable and safe community.
2. Cost sharing agreements are an important part of a sustainable funding framework that maximize the resources available to fund projects that protect the public's investment in a balanced transportation system.
3. That City Code 5.36.090 stipulates that any donation, gift, grant, lease or loan by which the City shall be obligated in an amount exceeding \$250 shall first be approved by the Council by special ordinance.
4. The most efficient method for processing sponsorships, donations, contributions and cost sharing agreements for less than \$150,000 would be to authorize the Director of PDOT to execute these agreements.

NOW, THEREFORE, the Council directs:

- a. The Commissioner of Public Utilities and Auditor to authorize the Director of the Portland Office of Transportation to execute agreements in amounts not to exceed \$150,000 for the purpose described in Section 1.
- b. The Portland Office of Transportation shall report annually to the City Council on the number, types and dollar value of sponsorships, donations, contributions and cost-sharing agreements that have been executed.

The Mayor and Auditor to authorize the Director of the Portland Bureau of Transportation to accept and acknowledge on behalf of the City, in a form acceptable to the City Attorney's Office, individual sponsorships, donations, and contributions for Sunday Parkway projects in amounts not to exceed \$10,000 for the purpose described in Section 1.
