Hi Karla,

I understand you are the person to contact if I want to make a statement before the City Council on 4/27. I would like to comment on Hillsdale Main Street.

I have not done this before, so any context you can provide would be helpful.

I understand public comments start at 9:30. Since I need to get back to work as soon as possible, I would love to be scheduled as early as is feasible (although not first since I would benefit in this new experience from seeing someone else speak first).

Just let me know if you need any further information from me.

Regards,

Anne Curran
