Dear Lavonne

Hello, I am trying to schedule an appointment with you to speak about the IPR Exclusion Process. Currently I am excluded from the process based on false allegations and Corruption. I would like to discuss these issues in person because I believe certain individual are attempting to engage in disruptive behavior in an effort to cause confrontation with me, Belinda Jackson, to qualify these false allegations. The last Three complaint I have filed with IPR are as follows:

1) Sgt. Vic Dody and Officer Dean Halley--Refused to allow me to file a police complaint when I was threatened with bodily harm on a Trimet bus--The person point blank stated she would physically attack me and I have witnesses to this fact. Officer Halley Stated it was a Federal Issue and Sgt. Dody said it was not illegally to threaten people with physical harm.

145  
 2) Criminally Negligent Homicide ORS 163.037(?) on January 17, 2011 Officer Jerami Mckinlay arrived out to my apartment on a call when I reported elder abuse because porthaven medical staff refused to give my Mother Medical care are tell me what medication she had been given that day. My mother died of a heart attack about 2 hours later; Officer Mckinlay took evidence from me and sent the case to Homicide whom refused to investigate are give the evidence to the DA

3) I was using public transportation and a Police Action took place as I exited Trimet Bus on SE OTTEY Rd And 82nd Ave Portland Police officers allowed two male latinos to pass them but placed me between themselves with thier guns draw and the suspect whom was latino. I believe this was retaliation for my complaint against Sgt. Austria, Lt. Marshmen and Commander Brumfield.

These are ligitmate complaint in compliance with all rules and regulation yet Mr. Morrell and IPR have not even created case numbers for my complaints; putting a innocent by-stander in a position to face with the point of a drawn gun should not be ignored, Criminally Neglegent Homicide should not be ignored and not allowing someone whom has been threatened with physical harm file a compliant should not be ignored. I am protect by the Constitution equal protection under the law and due process and no good old boy chain of command can or will undermine it. Presently these issues need to be discuss. Checks and Balance Government exist for a reason and my right as well as opportunity to have errors corrected have been circumvented by corruption.

I am avialable on Tuesday April 5, 2011.
