Dear To Whom it may concern,

I have been at this school for 4 years and I've been in sun programs for 4 years and I love when I do jump rope club. They are my exercise for the day. I am always with my friends and they say "I never want this class to end" they say and ~~#~~ me because it is so fun being in classes I like to do every week. We also learn a lot of stuff like ~~#~~ jump rope and stake-

boarding, dodgeball, and how
to act in theater. It

makes me sad to think

about these programs closing ~~and~~

or else I ~~will~~ ~~have~~ have

to stay in the house all
day learning nothing.

Dear City of Portland Commissioner,
Senator, Representative Dembrow
and Parks Director:

I am writing to ask for support
for our SUN Community program
at Roseway Heights K-8 school.

I have lived in the neighborhood
for 12 years. It is very Socioeconomically
diverse. I have 2 kids, 1st and 3rd,
that attend Roseway Heights SUN
Community Program has been
in bringing together the children,
parents and community. For my
children personally it has allowed them
to build relationships, learn new things,
exercise and be creative.

In the best interest of the children and
community, Please think about the
long-term effects of closing a
well established program.

PLEASE help keep the Sun
program at Roseway Heights &
all other 11 SUN run programs.

Sincerely, Kelly Georgeades

Dear city council and mayor Sam,
I am asking you to save ~~our~~ Sun School.
I have been taking Sun School for 5
years and have loved the classes! Recently I have taken doge ball, chess, computers, skate
boarding, lego robotics, and video game designing. I have
loved all the classes and the teachers are
really nice. Please let us continue these
rich learning opportunities. Please save our
Sun School at Roseway Heights.
