Hello Roseway Heights Families,

Funding for the SUN School programs here at Roseway Heights and at other schools in the school district is in danger of being cut. **This may mean no SUN after-school programs or summer camps at some schools (potentially ours!) beginning in the Fall of 2012.**

What can we do about it?

- 1) **Complete this brief survey** on your family's participation in SUN school programs.
- 2) **Sign the "I Support SUN Schools" statement.**
- 3) **Return both** the survey and the signed supporting statement to the office or your child's teacher by **Wednesday, March 21st**.

These surveys will support testimony from myself and other Roseway Heights parents who plan to attend the public hearing for the City of Portland's Parks & Recreation department on **Wednesday, March 21, from 6:30 - 8:30 pm at Cleveland High School's cafeteria (3400 SE 26th)**. **Please join us in attending this hearing if you are able.** Our physical presence and testimonials can truly make a difference for the future of the SUN Schools.

Thank you for your time and consideration,

Hello Roseway Heights Families,

Funding for the SUN School programs here at Roseway Heights and at other schools in the school district is in danger of being cut. **This may mean no SUN after-school programs or summer camps at some schools (potentially ours!) beginning in the Fall of 2012.**

What can we do about it?

- 1) **Complete this brief survey** on your family's participation in SUN school programs.
- 2) **Sign the "I Support SUN Schools" statement.**
- 3) **Return both** the survey and the signed supporting statement to the office or your child's teacher by **Wednesday, March 21st**.

These surveys will support testimony from myself and other Roseway Heights parents who plan to attend the public hearing for the City of Portland's Parks & Recreation department on **Wednesday, March 21, from 6:30 – 8:30 pm at Cleveland High School's cafeteria** (3400 SE 26th). **Please join us in attending this hearing if you are able.** Our physical presence and testimonials can truly make a difference for the future of the SUN Schools.

Hello Roseway Heights Families,

Funding for the SUN School programs here at Roseway Heights and at other schools in the school district is in danger of being cut. **This may mean no SUN after-school programs or summer camps at some schools (potentially ours!) beginning in the Fall of 2012.**

What can we do about it?

- 1) **Complete this brief survey** on your family's participation in SUN school programs.
- 2) **Sign the "I Support SUN Schools" statement.**
- 3) **Return both** the survey and the signed supporting statement to the office or your child's teacher by **Wednesday, March 21st**.

These surveys will support testimony from myself and other Roseway Heights parents who plan to attend the public hearing for the City of Portland's Parks & Recreation department on **Wednesday, March 21, from 6:30 - 8:30 pm at Cleveland High School's cafeteria** (3400 SE 26th). **Please join us in attending this hearing if you are able.** Our physical presence and testimonials can truly make a difference for the future of the SUN Schools.

Hello Roseway Heights Families,

Funding for the SUN School programs here at Roseway Heights and at other schools in the school district is in danger of being cut. **This may mean no SUN after-school programs or summer camps at some schools (potentially ours!) beginning in the Fall of 2012.**

What can we do about it?

- 1) **Complete this brief survey** on your family's participation in SUN school programs.
- 2) **Sign the "I Support SUN Schools" statement.**
- 3) **Return both** the survey and the signed supporting statement to the office or your child's teacher by **Wednesday, March 21st.**

These surveys will support testimony from myself and other Roseway Heights parents who plan to attend the public hearing for the City of Portland's Parks & Recreation department on **Wednesday, March 21, from 6:30 - 8:30 pm at Cleveland High School's cafeteria (3400 SE 26th).** **Please join us in attending this hearing if you are able.** Our physical presence and testimonials can truly make a difference for the future of the SUN Schools.

Thank you for your time and consideration,

Subject: TRIM: testimony at council meeting april 4th

TRIM Record Number: 12/EM/20449

Hello Susan,

Thank you so much for your help on the phone today. I am excited to request a slot to speak at the City Council meeting on April 4th. I will be speaking in support of SUN Schools, and highlight some of the wonderful things specific to my neighborhood SUN School, Roseway Heights. I will have at least one and hopefully two students with me to give brief testimony in support of their SUN School, also.

Thank you again for your help.
