On May 14, 2012, the City of Portland (City) proposes to amend its Consolidated Plan Action Plan for FY 2011-12 as follows:

Accept \$247,649 in funding allocated by formula from the U.S. Department of Housing and Urban Development under the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act Emergency Solutions Grants (ESG) Program. The City intends to use the funds to rapidly re-house households experiencing homelessness, including the following activities:

- Short- and medium-term rental assistance
- Housing relocation and stabilization services, including:
 - Financial assistance costs for rental application fees, security deposits, last month's rent, utility deposits, utility payments and moving costs
 - Services costs for housing search and placement and housing stability case management

The City intends to expend ESG funds over a one-year period, beginning in July 2012. The City will allocate funds through a procured contract with Home Forward (the new name for the Housing Authority of Portland) for distribution through its Short-term Rent Assistance (STRA) program. Home Forward will provide administration, training and monitoring oversight of funds. The City will reserve as much as 7.5 percent of its total FY2011 ESG allocation for administrative costs.

An estimated 15 households will be assisted with the funds.

The purpose of this notice is to provide an opportunity for public comment on this amendment and the proposed amendment to the cities Portland and Gresham and Multnomah County Consolidated Plan One-Year Action Plan for FY 2011-2012.

The Consolidated Plan is a requirement of HUD as a condition of receiving certain federal funding. The Plan identifies the cities Portland and Gresham and Multnomah County's overall needs for affordable and supportive housing, homeless shelters and services for community and economic development, and for building public and private partnerships. The proposed program modification utilizing ESG funding will have no adverse impact on any projects and activities already a part of the One-Year Action Plan for FY 2011-2012.
