The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland entered into an agreement with the Oregon Department of Transportation for 100% funding of the North Burgard Road (Over Abandoned Railroad) project using funds from the Oregon Transportation Investment Act. The agreement was approved by City Council on April 28, 2004 (Ordinance No. 178349) and an amendment to the agreement was approved on November 19, 2008 (Ordinance No. 182339).
2. The project involves demolishing an existing bridge over an abandoned railroad and filling the area with engineered fill. A new sewer line is also to be constructed to dispose of storm water from new street improvements which includes freight, pedestrian and bicycle facilities.
3. The Bureau of Transportation has funds budgeted in FY 2011-12 through FY 2013-14 for construction, inspection and management of the project.
4. The Bureau's level of confidence in the cost estimate for this project is high, based on the defined scope and completed plans and specifications.

NOW, THEREFORE, the Council directs:

- a. The Purchasing Agent shall advertise for bids using the plans and specifications to be filed in his office and in the event no satisfactory bid is received shall re-advertise on the same basic specifications until a satisfactory bid is received.
- b. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Office is authorized to negotiate and execute a contract, provided the contract has been approved as to form by the City Attorney's office.
- c. The Auditor to draw and deliver warrants chargeable to T00051 when demand is presented and approved by the proper authority.
