Thank you Susan. We confirm that we will both be attending that day and have noted our calendars.

We will be highlighting the need for City Council to urgently address growing discontent across Portland's neighborhoods – namely the problem of cell phone antenna being installed next to homes, schools and other sensitive community locations.

- You will have three minutes to address the Council and may also submit written material (please provide seven copies).
- We start the meeting at 9:30 and Communications are the first item on the agenda.
- Please note communications allow the Council to hear issues that interest our citizens, but do not allow an opportunity for dialogue.
