## EXPLANATORY NOTES

---

**Charter History.** The City of Portland was incorporated in 1851 by the territory of Oregon, eight years prior to the year Oregon was granted statehood, 1859. In 1903, the State of Oregon granted a new Charter to the City of Portland. An extensive revision to that Charter, which established a commission form of government, was approved by the voters in 1913. Since 1913, voters have rejected eight attempts to change the City's form of government, most recently in May 2007.

**Deletion of Masculine and Feminine Charter Terms.** A measure approved by the voters in May 1984 provided for the elimination from the Charter of terms which were masculine or feminine unless the context of the Charter required otherwise. This edition of the Charter incorporates appropriate changes to comply with that measure.

**Use of Brackets.** Brackets enclose material inserted by the editor. Insertions, when made within the body of the sections, clarify the context, translate former section numbers into new numbers, and set forth present titles of departments, etc. The notes in brackets at the end of each section provide references to former revisions and publications of the Charter.

## CHAPTER 1

### CORPORATE EXISTENCE AND POWERS

#### **ARTICLE 1. POWERS, RIGHTS AND LIABILITIES.**

**Section 1-101. Continuation and Grant of Corporate Powers.** The municipal corporation now existing and known as the City of Portland shall remain and continue a body politic and corporate by the name of the City of Portland, shall have perpetual succession, may sue and be sued, plead and be impleaded in all courts of justice and in all actions, suits or proceedings; may have and use an official seal and may alter the same; may purchase, or acquire by the exercise of the right of eminent domain or otherwise, receive and hold property, both real and personal, within or without said City for municipal purposes, and shall have the right of possession, use and control of all public parks and levees, buildings and property, and of all tracts of land and rights or easements in land belonging to said City, and other property which has been or may be hereafter dedicated to the City or to the public, or in any manner obtained, for public or corporate purposes of said City, and may lease, sell, terminate the dedication or otherwise dispose of the same for the benefit of the City; may receive or reject bequests, gifts, grants and donations of money or any kind of property, or interest in property, conditionally or unconditionally, in trust or otherwise, for charitable or other purposes, and may do all acts necessary to carry out the purposes or to fulfill the conditions of said gifts, requests, grants and donations, and may manage, sell, lease or otherwise dispose of the same in accordance with the terms of the gift, bequest, grant or trust, or absolutely in case such gift, bequest, grant or trust be unconditional; and shall have all general and specific powers granted to the City by any general or special law of the State of Oregon, or by the 1903 Legislative Charter of the City. All previously existing legal rights or powers of the City held or accruing to it shall continue as though no amendment of this Section had been made, and all duties and liabilities accrued or accruing to others at the time of this amendment from acts or agreements of the City shall not be affected by this amendment. [Ch. 1903, sec. 2; rev. 1914, sec. 2; 1928 pub., sec. 2; 1942 recod., sec. 1-102; rev. May 18, 1962.]

**Section 1-102. Grant of General Powers.** The City of Portland shall be invested within its corporate limits and within the limits of property it holds or occupies outside its corporate limits, with authority to perform all public and private services, including those of an educational or recreational character as well as others, with all governmental powers except such as are expressly conferred by law upon other public corporations within such limits and subject to the limitations prescribed by the constitution and laws of the State, and with authority to acquire by purchase, condemnation or otherwise property within and without its limits, and to perform any function or service or to have any authority permitted by law outside its limits. [Ch. 1903, sec. 3; am. May 3, 1913, sec. 2; rev. 1914, sec. 3; 1928 pub., sec. 3; 1942 recod., sec. 1-103; rev. May 18, 1962.]

**Section 1-103. Legal Proceedings.** Suits, actions and proceedings whether civil or criminal may be brought in the name of the City of Portland for the recovery of any property, for enforcement of any rights of the City or the public for whom the City may act, arising in contract or otherwise, and for the enforcement of City laws, whether arising, accruing or enacted before or after the adoption of this amendment. [Ch. 1903, sec. 5; rev. 1914, sec. 5; 1928 pub., sec. 5; 1942 recod., sec. 1-105; rev. May 18, 1962.]

**Section 1-104. Alienability of Public Places and Property and Limitations Thereon.** The City of Portland may not divest itself of title it has or may acquire in and to water front, wharf property, land under water and made land built upon same, or any lands on the water side of the high water or meander lines of navigable waters as established by the original United States surveys and conformed to by the original plats of the City of Portland, or any landing, wharf, dock, highway, bridge, avenue, street, alley, lane, park or any other public place, or like property that it may now own or hereafter may acquire, except as set forth in this Charter or as provided by statute.

The City may vacate street area if such vacation would not interfere with reasonable access to the water front or any transportation terminal. Favorable vote of at least four-fifths of all members of the Council shall be required for any ordinance of vacation. The Council may impose such conditions upon the street vacation as it deems appropriate in the public interest. This Section shall not be deemed to prevent replatting of subdivisions wherever situated, nor relocation of streets.

A street shall be held to fulfill its function as a street by being used in any way for the purpose of travel, transportation or distribution by or for the public; and where a street abuts or terminates against a waterway or connects with a railroad terminal it may be occupied by any structure or machinery facilitating or necessary to travel, transportation or distribution, or facilities for the protection of persons or property, which does not prevent access of the public to uses provided; and this clause shall include and apply to all structures necessary in the improvement of the public docks.

Wharves, docks, port and harbor facilities and other City-owned property or structures may be rented, leased or pledged, provided that the present or future right of the public to use thereof is preserved or will be promoted.

No dedication by the City of any park, playground or public place shall be terminated unless the Council finds that such dedicated area is no longer needed for the dedication purpose, or that another public use has a greater need for such property, or that another location would further the public use. When such dedication is terminated, the property may be leased, sold or exchanged.

The Council may rent or lease area below or above parks, public places, streets, viaducts, tunnels and other facilities, where the public use is preserved.

The City may sell, dispose of or exchange any buildings, structures or property, real or personal, which it owns or may acquire not needed for public use, by negotiation, bid, auction or any other method the Council finds appropriate. Favorable vote of at least four-fifths of all members of the Council shall be necessary for any ordinance authorizing such sale, disposal or exchange. The City may sell property on contract for such term as the Council finds appropriate, notwithstanding any term limit elsewhere prescribed in the Charter. In cases where property to be exchanged is held by the City upon any trust (including property held as security for bond issues) the property received in exchange shall be similarly held and any net income therefrom shall be applied to such trust.

The City may rent or lease property which will not be needed for public use during the term of the rental or lease for any term permitted by statute. [Ch. 1903, part of sec. 93; am. June 5, 1911, part of sec. 93; am. Nov. 2, 1912, part of sec. 93; am. May 3, 1913, part of sec. 66; rev. 1914, sec. 7; am. June 7, 1921; 1928 pub., sec. 7; 1942 recod., sec. 1-107; new sec. Nov. 2, 1948; rev. May 18, 1962.]

**Section 1-105. Nonliability for Defective Sidewalks, Etc.** No recourse shall be had against the City for damage or loss to person or property suffered or sustained by reason of the defective condition of any sidewalk, curb, street, avenue, lane, alley, court or place, or by reason of the defective condition of any sewer, or by reason of any defective drainage, whether any of said defects originally existed, or whether they were occasioned by construction, excavation or embankment; nor shall there be any recourse against the City for want of repair of any sidewalk, curb, street, avenue, lane, alley, court or place, or by want of repair of any sewer; nor shall there be any recourse against the City for damage to person or property suffered or sustained by reason of accident on sidewalk, curb, street, avenue, lane, alley, court or place or by falling from any embankment thereon or into any excavation therein; but in such case the person or persons on whom the law may have imposed the obligation to repair such defect in the sidewalk, curb, street, or public highway, or in the sewer, and also the officer or officers through whose official negligence such defect remains unrepaired shall be jointly and severally liable to the party injured for the damage sustained. [Ch. 1903, sec. 8; rev. 1914, sec. 281; 1928 pub., sec. 281; 1942 recod., sec. 1-110; rev. May 18, 1962.]

**Section 1-106. Damage Claims, Insurance.** Notice of and claims for damages arising out of the alleged torts of the City and those of its officers, employees and agents acting within the scope of their employment or duties, must be presented to the City Attorney within the time prescribed by law. The Council shall establish a Loss Reserve Fund and shall annually budget an amount sufficient to maintain such Fund on an actuarially sound basis. The monies in such Fund may be invested and reinvested in the like manner with other City funds and the earnings from such investment and reinvestment shall be credited to the Fund. Payments may be made from the Loss Reserve Fund to pay claims against the City, its officers, employees and agents, procure insurance against such liability, and pay costs related to the payment of claims including but not limited to payment of investigative, legal and administrative expenses. In the event the Council shall deem it advantageous to procure insurance against claims, the existence of insurance shall be considered in determining the funding necessary to maintain the Loss

Reserve Fund on an actuarially sound basis. The Commissioner In Charge may negotiate, compromise and settle any claims and may authorize the payment of any claim in an amount not to exceed five thousand dollars (\$5,000). Payment exceeding five thousand dollars (\$5,000) for any claim must be authorized by an ordinance. [Ch. 1903, sec. 9; rev. 1914, sec. 282; 1928 pub., sec. 282; 1942 recod., sec. 1-111; rev. May 18, 1962; rev. Nov. 2, 1976; am. May 20, 1986.]

**Section 1-107. **Section 2-206. Vacancies in Office, Filling of Vacancies.**

- (a) A vacancy in office shall exist when the Mayor, a Commissioner or the Auditor fails to qualify by taking the oath following his or her election, or when any officer or employee dies, resigns, is removed from office, is convicted of a felony, is judicially declared to be mentally incompetent, is convicted of an offense which constitutes corruption, malfeasance or delinquency in office, forfeits his or her office under specific provisions of this Charter, or is elected or appointed to a different office, and qualifies, takes and assumes the duties of such different office.

- (b) If a vacancy occurs in an office elective under this Charter more than one hundred (100) days preceding the regular primary election to be held in the fourth year of the term of that office, but less than seventy-one (71) days preceding the regular general election to be held in that year, the Council, by a single resolution, shall call for two (2) special elections not more than forty-five (45) days apart. The first special election will be for the purpose of nomination. It shall be held not more than ninety (90) days after the vacancy occurs, unless the Council finds reasonable cause for delay beyond ninety (90) days. If one candidate receives a majority of the votes cast for the office, that candidate will be deemed elected to fill the unexpired term of the office and the second special election will not be held. If no candidate receives a majority, one of the two candidates receiving the highest number of votes cast in the first special election will be elected to fill the unexpired term in the second special election.
- (c) If a vacancy occurs in an office elective under this Charter less than one hundred and one (101) days and more than seventy (70) days preceding the regular primary election to be held in the fourth year of the term of that office, the Council shall call for a special election to be held not more than forty-five (45) days following the regular primary election. The regular primary election will be for the purpose of nomination to fill the unexpired term and nomination of candidates for the next four-year term of the office to be voted upon in the regular general election. If one candidate receives a majority of the votes cast for the office, that candidate will be deemed elected to fill the unexpired term of the office and the special election will not be held. If no candidate receives a majority, one of the two candidates receiving the highest number of votes cast in the regular primary election will be elected to fill the unexpired term in the special election.
- (d) If a vacancy occurs in an office elective under this Charter less than seventy-one (71) days preceding the regular primary election, but more than seventy (70) days preceding the regular general election, to be held in the fourth year of the term of that office, and the incumbent vacating the office:
- (1) Was one of two or more candidates for the same office in the regular primary election, then if an opposing candidate was nominated by a majority of votes cast in that primary, that candidate will be deemed elected to fill the vacated office until the regular general election and the candidate elected at the regular general election will fill the balance of the unexpired term. If no candidate opposing the incumbent was nominated by a majority of votes cast in that primary, the Council shall call for a special primary election as provided in paragraph (2) of this subsection.

- (2) Was an unopposed candidate for the same office in the regular primary election, then the Council shall call for a special primary election. If the special primary election is held less than one hundred and one (101) days preceding the regular general election and no candidate is nominated by a majority of votes cast, the candidate elected in the regular election will fill the balance of the unexpired term. If the special primary election is held less than one hundred and one (101) days preceding the regular general election and a candidate is nominated by a majority of votes cast, that candidate will be deemed elected to fill the balance of the unexpired term. If the special primary election is held more than one hundred (100) days preceding the regular general election and a candidate is nominated by a majority of votes cast, that candidate will be deemed elected to fill the balance of the unexpired term.
- (3) Was not a candidate for the same office in the regular primary election, then if a candidate is nominated by a majority of votes cast in that primary, that candidate will be deemed elected to fill the balance of the unexpired term. If no candidate is nominated by a majority of votes cast, the Council shall call for a special election in which the candidate receiving a majority of votes cast will be deemed elected to fill the balance of the unexpired term.

Any election required by this subsection, between two nominees who received the highest number of votes cast in a prior election, shall be held not more than forty-five (45) days after the prior election.

- (e) A person holding an office elective under this Charter may file with the Auditor a written notice of intent to resign from office on a specific future date of the occurrence of a specific event within the unexpired term of the office. The Council then may by resolution schedule and hold the special election or elections, as provided in subsections (b) through (d) of this Section, although no vacancy has occurred. However, no candidate elected to fill an unexpired term under this subsection may take and assume the duties of the office unless and until the vacancy occurs.
- (f) If a vacancy occurs in the Office of the Auditor, the Council may fill the office by appointment pending election as provided therein.
- (g) In the event of the death or crippling disability preventing the performance of three (3) or more members of the City Council due to natural disaster, calamity, accident or enemy attack, the following City officials in the order named shall succeed to the vacancies on the City Council: City Auditor, City Attorney, Director of Office of Fiscal Administration, executive assistants of disabled Council members in the order of their seniority as an executive assistant. Any individual serving under this Section shall have all

qualifications required in this Charter for an elected official. The City Council thus constituted shall serve as an interim Council for the purpose of transacting necessary City business. The interim Council so constituted shall as soon as practical select from among qualified citizens of the City of Portland, as defined by Section 2-202 of this Charter, persons to serve as members of the City Council. The persons so selected shall serve until the next regular election. The City Council as thus constituted shall, if the regularly elected Mayor is not a member thereof, elect one of their number as Mayor. Members of the Council as thus constituted shall serve as City Commissioners by this Charter. The Council as constituted under authority of this subsection shall meet in the City Hall, if possible, but may meet at an alternate location which shall be designated in advance by the Council as an alternate site for the transaction of City business. In the event of martial law, the Council shall be organized as by this subsection provided, and it shall function to the extent possible under the order establishing martial law.

The provisions of this subsection shall be supreme in the event it shall be employed, notwithstanding any other provisions of this Charter or ordinances of the City in conflict therewith. **Section 5-306. Service-Connected and Occupational Disability Benefits.**

- (a) Eligibility for Service-Connected Disability Benefit. An Active Member shall be eligible for the service-connected disability benefit when unable to perform the Member's required duties because of an injury or illness arising out of and in the course of the Member's employment in the Bureau of Police or Fire. The Fund Administrator shall determine the existence of a disability and whether it arises out of and in the course of such employment. A Member shall not be eligible for the service-connected disability benefit based on an injury suffered in assaults or combats which are not connected to the job assignment and which amount to a deviation from customary duties or incurred while engaging in, or as the result of engaging in, any recreational or social activities solely for the Member's personal pleasure.
- (b) A Member shall not be eligible for the service-connected disability benefit on the basis of a condition of stress or mental disorder unless:
1. The employment conditions producing the stress or mental disorder exist in a real and objective sense;
  2. The employment conditions producing the stress or mental disorder are conditions other than conditions generally inherent in police or fire employment or reasonable disciplinary, corrective, or job performance evaluation actions by the employer, or cessation of employment;
  3. There is a diagnosis of a mental or emotional disorder which is generally recognized in the medical or psychological community;
  4. There is clear and convincing evidence that the stress or mental disorder arose out of and in the course of employment as an Active Member; and
  5. The Member's employment conditions are the primary cause of the stress or mental disorder.
- (c) Eligibility for Occupational Disability Benefit. An Active Member shall be eligible for the occupational disability benefit when unable to perform the Member's required duties because of heart disease, hernia of abdominal cavity or diaphragm, AIDS, AIDS-related complex, tuberculosis, hepatitis B, or pneumonia (except terminal pneumonia). A Member shall not be eligible for an occupational disability benefit because of heart disease unless the

Member has five or more Years of Service when the disability arises. The Fund Administrator shall deny an occupational disability benefit if the Fund Administrator determines, by a preponderance of the evidence, that the disability was not contracted as a result of service as a police officer or fire fighter. No Member shall be eligible to receive a benefit for an occupational disability incurred while receiving benefits under Section 5-307, unless such occupational disability is incurred within two years after such Member had commenced and continued to receive benefits under Section 5-307, or unless such occupational disability is a recurrence of an occupational disability which became disabling and was compensated for under this Section.

- (d) Amount of Benefits. During the period the Member continues to be eligible under subsection (a), (b) or (c) benefits shall be paid as follows:
1. During the first year from the date of disability, the Member shall be paid 75 percent of the Member's rate of Base Pay in effect at disability, reduced by 50 percent of any wages earned in other employment during the period the benefit is payable.
  2. The Member shall continue to be paid the benefit described in Paragraph 1 after one year from the date of disability until the earliest date on which the Member is both medically stationary and capable of Substantial Gainful Activity. If not medically stationary sooner, the Member shall be treated as medically stationary for purposes of this Section on the fourth anniversary of the date of disability, regardless of the Member's condition. The Member is capable of Substantial Gainful Activity if qualified, physically and by education and experience, to pursue employment with earnings equal to or exceeding one-third of the Member's rate of Base Pay at disability.
  3. After the date described in Paragraph 2, the Member shall be paid 50 percent of the Member's rate of Base Pay at disability, reduced by 25 percent of any wages earned in other employment during the same period.
  4. The minimum benefit shall be 25 percent of the Member's rate of Base Pay, regardless of the amount of wages earned in other employment.
  5. The Fund Administrator may suspend or reduce the benefit if the Member does not cooperate in treatment of the disability or in vocational rehabilitation or does not pursue other employment.

- 
6. Notwithstanding any other provision of the Chapter or the City Charter, a disabled Member receiving or eligible to receive Service-Connected and Occupational Disability Benefits under Section 5-306, or Non-Service Connected Disability Benefits under Section 5-307, shall not receive any such benefit for periods of time during which the member is incarcerated subsequent to and for the conviction of a crime. One-half of such benefit, however, shall be payable to the Member's spouse, if not incarcerated, or Member's minor children, during such periods of incarceration.
- (e) Form of Benefits. The service-connected and occupational disability benefits shall be paid bi-weekly during the first year from the date of disability and paid monthly thereafter. The benefits shall be adjusted to reflect changes in the rate of Base Pay of the position held by the Member at disability.
- (f) Service-connected or occupational disability benefits to a FPDR Two Member shall cease at Disability Retirement Age under subsection 5-304(a) unless the Fund Administrator determines that the service-connected or occupational disability is temporary. If the service-connected or occupational disability is determined by the Fund Administrator to be temporary, a FPDR Two Member shall be eligible to receive disability benefits for a period of two (2) years from the date of such disability or the Disability Retirement Age, whichever is later. At the end of such period, the disabled Member shall be entitled to receive only a retirement benefit. Service-connected or occupational disability benefits to a FPDR Three Member shall cease at Normal Retirement Age under PERS unless the Fund Administrator determines that service-connected or occupational disability is temporary. If the service-connected or occupational disability is determined by the Fund Administrator to be temporary, a FPDR Three Member shall be eligible to receive disability benefits for a period of two (2) years from the date of such disability or the Normal Retirement Age, whichever is later.
- (g) Medical and Hospital Expenses.
1. For members who are retired as of January 1, 2007, in addition to the benefits described above, a Member with a service-connected or occupational injury or illness shall be reimbursed from the Fund for reasonable medical and hospital expenses arising from the injury or illness, as determined by the Fund Administrator. Such reimbursement shall be allowed for expenses incurred while serving as an Active Member, while the FPDR Two Member's disability benefits under this Section continue and, if the FPDR Two Member continues to receive such benefits until Disability Retirement Age

while retirement benefits under Section 5-304 continue to the FPDR Two Member. A FPDR Three Member shall receive a reimbursement for such reasonable medical and hospital expenses while serving as an Active Member, while the FPDR Three Member's disability benefit under this Section continue and, if the FPDR Three Member continues to receive such benefits until Normal Retirement Age under PERS while retirement benefits continue under PERS to the FPDR Three Member. The Fund Administrator may limit reimbursement to particular medical and hospital service providers with which it has made fee arrangements and may join in the purchase of services and administration of claims for other employees of the City of Portland.

2. For members who are not retired before January 1, 2007, in addition to the benefits described above, a Member with a service-connected or occupational injury or illness accepted before retirement shall be reimbursed from the Fund for reasonable medical and hospital expenses arising from the injury or illness, as determined by the Fund Administrator. The Fund Administrator may limit reimbursement to particular medical and hospital service providers with which it has made fee arrangements and may join in the purchase of services and administration of claims for other employees of the City of Portland.
3. If the Fund Administrator determines by a preponderance of the evidence that a claim under Subsection 2 from a retired Member,
  - a. is for medical or hospital expenses related to an injury or illness that was based upon fraud, misrepresentation, an omission, or illegal activity by the Member, or
  - b. is for medical or hospital expenses related to an injury or illness that was accepted in good faith, in a case not involving fraud, misrepresentation, an omission, or illegal activity by the Member, and within two (2) years of the initial acceptance the Administrator obtains evidence that the claim is not a service-connected or occupational injury or the Fund is not responsible for the injury or illness, or
  - c. that the medical or hospital expenses are not related to the service-connected injury or illness,

the Fund Administrator shall deny the claim for medical or hospital expenses pursuant to Subsection 2. Nothing in this subsection shall limit the Fund's ability to recover costs, fees, and other remedies for

other benefits previously received by the Member based upon fraud, misrepresentation, an omission, or illegal activity.

- (h) **Waiver of Other Remedies.** By applying for and accepting service-connected or occupational disability benefits, a Member waives any right to recover any other compensation or damages from the City of Portland as a result of such disability.
- (i) **Offset.** The monthly amount of service-connected or occupational disability benefits under this Charter shall be reduced by any monthly disability benefit payment made by PERS up to the amount provided in Subsection (d) of this Section. The Fund Administrator shall reduce any service-connected or occupational disability benefit payable under this Chapter in the amount determined to be necessary by the Fund Administrator to meet the limitation imposed by this subsection. [Amended November 6, 2007, effective December 5, 2007.]

#### **Section 5-307. Nonservice-Connected Disability Benefits.**

- (a) **Eligibility.** An Active Member shall be eligible for the nonservice-connected disability benefit if the Member has 10 or more Years of Service and is unable to perform the Member's required duties because of an injury or illness that does not qualify as service-connected or occupational under subsection 5-306(a), (b) or (c). No Member shall receive benefits under this Section as a result of the following: willful injuries; injuries sustained while, or illness contracted as a result of, willfully doing an unlawful act; or weakness, illness or disability resulting directly or indirectly from the habitual excessive use of or addiction to use of alcoholic beverages or illegal drugs.
- (b) **Amount of Benefit.** The benefit shall be 50 percent of the Member's Base Pay at disability, reduced by 50 percent of any wages the Member earns in other employment during the period the benefit is payable. The Board may reduce or terminate the benefit if the Member does not cooperate in treatment of the disability or in vocational rehabilitation or does not pursue other employment.
- (c) **Form of Benefit.** The nonservice-connected disability benefit shall be payable monthly from the date of disability. The amount shall be adjusted to reflect changes in the rate of Base Pay of the position held by the Member at disability. The benefit shall cease when the Member reaches Disability Retirement Age under subsection 5-304(a).
- (d) **Nonservice-connected disability benefits to a FPDR Two Member shall cease at Disability Retirement Age under subsection 5-304(a) unless the Fund Administrator determines that the nonservice-connected disability is**

temporary. If the nonservice-connected disability is determined by the Fund Administrator to be temporary, a FPDR Two Member shall be eligible to receive disability benefits for a period of two (2) years from the date of such disability or the Disability Retirement Age, whichever is later. At the end of such period, the disabled FPDR Two Member shall be entitled to receive only a retirement benefit. Nonservice-connected disability benefits to a FPDR Three Member shall cease at Normal Retirement Age under PERS unless the Fund Administrator determines that nonservice-connected disability is temporary. If the nonservice-connected disability is determined by the Fund Administrator to be temporary, a FPDR Three Member shall be eligible to receive disability benefits for a period of two (2) years from the date of such disability or the Normal Retirement Age, whichever is later.

- (e) Offset. The monthly amount of nonservice-connected disability benefits under this Charter shall be reduced by any monthly disability benefit payment made by PERS up to the amount provided in subsection (b) of this section. The Fund Administrator shall reduce any nonservice-connected disability benefit payable under this Chapter in the amount determined to be necessary by the Fund Administrator to meet the limitation imposed by this subsection.

**Section 5-308. Benefits on Service-Connected or Occupational Death Before Retirement.**

- (a) Eligibility. A Surviving Spouse of a Member who dies before retirement as a result of an illness or injury that qualifies as service-connected or occupational under subsection 5-306(a), (b) or (c) shall be eligible to receive a death benefit. A Dependent Minor Child of such a Member shall be eligible to receive the benefit if the Member has no Surviving Spouse. If the Member has more than one Dependent Minor Child, the benefit shall be divided equally among them. If the Member has a Surviving Spouse and one or more Dependent Minor Children of a former marriage, one-half the benefit shall be paid to the Surviving Spouse. The other half shall be paid to the Dependent Minor Children until the last ceases to be minor and then paid to the Surviving Spouse.
- (b) Amount of Benefit. The benefit on service-connected or occupational death before retirement shall be 75 percent of the Member's rate of Base Pay at death until the earliest date on which the Member would have been eligible for retirement benefits under Section 5-304 if the Member had survived and continued in service as an Active Member. After such date, the benefit shall be 50 percent of the Member's Final Pay, as adjusted as provided in Section 5-312.

- (c) Form of Benefit. A Surviving Spouse shall be paid the benefit monthly starting with the month following the Member's death and continuing for the spouse's life. A Dependent Minor Child shall be paid the benefit until ceasing to be a minor. The benefit shall be adjusted as provided in Section 5-312.
- (d) Offset. The monthly amount of service-connected or occupational death benefits under this Charter shall be reduced by any monthly death benefit payment made by PERS up to the amount provided in subsection (b) of this section. The Fund Administrator shall reduce any service-connected or occupational death benefit payable under this Chapter in the amount determined to be necessary by the Fund Administrator to meet the limitation imposed by this subsection.

**Section 5-309. Benefits on Nonservice-Connected Death Before Retirement.**

- (a) Eligibility. A Surviving Spouse of a Member who has one or more Years of Service and dies before retirement not as a result of a cause described in subsection 5-308(a), shall be eligible to receive a death benefit. A Dependent Minor Child of such a Member shall be eligible to receive the benefit if the Member has no Surviving Spouse or if the spouse is under age 55. If the Member has more than one Dependent Minor Child, the benefit shall be divided equally among them. If the Member has a Surviving Spouse and one or more Dependent Minor Children of a former marriage, one-half the benefit shall be paid to the Surviving Spouse. The other half shall be paid to the Dependent Minor Children until the last ceases to be minor and then paid to the Surviving Spouse.
- (b) Amount on Death Before 10 Years of Service. If the Member had less than 10 Years of Service, the benefit on nonservice-connected death before retirement shall be a lump sum equal to the amount of the Member's contributions as provided in Paragraph 5-305(d)1, less any benefits paid to the Member under this Chapter.
- (c) Amount on Death After 10 Years of Service. If the Member had 10 or more Years of Service, the benefit on nonservice-connected death before retirement shall be an annuity equal to 50 percent of the Member's accrued retirement benefit under Section 5-304, based on 2.6 percent of the Member's Final Pay instead of 2.2 percent.

---

payable under subsection (c) to a Dependent Minor Child shall be paid monthly commencing with the month after the Member's death and shall continue until the child ceases to be a minor. A benefit payable under subsection (c) shall be adjusted as provided in Section 5-312.

- (e) **Offset.** The monthly amount of nonservice connected death benefits under this Charter shall be reduced by any monthly death benefit payment made by PERS up to the amount provided in subsection (b) and (c) of this section. The Fund Administrator shall reduce any nonservice connected death benefit payable under this Chapter in the amount determined to be necessary by the Fund Administrator to meet the limitation imposed by this subsection.

### **Section 5-310. Benefits on Death After Retirement.**

- (a) **Eligibility.** The Surviving Spouse of a FPDR Two Member who dies after retirement shall be eligible to receive a death benefit, except as provided in subsection (b). The Dependent Minor Child of the FPDR Two Member shall be eligible to receive the benefit if the Member has no Surviving Spouse. If the Member has more than one Dependent Minor Child, the benefit shall be divided equally among them. If the FPDR Two Member has a Surviving Spouse and one or more Dependent Minor Children of a former marriage, one-half the benefit shall be paid to the Surviving Spouse. The other half shall be paid to the Dependent Minor Children until the last ceases to be a minor and then paid to the Surviving Spouse. Eligibility for death benefits after retirement shall be based on status as a Surviving Spouse or Dependent Minor Child at the date of the FPDR Two Member's death and without regard to a person's status at the time of the FPDR Two Member's retirement.
- (b) **Certain Disabled Members.** If the FPDR Two Member retired after a nonservice-connected disability and had less than 10 Years of Service, including service recognized by the Public Employee Retirement System of the State of Oregon for accrual of benefits or as a waiting period before such accrual begins, no death benefit shall be paid.
- (c) **Amount of Benefit.** The benefit on death after retirement shall be 100 percent of the Member's retirement benefit. A FPDR Two Member may make an irrevocable election at the time of retirement under rules established by the Board to be covered by a reduced death benefit and receive a retirement benefit under Section 5-304 based on a larger percentage of Final Pay as follows:

1. With a death benefit equal to 100 percent of the FPDR Two Member's retirement benefit, the FPDR Two Member's retirement benefit shall be based on 2.2 percent of Final Pay.
  2. With a death benefit equal to 75 percent of the FPDR Two Member's retirement benefit, the FPDR Two Member's retirement benefit shall be based on 2.4 percent of Final Pay.
  3. With a death benefit equal to 50 percent of the FPDR Two Member's retirement benefit, the FPDR Two Member's retirement benefit shall be based on 2.6 percent of Final Pay.
  4. With a death benefit equal to 25 percent of the FPDR Two Member's retirement benefit, the FPDR Two Member's retirement benefit shall be based on 2.8 percent of Final Pay.
- (d) No Spouse or Children. If a FPDR Two Member has no Surviving Spouse or Dependent Minor Child at death, no death benefit shall be paid except for the benefit based on return of FPDR Two Member contributions provided in Section 5-311, if any. In no event shall a FPDR Two Member receive a retirement benefit based on more than 2.8 percent of Final Pay regardless of not having a Surviving Spouse or Dependent Minor Child.
- (e) Form of Benefit. The benefit shall be paid monthly commencing with the month after death and shall continue until the later of the death of the Surviving Spouse or the date the last Dependent Minor Child ceases to be a minor. The benefit shall be adjusted as provided in Section 5-312.

**Section 5-311. Return of Member Contributions.** If a FPDR Two Member's contributions under Paragraph 5-305(d)1 exceed the total of all benefits paid under this Chapter to the FPDR Two Member and to the FPDR Two Member's Surviving Spouse and Dependent Minor Children at the time the last of such benefits ceases to be paid, the excess shall be paid as an additional benefit. The additional benefit shall be paid in a lump sum to the person who was formerly a Dependent Minor Child of the FPDR Two Member receiving benefits under this Chapter or, if there is more than one such person, divided equally among them. If there are no such persons, the additional benefit shall be paid to the estate of the FPDR Two Member's Surviving Spouse. If there was no Surviving Spouse, the additional benefit shall be paid to the FPDR Two Member's estate.

**Section 5-312. Benefit Adjustments.** Benefits payable under this Chapter shall be adjusted, where so indicated in the Section of this Article in which each benefit is described, in accordance with this Section after payment commences. The Board shall determine the amount and timing of such adjustments in its discretion, except the percentage rate of change shall not exceed the percentage rate applied to retirement

benefits payable to police and fire employees by the Public Employee Retirement System of the State of Oregon.

**Section 5-313. Limits on Time and Form of Payment.**

- (a) Payment to FPDR Two Members. Payment of benefits to a FPDR Two Member shall comply with the following restrictions:
1. Payment shall begin no later than the April 1 following the calendar year in which the FPDR Two Member attains age 70 1/2 or retires, whichever is later.
  2. Payment shall be made over a period no longer than the lives or joint life expectancy of the FPDR Two Member and any designated beneficiary.
  3. The benefit form shall be limited so that the benefit payable after death is incidental to the plan's primary purpose of providing retirement benefits.
- (b) Payment to Beneficiaries. Payment of death benefits shall begin no later than one year after the FPDR Two Member's death and shall be made over a period no longer than the beneficiary's life or life expectancy.
- (c) Applicable Regulations. The restrictions of this Section shall be complied with by payments in accordance with Treasury Regulation Sections 1.401(a)(9)-1 and 1.401(a)(9)-2, or any successor provisions, as they may be amended from time to time. This Section shall override any inconsistent distribution options provided in this Chapter.

**Section 5-314. Funeral Benefit.** A funeral benefit shall be paid on death of any Active Member or Member actively receiving disability or retirement benefits. The funeral benefit shall be one-half of the monthly salary at the date of death payable to the civil service classification of fire fighter if the Member was employed in the Bureau of Fire, or of police officer if the Member was employed in the Bureau of Police. If such classifications cease to exist, the benefit shall be based on the salary of comparable successor positions. The funeral benefit shall be paid to the Member's Surviving Spouse or, if there is no Surviving Spouse, to the Member's estate.

**ARTICLE 4. MISCELLANEOUS.****Section 5-401. Amendment of Chapter.**

- (a) **Effective Date.** Chapter 5 shall be amended and restated as set forth herein, effective January 1, 2007. These amended provisions shall apply after the effective date.
- (b) **FPDR One Benefits.** The benefit rights of Members, Surviving Spouses and Dependent Minor Children actively receiving pensions or benefits on January 1, 1990 shall be controlled by Sections 5-113 through 5-123 and 5-126, set out in Article 5 of this Chapter, and by the Supplementary Retirement Program described in subsection (d), instead of by Article 3, except as follows:
1. Death benefits payable to a spouse shall continue to be paid regardless of whether the spouse remarries.
  2. The Surviving Spouse of a Member who dies after June 30, 1990 and after retirement and who has been married to the Member continuously for the 12-month period prior to death shall receive the death benefit provided by Section 5-118 regardless of not having 5 continuous years of marriage before retirement.
  3. The Surviving Spouse of a Member who had a nonservice-connected disability, retired and then dies after June 30, 1990 shall receive the death benefit provided by Section 5-118 if the Member had 10 or more Years of Service.
  4. The Board may permit a Member receiving disability benefits on January 1, 1990 to make the election described in subsection (c) at the same time as other Members if the Member's disability is expected to be of less than one year in duration.
  5. A Member receiving disability benefits on January 1, 1990 who was not permitted an election under Paragraph 4, who subsequently returns to service as an Active Member in the Bureau of Fire or Police capable of performing full duty without limitation and who earns two more Years of Service under subsection 5-302(a) shall be given the opportunity, upon completing such two Years of Service, to make the election described in subsection (c). Upon making such election, the Member shall receive a refund of the Member contributions paid during such two Years of Service.

- (c) Election. The provisions of Article 3 shall apply to persons who became Members before the date of enactment and who are not described in subsection (b) only if such Members made an irrevocable election to have them apply. The election shall be made on forms and under procedures established by the Board. Benefits for a Member who made the election, and for the Surviving Spouse and Dependent Minor Children of such a Member, shall be determined under Article 3 and not Article 5. Benefits for a Member who did not make the election, and for the Surviving Spouse and Dependent Minor Children of such a Member, shall be determined under Article 5, as modified by subsection (b), and by the Supplementary Retirement Program described in subsection (d), and not under Article 3. A Member who retired between January 1, 1990 and June 30, 1990 chose at retirement the level of death benefit after retirement under Section 5-310, which applied starting July 1, 1990 unless the Member did not make the election described in this subsection. A Member who made the election and started receiving retirement or disability benefits between January 1, 1990 and June 30, 1990 shall receive benefits determined under Article 3 effective July 1, 1990.
- (d) Supplementary Retirement Program. The benefits provided by the Supplementary Retirement Program created by Ordinance No. 136977, and amended by Ordinance No. 152182, of the City of Portland shall be paid from the Fund pursuant to this Chapter effective July 1, 1990 to:
1. FPDR One Members;
  2. Members described in subsection (c) who did not make the election provided therein, and the Surviving Spouses and Dependent Minor Children of such Members.
- (e) Continuity of Rules and Regulations. The rules and regulations adopted prior to January 1, 2007 shall remain in effect until changed by the Board.
- (f) Notwithstanding any other provision of law or this Chapter, Chapter 5 shall be amended and restated as set forth herein, effective January 1, 2007, and said amendments shall apply to all matters existing or arising on or after January 1, 2007, regardless of the date of injury or the date the matter is presented. This amendment is intended to be fully retroactive so as to apply to all Members whenever sworn, except that the amendments shall not apply to any matter which has received Board approval on or before the date these amendments are approved by the voters and shall not be applied or operate in such a manner as to reduce FPDR One or FPDR Two benefits provided.

**Section 5-402. Tax Qualification.** The benefits provided by this Chapter are intended to constitute a tax qualified pension plan that satisfies the requirements of Section 401(a) of the Internal Revenue Code of 1986, or any successor provision, as it may be amended from time to time.

**Section 5-403. Changes by Council.**

- (a) **Mandated Benefits.** If the City of Portland is required by law to extend to the Members additional benefits not described by this Chapter, the Council may provide for such benefits by ordinance and such additional benefits shall be paid from the Fund. Such ordinance may include reductions in corresponding benefits described in this Chapter, which shall override inconsistent provisions of this Chapter.
- (b) **PERS, Social Security and Workers' Compensation.** If the City of Portland is required by law to cover all, or substantially all, of its police officers and fire fighters under one or more of the programs described in Paragraph 1, 2 or 3 below, or if the Council acts voluntarily to do so and such action is ratified by the affirmative vote of a majority of the Active Members, the corresponding benefits provided by this Chapter, as determined by the Council, shall cease to be provided and the City's employer contributions, taxes, benefit payments or other costs of the newly extended program for police officers and fire fighters shall be paid from the Fund. Such costs shall be requirements levied under Section 5-103. The programs are:
  - 1. The Public Employee Retirement System of the State of Oregon;
  - 2. The federal Social Security system; and
  - 3. The workers' compensation benefits required by statutes of the State of Oregon.
- (c) **Tax Qualified Status.** The Council is authorized to change the benefits provided by this Chapter by ordinance to the extent necessary to comply with changes in the requirements for tax qualified status as described in Section 5-402.
- (d) **Advice by Board.** The Council shall not take action under this Section without seeking the advice of the Board on the action proposed to be taken.
- (e) **Savings Clause.** The Council is authorized to modify the provisions of this Chapter by ordinance to the extent necessary to provide a substantially equivalent benefit if any one or more sections, clauses, sentences or parts of this Chapter shall for any reason be adjudged unconstitutional or invalid, or the use of the levy to pay and discharge any requirement, employee

contributions, employer contributions, payroll taxes, benefit payments, or other costs of the Fund as provided in Section 5-103, is invalidated. In order to prevent payment of dual benefits, such ordinance shall require that the total benefits received by any Member do not exceed those provided in this Chapter before the 2007 amendments.

**Section 5-404. Exemption from Execution.** All pensions, allowances or benefits due or paid under this Chapter shall be exempt from attachment, execution, garnishment or other process issued out of any court for the payment or satisfaction, in whole, or in part, of any debt, damage, claim, demand or judgment against the beneficiary thereof. The rights of Members and of their Surviving Spouses and Dependent Minor Children are personal and cannot be assigned or transferred to any other party in any way.

**Section 5-405. Waiver of Benefits.** A person entitled to benefits under this Chapter may, before the beginning of the fiscal year, file a written notice with the Fund Administrator waiving such benefits or a portion thereof, for the ensuing fiscal year. Such waiver once filed and accepted by the Fund Administrator shall be irrevocable, except death of such person during the term of the waiver shall automatically terminate the effectiveness of the waiver. Any benefits, or portion thereof, so waived shall be forever forfeited.

**Section 5-406. Invalidity.** If any part or section of this Chapter shall be declared invalid or unenforceable for any reason, it shall only void that part or section so declared and the remainder shall remain in full force and effect.

## **ARTICLE 5. FPDR ONE BENEFITS.**

**Section 5-113. Retirement, Resignation, and Discharge.** The Board of Trustees shall, upon duly verified written application by any member who shall have been an active member for thirty (30) years and who shall have reached the age of fifty (50) years, retire and relieve said member from service and said member shall receive a monthly pension equal to the earned portion of a maximum pension as hereinafter defined, and said pension shall cease upon the member's death except as hereinafter provided.

The Board of Trustees shall, upon duly verified written application by any member who shall have been an active member for twenty-five (25) years and who shall have reached the age of fifty (50) years, retire and relieve said member from service and said member shall be paid a monthly pension equal to the earned portion of a maximum pension as hereinafter defined, and said pension shall cease upon the member's death except as hereinafter provided.

The Board of Trustees shall, upon duly verified written application by any member who shall have been an active member for twenty (20) years and who shall have reached the age of fifty-five (55) years, retire and relieve said member from service, and said member shall be paid monthly a pension equal to the earned portion of a maximum pension as

hereinafter defined, and said pension shall cease upon the member's death except as hereinafter provided.

The Board of Trustees may upon its own motion and by two-thirds (2/3) vote of the entire Board, relieve from service any aged, disabled or infirm member whom it finds unfit for the performance of his or her duty. The Board may by majority vote require any member to appear, submit to and undergo mental or physical examinations by its physician or such additional physicians or psychiatrists as it may appoint. In such cases review of determination based upon the findings of the Board's physicians or psychiatrists may be had as provided in Section 5-107. The member so relieved shall receive his or her earned portion of the maximum pension as hereinafter set forth. Said pension shall cease at the member's death, except as hereinafter provided.

Any member coming within the provisions of this Article having twenty (20) years or more of active service who is discharged shall be entitled to receive his earned portion of the maximum pension upon reaching that age at which such member would otherwise have been eligible to receive the maximum pension had such member not been so discharged; or the member may elect to receive at the time of discharge a refund of all contributions made by the member, less the amount of non-service connected disability benefits paid to the member from the Fund or previously established pension funds.

Any member who shall resign after five (5) years of active service shall receive at that time a refund of all his or her contributions made as a regular member during the member's entire service in his or her Bureau, less the amount of non-service connected disability benefits paid to the member from the Fund or previously established pension funds.

Any member who shall be discharged after five (5) years of active service but before completing twenty (20) years of active service, shall receive at that time a refund of all contributions made by him or her, less the amount of non-service connected disability benefits paid to such member from the Fund or previously established pension funds.

Contributions made by a member while such member was a temporary employee shall not be included in computing contributions made by the member for funds. Any member who shall resign or be discharged before completing five (5) years of active service shall not be entitled to refunds of any contributions paid.

**Section 5-114. Compulsory Retirement.** Any member who has reached his or her sixty-fourth (64th) birthday anniversary shall be retired by the Board forthwith, subject to the provisions of the following Section relating to retirement of members receiving benefits upon service-connected or occupational disabilities; provided, however, that the Chief Engineer of the Bureau of Fire (Chief of the Bureau of Fire) and the Chief of the Bureau of Police who hold such positions on the effective date of this Act shall not be retired under the provisions of this Section prior to August 1, 1968. Any member retired

under the provisions of this Section having any service less than thirty (30) years, shall be retired at the member's earned portion of the maximum pension.

**Section 5-115. Benefits for Service-Connected Disability or Occupational Disability.**

Upon duly verified application of a member and a finding by the Board that through injury suffered in line of duty, or sickness caused by the performance of duty, the member is or has been unable to perform his or her required duties, said member shall be paid service-connected disability benefits equal to but not in excess of his full salary from the Fund until such member recovers or for a period of one (1) year, whichever period is shorter. A member accepting service-connected disability benefits waives any right such member may have against the City of Portland as a result of said disability. In the event that said member has not recovered at the end of one (1) year, the member shall receive after said first year and until the member recovers, but for a period of not to exceed three (3) additional years, service-connected disability benefits from the Fund equal to but not in excess of the member's full salary but in no event in excess of the then current salary of a First Class Fire Fighter or First Class Police Officer, as the case may be. If the service-connected disability continues after the end of four (4) years, the member shall be paid benefits from the Fund in an amount equal to sixty percent of the then current salary of a First Class Fire Fighter or First Class Police Officer, as the case may be, until the member recovers or if the member does not recover until the member reaches compulsory retirement age. Upon reaching compulsory retirement age, said member shall be retired by the Board and shall receive his or her maximum earned pension. In the event a member, disabled from an injury in line of duty or sickness caused by the performance of duty, reaches compulsory retirement age before the expiration of one (1) year from the date of such disability, said member shall be paid benefits equal to the member's full salary from the Fund until the member recovers or for one (1) year from the date of such disability, whichever event first occurs, at which time the member shall be retired at his or her maximum earned pension. A member receiving service-connected disability benefits upon reaching compulsory retirement age, shall not receive any payments from the Fund in excess of such member's maximum earned pension except as hereinbefore provided plus such medical and hospital expenses as are authorized in this Article.

For the purpose of this Act the disabilities of heart disease, hernia of the abdominal cavity or diaphragm, tuberculosis and pneumonia (except terminal pneumonia) are occupational disabilities and a member so disabled shall not be considered to have suffered injury in line of duty or sickness caused by the performance of duty, but shall be entitled to the same benefits from the Fund as a member injured in line of duty or in the performance of duty until the member recovers or for the period of one (1) year from the date of such disability, whichever period is shorter, at which time the member shall be paid benefits from the Fund in an amount equal to sixty percent of the then current salary of a First Class Fire Fighter or a First Class Police Officer, as the case may be, until the member recovers or if the member has not recovered until he reaches compulsory retirement age, at which time the member shall be retired by the Board and shall receive his or her maximum earned pension. If such occupational disability occurs within one (1) year prior

to the member's compulsory retirement date said member shall be paid benefits from the Fund equal to the member's full salary until he recovers or for a period of one (1) year from the date of said disability, whichever period is the shorter and in the event the member has not recovered from said disability after the expiration of said one (1) year period, said member shall be retired by the Board and shall receive his or her maximum earned pension. A member in accepting occupational disability benefits waives any right such member may have against the City of Portland as a result of said disability.

No member shall be given service-connected disability benefits or occupational disability benefits if the Board finds that said disability can probably be successfully corrected by competent medical or psychiatric treatment, or both, and said member fails or refuses to be so treated.

In the event of recovery of any member from service-connected disability or occupational disability prior to retirement, as attested by the member's attending physician, and the concurring approval of the Board's physician, the chief in charge of the respective bureau shall authorize return to work of such member, subject to the subsequent certification by the Board, which shall be retroactive to the time the member returns to work. Such return to work shall not be subject to other time limitations on such return contained elsewhere in this Charter. Said member returning to service shall be restored to service in the rank the member occupied at the time of his or her disability and his or her disability benefits shall cease upon restoration to service.

In the event a member is unable to perform his or her required duties from a recurrence of a prior service-connected disability, the period of such recurrence or periods of successive recurrences from the same original sickness or injury shall be added to the period or periods of prior disability for the purpose of computing total disability benefits to which the member is entitled, provided, however, if one (1) year or more lapse from the date of recovery from such original sickness or injury, the subsequent period of such recurrence or periods of successive recurrences of such disability shall be treated as a new disability for the purpose of computing benefits.

A member shall not be entitled to benefits from the Fund under the provisions of this Section during any period while such member is not a resident of the State of Oregon unless the Board has specially waived the requirement as permitted in this Article.

An additional percentage allowance for Dependent Minor Children shall be paid from the Fund to a member receiving under this section a sum equal to sixty percent of the then current salary of a First Class Fire Fighter or First Class Police Officer, as the case may be, until said member reaches age sixty-four (64). This allowance shall be based on the member's benefit amount and shall be according to the following percentages: Twenty-five percent for one Dependent Minor Child, fifteen percent for the second Dependent Minor Child, and ten percent in toto for all other Dependent Minor Children over two (2) in number. The additional allowance shall be reduced or shall cease when the child or children are no longer Dependent Minor Children.

Medical and hospital expenses of a member shall be payable from the Fund only in accordance with the following provisions: All medical and hospital expenses arising from a service-connected disability under this Section shall be paid from the Fund until the member's retirement pursuant to any Section of this Chapter; after retirement, if the member was off duty at the time of said member's retirement as the result of a service-connected disability, such medical and hospital expenses for the same service-connected disability shall continue to be paid from the Fund until the member's recovery from such disability; all medical and hospital expenses arising from an occupational disability under this Section shall be paid from the Fund until the expiration of one (1) year from the date of such disability or retirement of the member, whichever event occurs first.

No member shall be eligible to receive benefits under this section, in lieu of benefits under Section 5-116, for an occupational disability incurred while receiving benefits under Section 5-116, unless such occupational disability is incurred within two (2) years after such member had commenced and continued to receive benefits under Section 5-116, or unless such occupational disability is a recurrence of an occupational disability which became disabling and was compensated for under Section 5-115.

**Section 5-116. Benefits for Nonservice-Connected Disability.** Any member who is in active service and who has at least one (1) year of active service and who becomes incapacitated from performing his required duties on account of injury or sickness not service connected, and who at the time of said disability was either a recipient of disability benefits under Section 5-115 of this Article or was contributing to the Fund from his current or her salary in accordance with the provisions of this article, shall, upon the cessation of his or her sick leave benefits for such cause and upon cessation of his or her current salary other than vacation pay, be entitled to benefits equal to his or her maximum earned pension, but in no event less than twenty percent of the then current salary of a First Class Fire Fighter or First Class Police Officer, as the case may be, until he or she recovers, or if he or she has not recovered, until he or she reaches compulsory retirement age. If a member reaches compulsory retirement age while receiving nonservice-connected disability benefits under this Section, such benefits shall cease forthwith, and the member shall be retired by the Board and shall receive his or her maximum earned pension. All applications for benefits under this Section shall be duly verified and accompanied by a certificate from a legally licensed physician setting forth the cause or basis of the disability claimed. The Board shall determine whether the applicant for benefits meets the requirements herein set forth.

No member shall be given benefits under this Section if the Board finds that said disability can probably be successfully corrected by competent medical or psychiatric treatment or both, and said member fails or refuses to be so treated. In the event of recovery of any member from nonservice-connected disability prior to retirement as attested by the member's attending physician and the concurring approval of the Board's physician, the chief in charge of the respective bureau shall authorize return to work of such member

subject to subsequent certification by the Board, which certification shall be retroactive to the time the member returns to work. Such return to duty shall not be subject to other time limitations on such return contained elsewhere in this Charter. Said member returning to service shall be restored to service in the rank the member occupied at the time of his or her disability.

A member shall not be entitled to benefits from the Fund under the provisions of this Section during any period while the member is not a resident of the State of Oregon, unless the Board has specially waived the requirement as permitted in this Article.

No member shall receive benefits under this Section as a result of the following: willful injuries; injuries sustained while willfully doing an unlawful act; or weakness, illness or disability resulting directly or indirectly from immoral practices or the habitual excessive use of or addiction to use of alcoholic beverages or narcotic drugs.

**Section 5-117. Benefits and Pensions to Surviving Spouses and Children in Service-Connected or Occupational Disability Deaths.** If any member shall die prior to retirement from an injury suffered in line of duty, or sickness caused by the performance of duty, or as a result of an occupational disability of heart disease, hernia of the abdominal cavity or diaphragm, tuberculosis, or pneumonia (except terminal pneumonia), and shall leave a Surviving Spouse, said Surviving Spouse shall be entitled to benefits or pension as herein provided, while remaining unmarried. Said benefits shall be paid from the Fund and shall be at the rate of fifty percent of the current salary of a First Class Fire Fighter or First Class Police Officer, as the case may be, until such time as the deceased member would have had thirty (30) years of active service or would have reached compulsory retirement age, had the member lived, whichever event would have first occurred, at which time said Surviving Spouse while unmarried shall receive a monthly pension from the Fund. A qualified Surviving Spouse's pension shall be computed in accordance with the Survivor Annuity Table as set forth in Section 5-118 and shall be based on the deceased member's years of active service at compulsory retirement age, had the member lived, but in no event shall it exceed the maximum pension allowable to a Surviving Spouse.

An additional percentage allowance for a Dependent Minor Child or children shall be paid from the Fund to a Surviving Spouse qualified to receive benefits or pension under this Section. This allowance shall be based on the qualified Surviving Spouse's benefit or pension amount and shall be according to the following percentages: twenty-five percent for one Dependent Minor Child, fifteen percent for the second Dependent Minor Child, and ten percent in toto for all other Dependent Minor Children over two (2) in number. In the event the Dependent Minor Child or children are not in fact substantially supported by the Surviving Spouse, the additional percentage allowance for such Dependent Minor Child or children shall be paid not to the Surviving Spouse, as provided above, but shall be paid to the Dependent Minor Child or shall be divided equally among the Dependent Minor Children, as the case may be. The additional allowance shall be reduced or shall cease when the child or children are no longer Dependent Minor Children.

If there be no Surviving Spouse qualified to receive a Surviving Spouse's benefits or pension, or if the Surviving Spouse becomes disqualified, then the Dependent Minor Child or children of such deceased member shall receive the benefits or pension to which a Surviving Spouse without Dependent Minor Child or children would have been entitled, as heretofore provided in this Section, to be divided equally among them, if there is more than one. Any Dependent Minor Child's interest in said benefits or pension shall cease when is no longer a Dependent Minor Child.

If any member shall die prior to retirement from any causes specified in the first paragraph of this Section, leaving a Dependent Minor Child or children of a former marriage or marriages and a qualified Surviving Spouse, then the qualified Surviving Spouse's benefits or pension, as the case may be, plus children's allowances to which the Surviving Spouse might be entitled were all the children of the Surviving Spouse, shall be divided with the Dependent Minor Child or children of all marriages, fifty percent to said qualified Surviving Spouse, and fifty percent to the Dependent Minor Child or children of all the marriages to be divided equally among said children. Any Dependent Minor Child's interest in said benefits or pension plus allowances, if any, shall cease when the child is no longer a Dependent Minor Child as defined herein, and any qualified Surviving Spouse's right to an additional allowance for a Dependent Minor Child shall cease under the same conditions.

A Surviving Spouse is disqualified and the Surviving Spouse's right to any benefits or pension from this Fund is thereafter and forever terminated when the Surviving Spouse remarries.

All persons deriving benefits from the death of any one member under the provisions of this Section may elect, if the Board after hearing finds it to be financially beneficial to the Fund, to receive collectively a five thousand dollar (\$5,000) cash settlement from the Fund in lieu of all further claims to benefits and/or pension. Said cash settlement shall not be paid if the deceased member was at the time of his or her death or within (1) one year thereafter would have been eligible for a maximum pension or would have reached compulsory retirement age.

**Section 5-118. Benefits and Pensions to Surviving Spouses and Children on Deaths of FPDR One Members After Retirement or on Non-Service Connected Deaths Before Retirement.** Deaths of FPDR One Members After Retirement. Upon the death of any member who retires under the provisions of this Article, other than a member who retired prior to July 1, 1947, the Surviving Spouse of said deceased member until such Surviving Spouse's death or remarriage shall receive a monthly pension to be computed from the "Survivor Annuity Table," set forth below, and in accordance with this Section; provided, however, that as to any member relieved from service by the Board under Section 5-113 for a nonservice -connected disability or retiring under Section 5-116 of this Act, the provision of this Section shall apply only to a member having twenty (20) years or more active service. Said table below shows the basis for

computing the pension to which the Surviving Spouse shall be entitled. In using the table the difference between the member's and Surviving Spouse's ages shall be determined to the closest year. If at the time of said retired member's death, there be no Surviving Spouse, the Dependent Minor Child or children while so remaining shall receive the Surviving Spouse's pension as set forth in the "Survivor Annuity Table" below, computed on the basis of a member and Surviving Spouse of the same age, and said pension shall be divided equally among them, if there be more than one. If at the time of said retired member's death, the Surviving Spouse fails to qualify for a pension under this section, but the deceased member leaves a surviving Dependent Minor Child or children, the Dependent Minor Child or children while so remaining shall receive a pension as set forth below in the "Survivor Annuity Table" computed as though the Surviving Spouse had qualified as a for a pension. If the Surviving Spouse qualifies for a pension under this Section and later dies or remarries and there is a surviving Dependent Minor Child or children of the member, the Dependent Minor Child or children while so remaining shall receive said Surviving Spouse's pension and said pension shall be divided equally among them, if there be more than one.

The Surviving Spouse of any member who retires under the provisions of this Article, shall receive a pension only if the Surviving Spouse was lawfully married to the member for five (5) continuous years immediately prior to the date of the member's retirement and not otherwise.

**Non-Service Connected Deaths Before Retirement.** If a member has less than one (1) year of active service and dies before retirement for any cause not in line of duty, the member's Surviving Spouse and/or Dependent Minor Child or children shall have no rights under this Fund.

If a member has at least one (1) year but less than twenty (20) years of active service and dies before retirement from any cause not in line of duty, the member's Surviving Spouse, if said Surviving Spouse has been married to the member for at least one (1) year, shall be entitled to an option to either: (1) the return of the member's contributions made to the Fund and previously established pension funds less the amount of nonservice-connected disability benefits paid to the member from the Fund and any previously established pension funds, or (2) a cash settlement of fifteen hundred dollars (\$1,500) plus an additional one hundred dollars (\$100) for every year of the member's active service up to twenty (20) years. If at the time of said member's death, there be no Surviving Spouse who has been married to the member for at least one (1) year, the deceased member's surviving Dependent Minor Child or children, if any, shall have the same rights of a qualifying Surviving Spouse as set forth above in this paragraph.

If a member has twenty (20) years or more of active service and dies before retirement from any cause not in line of duty, the member's Surviving Spouse, if said Surviving Spouse has been married to the member for at least one (1) year, shall be entitled to a pension to be computed from the "Survivor Annuity Table" set forth above, based upon the maximum earned pension of the deceased member; or said Surviving Spouse may elect at his or her option within one (1) year after the member's death, if the Board, after hearing so permits, to receive in lieu of further pension payments either: (1) a return of the member's contributions made to the Fund and previously established pension funds, less the amount of nonservice-connected disability benefits paid to the member from the Fund and any previously established pension funds; or (2) a cash settlement of thirty five hundred dollars (\$3,500). If at the time of said member's death there be no Surviving Spouse who has been married to the member for at least one (1) year, the deceased member's surviving Dependent Minor Child or children, if any, while so remaining shall be entitled to the same pension to which a qualifying Surviving Spouse of the same age as the member would have been entitled under the provisions of this paragraph. If a Surviving Spouse qualifies for and is receiving a pension under this paragraph and later dies or remarries, the surviving Dependent Minor Child or children of the deceased member while so remaining shall receive, in lieu of the Surviving Spouse, said Surviving Spouse's pension, and said pension shall be divided equally among them, if there be more than one.

Notwithstanding the above, if the member shall die before retirement from any cause not in the line of duty, leaving a Dependent Minor Child or children by a former marriage or marriages and the Surviving Spouse qualifies to receive a pension under this Section, then the Surviving Spouse's pension shall be shared with the Dependent Minor Child or children of all marriages, fifty percent to the said Surviving Spouse and fifty percent to the Dependent Minor Child or children of all marriages, to be divided equally among said children, if there be more than one. No Dependent Minor Child shall share in such division of the fifty percent last named, after such child has ceased to be a Dependent Minor Child as that term is defined in this Article. When there is no longer a Dependent Minor Child, the entire Surviving Spouse's pension shall be paid to the qualified Surviving Spouse until his or her death or remarriage. If the Surviving Spouse remarries or dies while there remain Dependent Minor Child or children, the entire Surviving Spouse's pension shall be paid to the Dependent Minor Child or children while they so remain, to be divided equally among said children, if there be more than one.

In the event a cash settlement option is available and exercised pursuant by this Section, the election to accept it must be by or on behalf of all persons deriving or possibly entitled to derive benefits therefrom.

**Section 5-119. Pensions for Previously Retired FPDR One Members and Their Surviving Spouses and Children.** The pension of any retired member of the pension or a Surviving Spouse or Dependent Minor Child or children of a deceased member, being paid as of July 1, 1947, shall be increased one-third (1/3) over and above the amount being paid on said July 1, 1947, and the total amount of such pension shall be paid from the Fund established by this Act, and not otherwise. The minimum pension for any person covered by this Section and on pension before July 1, 1947, shall be fifty dollars (\$50.00) per month after the above-mentioned one-third (1/3) increase has been effected. Effective July 1, 1962, the Board shall determine the percentage which the actual pension paid under this Section on July 1, 1949, is of the full salary of a First Class Police Officer or First Class Fire Fighter, as the case may be, as such salary was fixed on July 1, 1947; commencing July 1, 1962, and thereafter, increases or decreases shall be made annually at the beginning of each fiscal year of the pensions to be paid under this Section, subject to the minimum fixed above, by applying the percentage determined above to the full salary established by the City for a First Class Police Officer or First Class Fire Fighter, as the case may be, on July 1, 1962, and July 1 of each year thereafter, provided, however, in no event shall the amount paid as so computed, be less than the pension paid immediately prior to July 1, 1962. If a member who retired prior to July 1, 1947 dies or died after July 1, 1947, such member's Surviving Spouse or any Dependent Minor Child or children of such deceased member must qualify in the same manner as Surviving Spouse and children receiving a pension as of July 1, 1947, and those Surviving Spouses and children who qualify shall be paid a pension computed in the same manner as Surviving Spouses and children receiving a pension as of July 1, 1947.

Previously retired members of the Bureau of Police or Fire and their Surviving Spouses and Dependent Minor Children, by accepting any benefits provided herein, shall thereby waive any and all alleged, asserted or claimed rights under the provisions of any previous retirement and/or relief act in effect before the passage of this article.

**Section 5-120. Variation in Amount of Benefit or Pension Payments.** All benefits and pensions granted and paid under this Act shall vary annually and shall be based upon the current salary of a First Class Fire Fighter or First Class Police Officer, as the case may be, computed annually at the beginning of the fiscal year. A person entitled to benefits or pension under this Act may, before the beginning of the fiscal year, file a written notice with the Board waiving said benefits or pension or a portion thereof, for the ensuing fiscal year. Said waiver once filed and accepted by the Board shall be irrevocable, except death of said person during the term of the waiver shall automatically terminate the effectiveness of said waiver. Any benefits or pension, or portion thereof, so waived shall be forever forfeited. This Section shall not apply to pensions for previously retired members and their Surviving Spouses and children coming under provisions of Section 5-119, which shall be governed solely by said Section.

**Section 5-121. Temporary FPDR One Members.** A temporary fire fighter or police officer, or the Surviving Spouse and/ or Dependent Minor Children of either, shall only be eligible for the provisions of this Act relating to service-connected disabilities and service-connected death, not including occupational disabilities as herein defined, and not otherwise.

**Section 5-122. Military Service.** FPDR One Members entering military service in time of a national emergency so declared by the President of the United States or inducted by the federal or State government into the armed forces or the reserve components thereof at a time of said national emergency shall receive credit for all time spent in said service toward retirement under this Act; provided said member returns to active duty in the Bureau of Fire or Police, as the case may be, within sixty (60) days after being relieved with a favorable discharge from said service and does not voluntarily remain in said service after the emergency; and provided further, however, that if a member shall become eligible, while in said service, to receive a pension according to years of service and age, as provided in Section 5-113, it shall not be necessary for such member to return to active duty in the Bureau of Fire or Bureau of Police in order to receive his retirement pension. In case of the member's death while in said service the member's Surviving Spouse and Dependent Minor Child or children shall be eligible for benefits as provided in Section 5-118. In case of injury or sickness contracted by said member while in said service, after being relieved from said service the member shall be entitled to the same benefits the member would have received under the paragraph in Section 5-116 hereof providing for benefits upon nonservice-connected disabilities.

**Section 5-123. Funeral Expenses.** Upon the death of any active or retired member, the Board shall pay to the person responsible for the funeral expenses of said deceased

The chief financial officer of the City shall keep the records and accounts of the City in a complete and intelligible manner, but may keep a summary of departmental or bureau records and accounts where he or she finds such summary to be sufficient. He or she shall make an annual statement to the Council showing the receipts and disbursements of the City and the state of each particular Fund and the City's financial condition as soon as records are complete after the close of business on the last day of each fiscal year. The annual report shall contain an accurate statement in summarized form of the financial receipts of the City from all sources and of the expenditures of the City for all purposes, together with a detailed statement of the debt of said City, of the purposes for which said debt has been incurred, and of the accounts of said City with grantees of franchises and the names of the present owners of each thereof, and a summary of the assets and liabilities of the City. [May 3, 1913, new sec. 84; rev. 1914, sec. 185; 1928 pub., sec. 185; 1942 recod., sec. 7-101; am. Nov. 6, 1962; am. May 20, 1986; am. May 18, 1994.]

**Section 7-102. Expenditures.** No money shall be expended or payment made from any fund of the City, except assessment, trust, agency, revolving or working capital funds, until an appropriation shall be made therefor, but this requirement shall not apply to judgments or lawful investments. An ordinance making an appropriation of money shall not contain a provision on any other subject.

All obligations for interest on the bonded indebtedness of the City and other fixed charges shall be paid as the same mature, or in accordance with the terms of contract or law.

Any liability or liabilities willfully incurred by the Council to be paid in any fiscal year, which singly or in the aggregate shall be in excess of the revenues and receipts for such a year, shall be null and void.

The Council may by ordinance limit the expenditures of every department of the City government, except interest charges and other charges fixed by contract or by this Charter during each fiscal year, or during any month thereof, and any contracts made, debts created or liability willfully incurred in excess of the amounts authorized by the Council, where the Council may so limit the expenditures of moneys, shall be null and void, and the Council shall not authorize any expenditures during any fiscal year, nor shall any liability or liabilities be incurred by or on account of the City of Portland, to be paid in any particular fiscal year (for the payment of which approval of the Council shall be necessary) which singly or in the aggregate shall be in excess of the revenues and receipts received or available during such year, applicable, or made applicable by transfer, to the payment of such liability or liabilities. Nothing contained in this Charter shall authorize the enforcement against or collection from said City, on account of any debt, contract or liability, of any sum in excess of the limitations prescribed in this Section.

The City shall issue no warrants or other evidences of indebtedness, except upon special assessment funds, and the payment of judgments against the City, unless there is money in the treasury applicable to the payment of the same on presentation, and all evidences of indebtedness issued contrary to this provision shall be null and void. Any member of the Council knowingly voting to incur any liability or to create any debt in excess of the amount limited and authorized by the law, shall be deemed guilty of malfeasance in office, and for such malfeasance such member may be removed from office. [Ch. 1903, sec. 117; am. May 3, 1913, sec. 91; rev. 1914, sec. 193; 1928 pub., sec. 193; 1942 recod., sec. 7-102; am. Nov. 6, 1962.]

**Section 7-103. Demands for Payment.** Every demand upon the City for payment of money out of the treasury, must, before it can be paid, be presented to the chief financial officer of the City, who shall examine such demand to satisfy himself or herself whether the money is legally due and payable, and out of what Fund it is payable. No demand shall be approved or paid unless it specify each several item, date and amount composing it, and have endorsed thereon the legal authority for its payment. However, the provisions of this paragraph shall not apply to demands for payment out of funds from which any officers, boards or Commissioners are empowered by this Charter or other law to require payment without Council authorization, nor to requisitions, checks or warrants

thereon. The chief financial officer of the City shall keep an official record of all demands examined by the chief financial officer of the City showing the number, date, amount, name of the payee and against what appropriation, if any, drawn and out of what Fund payable. The chief financial officer of the City shall not allow any demand out of its order to give priority to one demand over another drawn upon the same specific Fund, except that when liability for any claim presented is not sufficiently apparent to the chief financial officer of the City, he or she may delay the payment thereof until such liability shall be determined. [Ch. 1903, sec. 274; rev. 1914, sec. 69; 1928 pub., sec. 69; 1942 recod., sec. 2-406 and 2-407; rev. Nov. 6, 1962; am. May 20, 1986; am. May 18, 1994.]

**Section 7-104. Demands, Nonallowance.** No demand shall be allowed by the chief financial officer of the City in favor of any corporation or person indebted to the City in any manner, except for assessments or taxes not delinquent, without first deducting the amount of any indebtedness then due of which the chief financial officer has notice, nor in favor of any person having the collection, custody or disbursement of public funds, unless such person's account has been presented, passed, approved and allowed as herein required, nor in favor of any officer determined by the Mayor or Commissioner In Charge to have neglected to make his or her official returns or reports in the manner and at the time required by law, ordinance or the regulation of the Council, or to have neglected or refused to comply with any of the provisions of law regulating such officer's duties, nor in favor of any officer or employee found by the Mayor or Commissioner In Charge to have absented himself or herself without legal cause or duly granted leave of absence from the duties of his or her office during office hours, after such determination has been transmitted and filed with the chief financial officer. [Ch. 1903, sec. 277; am. May 3, 1913, sec. 101; rev. 1914, sec. 72; 1928 pub., sec. 72; 1942 recod., sec. 2-409; rev. Nov. 6, 1962; am. May 18, 1994.]

**Section 7-105. Warrants.** When payment of a demand has been authorized by the Council and approved as provided in this article, the Mayor and Auditor shall draw warrants on the Treasurer therefor. Such warrants must be signed by the Mayor and attested by the Auditor; but no warrants, except such as are issued upon funds created by special assessments, or warrants issued in settlement of judgments of the courts, shall be drawn signed by the Mayor or attested by the Auditor until the money for the payment thereof is in the hands or under the control of the City Treasurer. Check-warrants countersigned by the Treasurer, checks signed by the Treasurer, or other method of payment authorized by law may be used in lieu of warrants. Such check-warrants or checks shall be drawn upon a bank in which the Treasurer has deposited money for such purpose. [Ch. 1903, sec. 280; rev. 1914, sec. 75; 1928 pub., sec. 75; 1942 recod., sec. 2-412; rev. Nov. 6, 1962; am. May 20, 1986; am. May 18, 1994.]

**Section 7-106. Transfers from Funds.** It shall be lawful to transfer money from the General Fund to any other fund of the City and from the bonded indebtedness interest fund to the Improvement Bond Interest Fund, and to make any transfer permitted by statute, and the Council may provide that money transferred must be returned to the fund from which it was transferred. [Ch. 1903, sec. 115; am. May 3, 1913, sec. 89; rev. 1914, sec. 191; 1928 pub., sec. 191; 1942 recod., sec. 7-103; am. Nov. 6, 1962; am. May 18, 1994.]

**Section 7-107. Reversions to General Fund.** When the necessity for maintaining any fund of the City has ceased to exist and a balance remains in such fund, the Council shall so declare by ordinance, and upon such declaration, such balance shall be forthwith transferred to the General Fund unless other provisions have been made in the original creation of the fund. However, the purposes of a special fund may be enlarged for similar objects. [Ch. 1903, sec. 116; am. May 3, 1913, sec. 90; rev. 1914, sec. 192; am. May 17, 1918; 1928 pub., sec. 192; 1942, recod., sec. 7-104; am. Nov. 6, 1962; am. May 18, 1994.]

**Section 7-108. Investments.** Whenever bonds of the City of Portland are offered for sale, and there is a balance to the credit of any fund, not invested, said bonds may be awarded at par and accrued interest to the City Treasurer for the nearest practical amount, to consume said balance, and shall be held by the City Treasurer as an investment for said fund. When the bonds of the City of Portland are not offered for sale at a time or in sufficient amount to provide for the investing of any such balance, the Council may provide for investing the same in any general obligations of the United States Government, State of Oregon, the City of Portland, Multnomah County, School District No. 1 of Multnomah County or Port of Portland, or in any other bonds or investments permitted by statute, and to that end the Council may authorize the Treasurer to purchase the same on the open market if there is an established market therefor, or to submit a bid for any such bonds which are about to be issued for sale, or may authorize the Treasurer to advertise for proposals from persons holding any such bonds. Purchase of bonds upon bids shall be made by the Council on the basis of the most advantageous bid received, reserving the right to reject any and all bids. All interest received from such investments shall be credited to the fund from which the investment was made unless specifically provided otherwise by Charter or statute, provided, that two (2) or more funds may be joined in one investment, a suitable provision being made for keeping an account of the amount invested from each fund and making an apportionment of the interest and principal when received. The Council may sell any bond or investment so purchased, when the same may not be payable at or near the time when such funds may be needed for the purpose for which the sinking fund or special fund was created, on the open market, if there is an established market for such investments, or, if there is no such established market, to the highest and best bidder after advertising for proposals in the City official newspaper by publication for at least five (5) days. Pending the investment as herein provided of any surplus or idle funds, the same shall be deposited in a depository bank which has qualified and been selected as a depository pursuant to

statute. [Ch. 1903, sec. 116; am. May 3, 1913, sec. 90; rev. 1914, sec. 192; am. May 17, 1918; 1928 pub., sec. 192; 1942 recod., sec. 7-104; rev. Nov. 6, 1962; am. May 18, 1994.]

**Section 7-109. Independent Audits.** At the close of each fiscal year the books and accounts and the financial affairs and transactions of the City shall be audited by an independent licensed public accountant or firm of such accountants appointed by the City Auditor with the approval of the Council. Such audits shall also be made for various departments, as provided in this Charter. The City Auditor may from time to time and as often as he or she shall deem necessary, have like audit made of the books and accounts, and the financial affairs and transactions of the City or any part of City government. [May 3, 1913, new sec. 34; rev. 1914, sec. 195; 1928 pub., sec. 195; 1942 recod., sec. 7-106; am. Nov. 6, 1962; am. May 20, 1986; am. May 18, 1994.]

**Section 7-110. Annual Tax Levy.** The Council shall, subject to applicable statutory provisions and at the time provided by law, levy upon all property not exempt from taxation, taxes for the coming fiscal year, as follows:

1. A tax to provide for the payment of the expenses of the City, subject to constitutional limitations, aside from any special levy or levies authorized for said year and aside from any levy for the payment of bonded indebtedness and interest thereon. The proceeds from the tax levy so made shall be credited to the General Fund.
2. Also a tax sufficient to meet the interest on the bonded indebtedness of the City to be credited to the Bonded Indebtedness Interest Fund.
3. Also a tax of not less than four-tenths of one mill on each dollar valuation not exempt from taxation to provide for the purchase of securities as an investment and/or payment or redemption of the bonded indebtedness of the City, to be credited to the sinking funds, or bond redemption funds. In all cases a tax shall be levied sufficient to provide for principal repayments on general obligations of the City.
4. Nothing herein contained authorizing general or special tax levies shall affect the right or power of other commissions to levy a tax as provided elsewhere in this Charter.
5. At the same time other levies of taxes are made and in addition to tax levies authorized by the Charter or other authorizations by the voters, the Council shall levy each year a special tax of three-tenths of a mill on each dollar of the assessed valuation of the property in the City of Portland not exempt from taxation, which shall be credited each year to the Fire and Police Disability and Retirement Fund provided for by Section 5-101 of the Charter and said special tax of three-tenths of a mill shall be in addition to all other taxes which may be levied according to law.

6. Nothing herein contained shall affect the right, power or duty of the Council to levy special taxes heretofore or hereafter authorized by the voters, and special taxes authorized and found necessary shall be levied.

[Ch. 1903, sec. 114; am. June 5, 1905; am. May 3, 1913, sec. 88; rev. 1914, sec. 190; am. July 1, 1926; 1928 pub., sec. 190; am. Nov. 6, 1928; am. Nov. 5, 1940; 1942 recod., sec. 7-110; rev. Nov. 6, 1962; am. May 18, 1994.]

**Section 7-111. Interim Borrowing.** The Council of the City of Portland is hereby authorized to borrow from time to time sufficient funds to meet the current expenses of the City of Portland during each fiscal year pending the collection of the annual tax levy for such fiscal year. [1942 recod., sec. 7-110, par. 7; rev. Nov. 6, 1962; am. May 18, 1994.]

**Section 7-112. Limited Special Tax Levies.** Special taxes for fixed amounts or limited terms, may be levied and collected at the same time and in the same manner as other tax levies, upon approval by a majority of the City electors voting thereon. Measures for such special tax levies shall be submitted to the electors in the form of separate acts at a general or special election as authorizations or directions to the City Council or other levying body, without provision for amendment to this Charter. Copies of such measures approved by the voting majority shall be kept by the City officer responsible for accounting in a separate Current Special Tax Levy Register, and shall be public records having the same effect as though included in this Charter by amendment. All such authorizations for special tax levies not fully used or which have not fully expired by their terms, which were included in the City Charter at the time of passage of this amendment or approved at the time of passage of this amendment, shall be continued in full force and effect regardless of deletion from the Charter and shall be included by the City officer responsible for accounting in the Current Special Tax Levy Register. After the authority for a special tax levy has been fully used or has expired, it shall be removed from the current register and placed in a File of Completed Special Tax Levies. This Section shall not apply to authorizations to levy special taxes which by the provisions thereof, grant continuing authority from year to year without period limitations, notwithstanding stated maximum amounts or millage limits on the taxes which may be levied for any one year. Such authorizations shall continue as part of this Charter. [New sec. Nov. 6, 1962; am. May 20, 1986; am. May 18, 1994.]

**Section 7-113. Transient Lodgings Tax.**

1. The Council may by ordinance impose and levy a tax not exceeding five percent on gross amounts of money, credit or other things of value paid to or received for lodging by the owner or operator of any hotel, motel, apartment or lodging house, mobile home or trailer park or court, or any other place in the City where space designed or intended for lodging occupancy is rented by any person or persons, for any period less than monthly. This tax shall not apply to hospitals, convalescent or nursing

homes, or public institutions, or permanent occupancy as defined by ordinance. Minimum rentals to which the tax shall apply may be fixed by ordinance. The tax imposed shall be collected by the owner or operator of the rental space in addition to the rental charge, at the time of payment of rent. City revenues from such taxes shall be credited to the General Fund of the City and used for general City purposes, as the Council may find appropriate, which may include provision for and the acquisition, construction, operation and maintenance of recreational, cultural, convention or tourist-related facilities or services.

2. In addition to any other tax authorized by this Section of the Charter the Council shall by ordinance impose and levy a tax of one percent on gross amounts of money, credit or other things of value paid to or received for lodging by the owner or operator of any hotel, motel, apartment or lodging house, mobile home or trailer park or court, or any other place in the City where space designed or intended for lodging occupancy is rented by any person or persons, for any period less than monthly. This tax shall not apply to hospitals, convalescent or nursing homes, public institutions, or permanent occupancy as defined by ordinance. Minimum rentals to which the tax shall apply may be fixed by ordinance. The tax imposed shall be collected by the owner or operator of the rental space in addition to the rental charge, at the time of payment of rent. City revenues from such one percent tax increase, after providing for the cost of administration and any refunds or credits authorized by ordinance, shall be used exclusively as provided hereinafter for the promotion, solicitation, procurement, and service of convention business and tourism in the City. Notwithstanding any other provision of this Charter, the City from time to time for periods not to exceed five (5) years, subject to annual review, shall negotiate contracts with a non-profit corporation or with non-profit corporations organized under the laws of Oregon, whose primary purpose during the term of the contract or contracts is the promotion, solicitation, procurement and service of convention business and tourism in the City, for that corporation or corporations to expend revenues collected pursuant to this subsection for the purposes set forth in the subsection. In entering into the contract or contracts, the Council shall consider the recommendations of the persons subject to the tax imposed by this subsection. The Council shall in its sole discretion determine the portion of such revenues to be allocated between convention business and tourism. [Add. Dec. 14, 1971; Am. Nov. 7, 1978; am. May 18, 1994.]

**ARTICLE 2. BOND ISSUES.**

**Section 7-201. Issuance of Bonds.** No bonds, other than bonds for public improvements payable out of assessments upon the property benefited and sewer bonds if otherwise authorized, shall be issued unless authorized by Charter or statute or unless approved by vote of the people at a general or special election. After the effective date of this amendment, measures for such bond issues limited in time or total amount shall be submitted to the electors, in the form of separate acts, without provision of amendment of this Charter, as authorizations or directions to the City Council or a commission established under this Charter. Copies of such measures approved by the voting majority shall be kept in a separate Book of Bond Issue Authorizations, and shall be public records, having the same effect as though included in this Charter by amendment. All such bond authorizations not fully used or which have not fully expired by their terms, which were included in the City Charter at the time of passage of this amendment or are approved at the time of passage of this amendment shall be continued in full force and effect regardless of deletion from the Charter and shall be included in the Book of Bond Issue Authorizations. After the authority for a bond issue or serial issues has been fully used and all the bonds issued thereunder have been paid or matured, the copy of the measure or authorization shall be removed from the current book and placed in a file of Completed Bond Issue Authorizations. This Section shall not apply to authorizations to issue bonds or other evidences of indebtedness which, by the provisions thereof, grant continuing authority without a stated total which may be issued thereunder, notwithstanding stated debt limitations or maximum amounts which may be outstanding at any one time. Such authorizations shall continue as part of this Charter. [May 3, 1913, new sec. 92; rev. 1914, sec. 227; 1928 pub., sec. 227; 1942 recod., sec. 11-101; rev. Nov. 6, 1962; am. May 20, 1986.]

**Section 7-202. Refunding Bonds.** For the purpose of funding any bonded indebtedness, including water bonds, of the City of Portland, or any bonded indebtedness for which the City of Portland has become or will become liable by operation of law through annexation, merger or consolidation of any part or all of a municipal corporation or unit of government, already matured or to mature in the future, the City of Portland is authorized and empowered to issue and dispose of bonds of the City of Portland, Oregon, of the denominations of from one hundred dollars (\$100) to one thousand dollars (\$1,000) as the purchaser may desire, or as the Council may find appropriate, which bonds may be made general or limited obligations of the City. Such bonds shall be for a term fixed by the Council and the total amount of such refunding bonds shall not exceed the face or par value of the bonds to be refunded. Before such refunding bonds can be sold, the Council shall cause to be inserted for two (2) successive weeks in the City official newspaper and in at least one paper in New York City making a specialty of such matters, an advertisement inviting sealed bids for the purchase of said refunding bonds. Among equal bidders preference in the sale and allotment shall be given to the bidders residing in the State of Oregon and subscribing for the smallest denominations. [Ch. 1903, part of sec. 118; rev. 1914, sec. 229; am. May 17, 1918; 1928 pub., sec. 229; 1942 recod., sec. 11-103; rev. Nov. 6, 1962.]

**Section 7-203. Bond Issuance Procedure.** Measures to authorize issuance of bonds shall state therein whether such bonds will be general obligations of the City or limited to particular sources of revenue. Such measures shall also state in general terms the objectives or purposes for which the proceeds are to be used, but need not state that a portion of the proceeds may be used for cost of advertising, bond issuance and sale, legal fees and costs, planning, engineering, inspection, administrative costs and other costs found necessary to permit utilization, furtherance or completion of the objectives and purposes set forth in such measure, and such use hereby is authorized. The Council may provide by ordinance details or amplification in connection with the expenditure of the proceeds of any bond issue.

After approval by a majority of the electors voting on a bond measure, the Council shall, before issuing any such bonds, determine the denominations, form and term for such bonds. The Council shall prescribe the dates for the redemption of each bond issue and may authorize the issuance of bonds from time to time within the limitation of the amount authorized. Such bonds shall bear the facsimile signature of the Mayor and the Auditor of the City of Portland in the manner prescribed by the City in authorizing the sale of bonds.

By each of such bonds the City shall be held in substance and effect to undertake and promise to pay to the holder of each of said bonds at the expiration of the time specified therein, the sum named therein, in lawful money of the United States of America, and promise to pay interest thereon in like lawful money at such rate as the Council may determine, not exceeding the percentage fixed by the Council, payable at such periods as shall be provided by the Council. The Council may prescribe other features of such bonds.

None of such bonds shall be sold without prior advertisement in the manner prescribed by law, and all sales shall be to the bidder whom the Council finds to have made the bid most advantageous to the City. The Council may, in its discretion, provide that competitive bidding shall be partially or wholly upon rate or rates of interest, and in that case the award shall be fixed according to the bid which, in the opinion of the Council, would be most advantageous to the City. The Council shall have the right to reject any and all bids or alternative bids, and to proceed to readvertise when bids are not satisfactory, so as to obtain satisfactory bids, which may be called for on the same or different basis. The Council shall exercise such other and additional powers and authority, within the restrictions above mentioned, relating to the issuance of bonds as may be necessary or convenient for accomplishing the objectives hereof.

The Council shall by ordinance establish a special fund and fix the designation thereof, into which fund the proceeds from the sale of bonds issued under particular authority shall be placed, and the City Treasurer shall have the care and custody of all money deposited in such fund.

The Council may establish a separate sinking fund from which to pay and redeem bonds issued under a particular authorization.

Whenever a commission has been or shall be authorized to issue bonds, by an existing Charter provision or provision approved simultaneously with adoption of this Section or any future measure, acts required or authorized by this Section to be done by the Council shall be required or authorized to be done by such commission. [1942 recod., see Chapter XI; new sec. Nov. 6, 1962; rev. May 15, 1984.]

**Section 7-204. Bonded Debt Limitation.** Bonds which are general obligations of the City shall not be issued if the total of such bonds outstanding minus reserves accumulated for repayment thereof exceeds four percent of the true cash value of all taxable real and personal property in the City, but in estimating such bonded indebtedness, bonds issued pursuant to applications to pay assessments for improvements in installments under statutory or Charter authority, bonds on which principal and interest are payable exclusively from revenues derived from the sources fixed in said bonds, and bonds excluded from statutory debt limitations for cities shall not be counted. This limitation does not affect the right of the City to issue refunding bonds. This Section shall not apply to bonds specifically authorized by a majority of the electors to be issued notwithstanding this limitation. [New sec. Nov. 6, 1962.]

# CHARTER OF THE CITY OF PORTLAND, OREGON

---

## CHAPTER 8

### ADVERTISING AND CONTRACTS

#### ARTICLE 1. AUTHORIZATION.

**Section 8-101. Annual Contract for Official Advertising.** A contract for official advertising shall be let periodically by the Council to the lowest responsible bidder publishing a daily newspaper in the City of Portland and which has a bona fide circulation therein.

The paper to which the award of such advertising is made shall be known and designated as the "City official newspaper."

If the City official newspaper ceases to be published, or for any cause the contract in effect is canceled or terminated, a new contract for the unexpired term of the current contract shall be let to the lowest responsible bidder publishing a daily newspaper as provided in this Charter, and until such new contract is let the Council shall designate a daily newspaper in which all advertising shall be published, which newspaper shall be known and designated for the time being as the "City official newspaper." [May 3, 1913, new sec. 38; rev. 1914, sec. 144; 1928 pub., sec. 144; 1942 recod., sec. 8-101; am. Nov. 6, 1962; am. May 17, 1988.]

**Section 8-102. Place for Advertisements.** All advertising and publications provided for in this Charter must be made in the City official newspaper and may be made in such other publications as the Council may direct. [May 3, 1913, new sec. 40; rev. 1914, sec. 146; 1928 pub., sec. 146; 1942 recod., sec. 8-103; rev. Nov. 6, 1962.]

**Section 8-103. Definitions, "Successive" and "Consecutive."** Any requirement of this Charter for any form of notice to be published in the City official newspaper for a stated number of successive or consecutive days shall be construed to mean publication of such notice in the stated number of consecutive issues of said newspaper, and publication of said notice in said stated number of consecutive issues of said newspaper shall be a full compliance with such requirements. [Ch. 1903, sec. 61; rev. 1914, sec. 147; 1928 pub., sec. 147; 1942 recod., sec. 8-104; rev. Nov. 6, 1962.]

**Section 8-104. When Written Contracts Required.** The City of Portland shall not be bound by any contract nor in any way liable thereon, unless the same is authorized by an ordinance and made in writing and signed by some person or persons duly authorized by the Council. But an ordinance may authorize any board, body, officer or agent to bind the City without contract in writing for the payment of any sum not exceeding twenty thousand dollars (\$20,000); such amount to be adjusted annually based on the average inflation rate for the Portland Metropolitan Area as determined from the U.S. Department of Labor statistics. Notwithstanding the provisions of this Section, however, the Council may waive the written contract requirement when work, materials or supplies are necessary for an

emergency involving public safety or health. [Ch. 1903, sec. 6; am. May 3, 1913, sec. 3; rev. 1914, sec. 148; 1928 pub., sec. 148; 1942 recod., sec. 8-105; rev. Nov. 6, 1962; am. Nov. 7, 1978; am. May 17, 1988; am. May 14, 1994.]

**Section 8-105. When Formal Bids Required.** The Council shall make no purchase of supplies or material in which a written contract is required under this Charter, without having duly advertised for bids on the same in the City official newspaper. On all other purchases of supplies and material, informal bids may be obtained. The Council shall have no power to let any contract for any public improvement or for any supplies for the City of Portland for which formal bids are required unless such contract be let to the responsible bidder for the class or kinds selected by the Council whose bid is found by the Council to be most advantageous to the City. The Council shall have the right to reject any and all bids or any part thereof. This provision shall not prevent the Council from employing labor direct to construct or carry on public works or to make public improvements. This Section shall not be applicable to purchase of particular supplies or material when the Council determines that no other product of equal value, utility or merit to the City is available for the same purpose or that the particular make or design of product is necessary for use in connection with equipment or property already owned or being acquired by the City, or that it is otherwise impracticable to obtain competition; in the event of such determination, the Council may authorize purchase without prior bidding or advertisement therefor.

Notwithstanding the provisions of this Section, the Council may authorize obtaining informal bids without advertising when materials or supplies or a particular public improvement are urgently necessary for the public welfare and the time for advertising would result in delay improper in the circumstance.

If the Council has rejected all bids on the ground that the same were excessive, identical, collusive, non-responsive or otherwise unacceptable in the public interest, further advertising may be waived by the Council, and purchases or improvements may be authorized within ninety (90) days after such rejection without bids on a negotiated basis. [Ch. 1903, sec. 164; am. May 3, 1913, part of new sec. 96; rev. 1914, sec. 150; 1928 pub., sec. 150; 1942 recod., sec. 8-106; am. May 21, 1954; rev. Nov. 6, 1962.]

**Section 8-106. #### ARTICLE 1. GENERAL PROVISIONS.

**Section 9-101. Definition, "Street."** As used in this Charter, "street" includes any street, avenue, boulevard, alley, lane, bridge, bicycle path, road, walk, public thoroughfare or public way, and any land over which a right of way has been obtained, or granted and accepted for any purpose of public travel. [Ch. 1903, sec. 75, am. May 3, 1913, sec. 57; 1914 rev., sec. 255; 1928 pub., sec. 255; 1942 recod., sec. 9-102; rev. Nov. 8, 1966.]

**Section 9-102. Definition, "Sewer."** As used in this Charter, "sewer" includes all trunks, mains and extensions thereof, pipes, ducts, laterals, branches, manholes, lampholes, catch-basins, pumping stations and appurtenances, ditches, canals, ducts, aqueducts, gates and all other apparatus, structures and devices which the council finds reasonably necessary or proper for the disposal of sanitary sewage, or for drainage including storm water drainage, and also the relaying, repairing, reconstruction or renewal thereof. The term includes widening, deepening, straightening and diverting channels of streams, improving water fronts, filling or grading lakes, ponds or other waters and increasing or diminishing the flow of waters in natural or artificial channels, and other acts and things found necessary or appropriate for sewerage, drainage and proper disposal thereof. Use of the term "sewer" shall not require that all purposes set forth above be handled by a single facility, and construction and use of a sewer may be limited to any one or any combination of said purposes. [June 4, 1917, new sec. 275c; 1928 pub., sec. 275c; 1942 recod., sec. 9-503; rev. Nov. 8, 1966.]

**Section 9-103. County Roads as Streets.** All County roads lying within the limits of the City of Portland which have not been laid out or accepted as streets by authority of the City shall remain and be County roads until they are laid out or accepted by the City as streets, and be under the jurisdiction of the County court or the Board of County Commissioners of the County in which such road is located, and shall be worked, maintained and improved as County roads outside the limits of the City are worked, maintained and improved.

The Council may, by resolution, upon order of the County signifying its willingness to accept the same, relinquish to the County for the purpose of work or improvement, control of all or any portion of any street connecting with a County road. Thereupon such street to that extent shall be under County control and shall be worked and improved in like manner as County roads until the County relinquishes its jurisdiction, and the City accepts the same. [Ch. 1903, sec. 422; 1914 rev., sec. 276; 1928 pub., sec. 276; 1942 recod., sec. 9-103; rev. Nov. 8, 1966.]

**Section 9-104. Costs of Improvement.** For estimated assessment and final assessment purposes the cost of a local improvement shall be the actual cost as defined by ordinance. Allowances for engineering and superintendence as part of the actual cost shall be fixed by the Council by general ordinance from time to time. [May 17, 1918, new sec. 284-b; 1928 pub., sec. 284-b; am. Nov. 4, 1924; 1942 recod., sec. 9-106; rev. Nov. 8, 1966; am. May 20, 1986; am. Nov. 3, 1992.]

**Section 9-105. Progress Payments.** The Council may make progress payments for all local improvement work by the issuance of interest-bearing warrants against the special assessment fund to be created for such improvement. [Nov. 2, 1920, new sec. 337; 1928 pub., sec. 337; 1942 recod., sec. 9-108; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-106. Payment for Work.** Payment for costs of a local improvement shall be drawn against and payable solely from a special assessment fund. Into this fund shall be paid all money collected from assessments for local improvements. The fund shall be used for payment of actual costs of the improvements. Each local improvement project shall be accounted for separately in the special assessment fund. [New sec. Nov. 8, 1966; am. May 20, 1986; am. Nov. 3, 1992.]

**Section 9-107. Local Improvements.** The definition of a local improvement and the procedures for making local improvements shall be governed by this Charter, ordinance, or State law. [New sec. Nov. 3, 1992.]

**Section 9-108. Condemnation.** Whenever the Council finds it necessary to take private property for a public purpose, it may purchase the same or may direct proceedings to be taken under the general laws of the State or the general ordinances of the City to obtain the property or interest therein. [New sec. Nov. 3, 1992.]

## ARTICLE 2. STREET GRADES.

**Section 9-201. Original Establishment.** When the Council has not established the grade of a street or part thereof, it may at any time be established by the Council without taking any of the proceedings provided for in this Article, by setting forth the elevation of the finished road surface at the center line of the street or portion of a street designated for travel. [Nov. 7, 1922, new sec. 256; 1928 pub., sec. 256; 1942 recod., sec. 9-201; am. Nov. 8, 1966.]

**Section 9-202. Authority to Change Grades.** The Council may change any established street grade, may determine the amount of any damages to be paid as a result of the change, and may make a local assessment therefor. Variation of one foot or less above or below an established grade shall not constitute a change of established grade. When a structure, including pavement, driveway, building, or other construction, has been constructed upon abutting property after original establishment of grade, and damages are claimed as hereinafter provided for that structure, no change of grade shall be made without determining whether any damage is sustained and providing for payment of any

such damages as set forth in this Article. In other cases the Council shall determine whether or not damages to abutting property shall be considered or awarded. [Nov. 7, 1922, new sec. 257; 1928 pub., sec. 257; 1942 recod., sec. 9-202; am. Nov. 8, 1966.]

**Section 9-203. Initial Engineer's Report.** Whenever the Council deems it expedient to change the grade of any street or part thereof within a district continuously affected by the change of grade, it shall direct the Engineer to report thereof. The Engineer shall thereafter, as soon as convenient, file with the Auditor a report showing the location and nature of grade changes which in the Engineer's judgment should be made. The report shall also describe the area which the Engineer deems to be affected by the proposed change of grade. [Nov. 7, 1922, new sec. 258; 1928 pub., sec. 258; 1942 recod., sec. 9-203; am. Nov. 8, 1966.]

**Section 9-204. Notices and Hearing.** The Council may approve the initial report of the City Engineer by resolution, or make changes therein, and declare its intention to make such change of grade, stating the location and nature of the proposed grade change. The Auditor shall publish in five (5) successive publications of the City official newspaper notice of the proposed change of grade, setting forth the nature of the proposed change, the time within which objections against such proposed change of grade and claim for damages may be filed in writing with the City official designated by ordinance, and the time when said matter and objections will be heard by the Council. Objections and claims for damages may be filed within twenty (20) days from the first publication of the notice. The time for hearing shall be the next regular meeting of the Council following said twenty (20) days. Within five (5) days from first publication of the notice, the City Engineer shall cause to be posted on the street or streets affected by the proposed change of grade, a notice headed, "Notice of Change of Grade," containing a legible copy of the notice published. One of such notices shall be posted at or near each street intersection where the proposed change of grade is to be made. If no intersection is affected by the change of grade then the posting of one notice at or near the intersection closest to the maximum point of change of grade shall be sufficient. The City Engineer shall maintain in the project file an affidavit of posting stating the date when and the places where the notices were posted. The Auditor also shall send notice to the persons named as owners of the property within the affected area designated in the Engineer's report as adopted by the Council. If the address of any named owner is unknown and if that person has an agent whose name and address is known,, notice shall be mailed to that agent; otherwise it shall be mailed to the named owner addressed at Portland, Oregon. However, failure of any such person or the true owner to receive the mailed notice shall not invalidate the proceedings. [Nov. 7, 1922, new sec. 259; 1928 pub., sec. 259; 1942 recod., sec. 9-204; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-205. Objections, Claims for Damages.** At the time of hearing, if the Council finds that no claims for structural damages have been presented by property owners and that any objections filed do not represent three-fifths in area of the property affected, the Council may by ordinance make such change of grade without awarding damages and without further proceedings, or may determine that a further report concerning damages to owners of property injured and benefits to owners of property specially benefitted

should be made by the City Engineer. If the Council finds that the owners of more than three-fifths in area of the property affected have filed written objections, no further proceedings shall be taken for a period of six (6) months, except on petition of the owners of more than half in area of the affected property, or unless the Council determines that an award of damages shall be made for probable injuries to property. If the Council determines at the hearing that there are probable injuries to affected property as a result of the proposed change, then the Council may direct the City Engineer to report on damages and benefits. All owners' claims for damages shall be verified and shall state the facts upon which the claim is based and the amount thereof. [Nov. 7, 1922, new sec. 260; 1928 pub., sec. 260; 1942 recod., sec. 9-205; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-206. Award of Damages and Assessment of Benefits.** A report by the City Engineer on damages and benefits shall state the amount of damages which in the Engineer's judgment should be awarded to the owner of each property injuriously affected by the proposed grade change and a detailed proposed assessment on each lot and parcel of land in the Engineer's judgment specially benefitted, proportionate to its share of benefits resulting from the change. Upon the filing of the report the same procedural steps shall be taken with like force and effect as provided for municipal condemnation proceedings. [Nov. 7, 1922, new sec. 261; 1928 pub., sec. 261; 1942 recod., sec. 9-206; am. Nov. 8, 1966.]

### **ARTICLE 3. ELIMINATION OF GRADE CROSSINGS.**

**Section 9-301. Authority of Council.** The Council has authority to determine whether any railroad crossing of any street within the corporate limits of the City at or near street grade is dangerous, and to provide for the elimination of that grade crossing. [June 2, 1913, subdn. a of new sec. 372 1/2; 1928 pub., sec. 265; 1942 recod., sec. 9-401; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-302. Plans and Specifications.** Whenever the Council finds that a railroad grade crossing should be eliminated, it may by ordinance require the City Engineer to prepare plans and specifications for, and estimates of, the cost. [June 2, 1913, subdn. b, new sec. 372 1/2; 1928 pub., sec. 266; 1942 recod., sec. 9-402; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-303. Conference with Railroad Engineer.** In preparing plans, specifications and estimates, the City Engineer shall confer with the Civil Engineer of any railroad company having an interest in the crossing, for the purpose of determining a reasonable plan and method for eliminating it. If the City Engineer is unable to agree with the Engineer of the railroad company, the City Engineer shall proceed to determine a proper and reasonable plan and method of eliminating said grade crossing; provided, however, that if the civil engineer of an interested railroad company does not confer with the City Engineer after ten (10) days written notice, the City Engineer may proceed with the preparation of plans, specifications and estimates without a conference. [June 2, 1913, subdn. c, new sec. 372 1/2; 1928 pub., sec. 267; 1942 recod., sec. 9-403; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-304. Filing of Plans and Objections.** The City Engineer shall file with the Auditor a report on elimination of the grade crossing with the necessary plans, specifications and estimates of the cost. The City official designated by ordinance shall notify in writing each interested railroad company, and any company shall have thirty (30) days from date of the notice to file with the Auditor objections thereto, or to propose modifications thereof, or to file other or different plans and specifications, together with the estimates of the cost. [June 2, 1913; subdn. d, new sec. 372 1/2; 1928 pub., sec. 268; 1942 recod., sec. 9-404; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-305. Consideration of Plans and Report of Damages.** Within three (3) months after the thirty (30) day period for filing objections, the Council shall consider the report, objections, plans, specifications and estimates filed, or may refer the matter to a commissioner or committee of commissioners for this purpose, in which event the City official designated by ordinance shall mail five (5) days notice in writing to any company interested when the commissioner or committee will consider the matter, and at the time specified any company may attend and be heard thereon. Upon filing of the commissioner's or committee's findings and recommendations, the Council may adopt a plan and method for eliminating the grade crossing and adopt specifications therefor, or it may dismiss the proceedings. If it appears that change of street grade will be required in eliminating the grade crossing, the Council shall determine whether such grade shall be changed, with or without considering damages to adjacent property. If the Council determines to consider damages to adjacent property, it shall require the City Engineer to report the estimated damages that property may sustain by reason of the change of street grade, based on the depreciation, if any, in market value on account of the change of street grade. In estimating the depreciation of market value, the City Engineer shall take into account the benefits, if any, the effect which the proposed improvement will have upon market value of the property, and the probable assessment against the property for the improvement. [June 2, 1913, subdn. e, new sec. 372 1/2; 1928 pub., sec. 269; 1942 recod., sec. 9-405; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-306. Apportionment of Damages and Benefits.** Upon filing of the City Engineer's report on damages, the Auditor shall publish in four (4) successive publications in the City official newspaper a notice that such report has been filed, stating the amount of damages to each property as estimated by the City Engineer, the date when the report of the City Engineer will be heard by the Council, and that written objections thereto may be filed with the Auditor any time prior to the day of hearing. The date of hearing shall be not less than five (5) days after the last publication of notice. The Auditor shall also send a copy of the published notice to each person interested in land affected. If the address of such person is unknown, and if such person has an agent whose name and address is known, notice shall be mailed to the agent; otherwise it shall be mailed to the owner addressed at Portland, Oregon. At the time of hearing the Council shall consider the report and all objections thereto and may refer it to any committee or commissioner for further hearing and report. At any time thereafter the Council may determine the damages to be awarded for the change of street grade.

If construction is contemplated by the Council in order to effect the elimination of a railroad grade crossing, no proposed assessment to property benefitted by the change of street grade need be made in the proceedings for change of street grade, but rather a statement may be made that such damages will be assessed as a part of the total improvement cost or will be financed in a particular manner. Thereafter the cost of making the change and improvement shall include, as part of the cost, the total damages awarded on account of such change of street grade. The Council shall determine whether any portion of the total cost of the improvement shall be financed by assessment of benefits to property within an assessment district as a local improvement, and if so, the total cost shall be apportioned as follows: sixty percent shall be paid by the company or companies owning or controlling the railroad trackage at the crossing; no more than twenty percent shall be assessed against the property benefitted thereby within the district fixed by the Council; and the balance may be paid by the City, or as the Council may determine. Total cost shall include the cost of raising or lowering tracks within street boundaries, but the raising or lowering of tracks outside street boundaries shall be the sole responsibility and expense of the railroad company. Total cost shall also include all other costs and expenses of the improvement, plus damages to property within the district. Whenever the street is occupied or used by more than one railroad company, the railroad's share of the total cost of the improvement shall be apportioned among them. The cost and expense of raising or lowering the grades or tracks outside street area to be borne by the affected companies shall be apportioned by the Council unless, within thirty (30) days after the Council orders the improvement, all affected companies file with the Auditor their mutual agreement thereon. [June 2, 1913, subdn. f, new sec. 372 1/2; 1928 pub. sec, 270; 1942 recod., sec. 9-406; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-307. Advancement to Special Fund.** If damages are allowed to adjacent property owners because of the change of street grade, upon final determination of the amount to be awarded to each property owner and upon determination by the Council to proceed with the improvement as provided in Section 9-408, the Council shall loan or otherwise transfer from any available fund to the special assessment fund , an amount sufficient to pay all such awards. The warrants then shall be drawn in favor of the persons entitled thereto in the amounts awarded, payable upon demand, with interest as set by ordinance. No such warrant shall be delivered to a property owner who has been allowed damages until the owner applies therefor and files written acceptance of such allowance, or until the amount of award has been finally determined. The advancement authorized herein, with interest as set by ordinance, is part of the cost of the improvement and the amount of the advancement with interest shall be returned to the fund from which it was advanced, subject to the apportionment of the City's share, if any. [June 2, 1913, subdn. g, new sec. 372 1/2; 1928 pub., sec. 271; 1942 recod., sec. 9-407; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-308. Remonstrances, Assessments and Collections.** If a portion of the cost of eliminating a railroad grade crossing is to be financed by local improvement assessments, the procedures for establishing a local improvement district and assessing property shall be followed. Remonstrances may be filed with the Auditor by property owners within the time to be fixed by resolution. Upon the expiration of that time, the

Council shall determine whether or not to proceed with the matter. If the Council determines to proceed it may overrule any and all remonstrances. Assessments made hereunder shall be entered in the docket of City liens and collected in the same manner as other assessments and the amount to be paid by a railroad company also shall be entered on the docket of City liens and shall constitute a lien against all property of the company in the City. If any railroad company fails to pay or bond the assessment within the time provided for paying or bonding assessments for street improvements, the City may proceed by court process to require payment, or may proceed to collect the same by suit or action as other assessments are or may be collected, or by both procedures. [June 2, 1913, subdn. h, new sec. 372 1/2; 1928 pub., sec. 272; 1942 recod., sec. 9-408; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-309. Bonding of Assessments; Changes of Grade.** Persons, including railroad companies whose property has been assessed for the improvement eliminating a railroad grade crossing, have the right to bond their assessments in the same manner as provided for bonding assessments for other local improvements. No further proceedings shall be required to change the grade of the street than as specified in this Article, and upon the completion of the improvement, the grade of the street shall be deemed changed to the grade established by the improvement. [June 2, 1913, subdn. i, new sec. 372 1/2; 1928 pub., sec. 273; 1942 recod., sec. 9-409; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-310. No Impairment of Duty Under Franchise or Ordinance.** Nothing in this Article shall impair the right of the City to require the holder of a franchise or other person, required by ordinance or otherwise to pave a portion of street, to move any facility at his or her own expense or to improve a portion of street, to carry out his or her obligation without expense to the City. For this purpose, elimination of grade crossings is a public work and improvement. No duty, express or implied, of the holder of a franchise, contract or permit shall be impaired by amendments to this Chapter subsequent to the grant of franchise, contract or permit. [June 2, 1913, subdn. j, new sec. 372 1/2; 1928 pub., sec. 274; 1942 recod., sec. 9-410; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-311. Construction of Article.** The provisions of this Article relating to change of grade affect other provisions relating to change of grade in this Chapter. The provisions of this Article shall be construed as an additional procedure which the Council may follow in eliminating railroad grade crossings. [June 2, 1913, subdn. k, new sec. 372 1/2; 1928 pub., sec. 275; 1942 recod., sec. 9-411; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-312. Elimination of Several Crossings in One Proceeding.** The Council may provide in one proceeding under this Article for the elimination of the grade crossings of two (2) or more streets by any railroad or railroads in a district. [June 7, 1915, new sec. 275 1/2; 1928 pub., sec. 275 1/2; 1942 recod., sec. 9-412; am. Nov. 8, 1966; am. Nov. 3, 1992.]

**ARTICLE 4. STREETS AND STREET IMPROVEMENTS.**

**Section 9-401. Definition of "Improve" and "Improvement."** As used in this Article, the terms "improve" and "improvement" include all construction, reconstruction, grading, regrading, paving, repaving, surfacing, resurfacing, bettering and repairing roadways, bridges, trestles, means of access and egress, underpasses, overpasses, sidewalks, crosswalks, pedestrian ways, gutters, curbs, street drainage facilities and appurtenances therefor within any street. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-402. Improvement Procedure.** The Council hereby is authorized: to order from time to time all or part of the streets of the City to be improved; to determine the character, kind and extent of each improvement; to levy and collect an assessment upon all lots and parcels of land specially benefitted by the improvement to defray the whole or any portion of the cost; and to determine what lands are specially benefitted by the improvement and the amount to which each parcel or tract of land is benefitted. The procedural steps for an improvement shall be prescribed by ordinance. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-403. Remonstrances.** Street improvement procedures established by ordinance shall provide for mailed notice to the property owners within the proposed district of the Council's intention to improve any street, and an opportunity for the owners of the property within the proposed assessment district to make and file written objections or remonstrances against the proposed improvement. The period for filing of written objections or remonstrances shall be set by ordinance but shall not exceed sixty days from the date notice is mailed. If the owners of three-fifths or more in area of the property file objections, further proceedings in the making of such improvement are barred for a period of six (6) months unless the owners of one-half or more of the property affected subsequently petition therefor. If an objection, remonstrance or petition is signed by the agent or attorney of any property owner, the agent or attorney's authority to sign shall be filed with the Auditor within the time provided for the remonstrance or petition or the signature shall be disregarded. If objections or remonstrances legally signed by the owners of three-fifths of the property affected are not filed, the Council may order the improvement. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-404. Use of Earth.** When the Council by ordinance provides for making an improvement, the City may, at its option, remove, alter, dispose of or otherwise use all earth within the street lines for that improvement. [New sec. Nov. 3, 1992.]

**Section 9-405. Completion of Work; Spread of Assessments.** When a street improvement is wholly or partially completed to the satisfaction of the City Engineer, the completed work may be accepted and property within the district assessed for the cost under procedures established by ordinance, with opportunity for objections to be heard. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-406. Improvement by Permit.** Whenever the grade of any street has been established, the Council may authorize any person to cut or fill the street in front of such property according to such grade, or to improve the same, or both, as the City Engineer may direct, at the expense of that person. This authority shall not be granted after notice has been given of the Council's intention to improve the street so long as the Council retains jurisdiction for the proposed improvement. In giving this authority, the Council may impose such terms and conditions as it may find appropriate. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-407. Sidewalk Improvements and Repairs; Duty of Owners.** Sidewalks may be improved either as a part of a general street improvement or by separate proceedings. The Council may determine the grade and width of all sidewalks, materials to be used and specifications for construction. It is the duty of all owners of land abutting any street in the City to construct, reconstruct and maintain in good repair the adjoining sidewalks. If the owner of any parcel of land allows an adjoining sidewalk to be out of repair, the City Engineer shall post notice on the property directing the owner, agent or occupant thereof immediately to repair it in accordance with City specifications. If the owner, agent or occupant of any parcel of land does not properly make the sidewalk repairs within the time designated in the notice, the City Engineer may make the repairs, keeping an account of the cost and reporting it to the Council with description of the parcel of land abutting the repaired sidewalk. The Council has the same general authority and supervision over sidewalk repairs as over street improvements. If the Council finds the costs reported by the City Engineer to be reasonable, it shall approve them and thereafter, at least once a year, by ordinance assess upon each of the parcels of land abutting repaired sidewalks, the cost of making the repairs with an additional overhead charge to defray the cost of notice, engineering and advertising. All such assessments may be combined in one assessment roll and they shall be entered in the docket of City liens and collected in the same manner as are other local improvement assessments. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-408. Damages for Negligence.** Owners of land within the City are liable for all damages resulting from their failure to put an adjoining sidewalk in repair after notice to repair as provided in this Article. No action shall be maintained against the City by or for any person injured because of any sidewalk defect. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

## **ARTICLE 5. SEWER IMPROVEMENTS.**

**Section 9-501. Assessment District; Remonstrances.** When the Council has declared its intention to construct a sewer or sewer system and has fixed the boundaries of the assessment district to be benefitted and assessed therefor, the Auditor shall mail notice of such intention to the property owners within the proposed district, in accordance with procedures prescribed by ordinance. The procedures shall provide that an owner of any property within the proposed assessment district or such owner's agent who files proof of his or her authority, may file with the Auditor a written remonstrance against the proposed sewer or the plans therefor, and the Council, upon hearing the remonstrance, may

discontinue proceedings in the matter. The period for filing of written objections or remonstrances shall be set by ordinance but shall not exceed sixty days from the date notice is mailed. The Council, however, may overrule any and all remonstrances and may order the improvement. The Council also may require changes in the proposed plans or changes in the boundaries of the proposed assessment district, and declare by resolution its intention to proceed on the revised basis. Such resolution shall be published and remonstrance period given as in the first instance. The improvement shall conform substantially to the plans and specifications adopted by the Council. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-502. Joint Construction with County.** The Council may take action and proceedings for the construction of any sewer or drain jointly with any County; may levy and collect special assessments of benefits therefor; may enter into an agreement or agreements with any county for the construction, maintenance and use of sewers or drains and paying the cost thereof; may issue bonds to finance that portion of the cost agreed to be chargeable to property outside of the City; may do all other things necessary or proper to provide for the construction of sewers or drains when the design, plan or method of construction will render them beneficial to property both within and without the limits of the City; and may perform all acts necessary to implement statutes relating thereto. [Sections 95-1818 to 95-1846 O.C.L.A.; June 4, 1917, new sec. 275a; 1928 pub., sec. 275a; 1942 recod., sec. 9-501; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-503. Issuance and Sale of Bonds.** Bonds may be issued and sold after construction of any such sewer or drain has been authorized, and each bond issue shall be limited to an amount that does not exceed the portion of the cost of such sewer or drain agreed upon with the County as the amount justly and equitably to be borne by property lying beyond the City limits. Such bonds shall not be issued for longer than twenty (20) years, and may be general obligations of the City. No bonds shall be issued when the total of such bonds then outstanding would exceed five hundred thousand dollars (\$500,000). In lieu of issuing bonds, the Council may provide for financing part or all of the cost agreed upon as chargeable to property outside of the City from City funds. The Council has authority to levy and collect an assessment against the property benefitted by any sewer or drain lying beyond the City limits whenever that property is included within the City limits, if no previous assessments therefor have been made on the property, and to apply the money so collected toward payment of such bonds, or to reimburse the City for any payment, expenditure or advancement for such sewer or drain. Any agreement with the County may provide for the levy and collection by the County of an assessment against property whenever the sewer or drain may immediately benefit the property because of construction of an extension, lateral, branch, or otherwise. [June 4, 1917, new sec. 275b; 1928 pub., sec. 275b; 1942 recod., sec. 9-502; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**ARTICLE 6. OTHER IMPROVEMENTS.**

**Section 9-601. Fire Stops.** As used in this Article, "fire stop" includes any fireproof wall or other device to prevent the spread of fire. The Council has authority by agreement or by condemnation to acquire property, easements and rights needed for the construction of fire stops; to perform the work of erecting fire stops either by direct employment of labor or by awarding contracts; and to provide for the payment of the costs thereof by the levy and collection of local assessments according to benefits for the improvement. Before fire stops are constructed an estimate shall be made of the probable cost and of the probable saving in fire risks and insurance expenses. Where a fire stop is to be constructed at the expense of property benefitted and assessed therefor, the Council shall take proceedings similar to those required for constructing sewers. The method of making and collecting assessments shall be the same as for other local improvements. The cost of acquiring property, easements or rights shall be included in the cost of the fire stop. [June 7, 1915, new sec. 294; 1928 pub., sec. 294; 1942 recod., sec. 9-601; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-602. Lighting Districts.** Whenever the owners of fifty percent or more in area of the property within any district make and file with the Auditor a petition to establish a special street lighting system within that district, the Council has authority to install, operate and maintain such a system as a local improvement and to furnish electrical current therefor. The improvement may include initial installation, continuance or change of an existing installation, substitution of different materials or special styles or locations of lights or related facilities within the district, replacements, or any combination of those items. The Council may award contracts for all or a portion of the work, maintenance or electrical energy. The Council may levy and collect local assessments on property benefitted thereby for all or a portion of the cost. The Council may authorize contribution from City funds to the cost of energy, operation and maintenance in the amount it finds an appropriate allowance for regular street lights rendered unnecessary by the special lighting system. Whenever all or part of the cost of a system is to be assessed to property benefitted, the Council shall take proceedings similar to those required for street improvement districts. [Nov. 4, 1924, new sec. 338; 1928 pub., sec. 338; 1942 recod., sec. 9-602; rev. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-603. Other Local Improvements.** When the Council determines that a local improvement as defined by this Charter or by ordinance affords a special and peculiar benefit to property within a particular district different in kind or degree from that afforded to the general public, the Council may classify it as a local improvement and provide for the payment of all or a portion of the cost thereof by levy and collection of local assessments on the property benefitted. The procedure for street improvements shall be followed. Jurisdiction of the Council shall depend upon the extent and strength of remonstrance; provided, however, if the Council determines that the public health or public safety demands immediate construction, the Council may overrule any and all remonstrances and shall proceed as provided for sewer improvements. The Council may

combine in one proceeding a street improvement, sewer improvement, street lighting improvement, and any other improvement allowed by this Charter. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

## **ARTICLE 7. ASSESSMENTS AND COLLECTIONS.**

**Section 9-701. Assessment District.** If the Council finds that a particular lot, tract, or parcel of land within the boundaries of a local improvement assessment district does not in fact receive any special and peculiar benefit from that improvement, it may exclude that property or show the assessment at zero (0) when apportioning costs of the local improvement in accordance with benefits and spreading the assessment. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-702. Procedures for Assessments; Assessments Confirmed.** The Council shall establish procedures by ordinance for the estimated assessment, assessment, and reassessment of benefitted properties. An assessment shall not exceed the apportioned share of actual costs nor exceed the amount of the benefits. Each parcel of land shall be considered benefitted by the local improvement to the full amount of the assessment levied on it. Delays, mistakes, errors or irregularities in any act or proceeding in an improvement, in notices, in entry of assessment or in any related matter shall not prejudice or invalidate any final assessment, but the defect may be corrected by subsequent action. [New sec. Nov. 8, 1966; am. Nov. 3, 1992.]

**Section 9-703. Assessment Lien; Payment.** The docket of City liens is a public writing, and from the date of entry of any assessment, the sum entered is a lien upon the land against which it is entered. Assessment liens shall have priority over all other liens and encumbrances. The sum assessed for a local improvement shall be due and payable from the date of entry upon the lien docket, and if not paid or bonded as provided by law within thirty (30) days from that date, the amount of assessment then shall be delinquent and shall bear interest at the rate fixed by ordinance from the date of assessment. [am. Nov. 3, 1992.]

**Section 9-704. Delinquency and Sale for Unpaid Assessments.** The Treasurer shall proceed to collect the unpaid assessments by advertising and selling the assessed land in the manner provided by State law or City ordinance. Rates of penalty and interest shall be determined by ordinance. The sale price shall include all assessment principal and interest due, penalties and charges due, and all costs associated with the sale of the property.

Whenever the market valuation for tax purposes of land assessed and subject to sale for collection of unpaid assessment exceeds the sum payable to the City of the unpaid assessment, interest and estimated costs plus the total of any past due taxes by twenty-five percent or more of the City and tax liens, the Treasurer may, subject to general guidelines of the Commissioner In Charge and/or the Council, withhold or withdraw such property from public sale and in lieu thereof may sell the property by private sale to the City upon payment by the City from the Assessment Collection Fund,

elsewhere provided in this Charter, of the unpaid assessment, interest and costs. If land is not valued for tax purposes, the market value estimated by the City shall be considered the market valuation for tax purposes under this Section.

The Treasurer shall report to the Council the sales and collections on delinquencies and the City official designated by ordinance shall make proper entries in the lien docket. Thereafter no transfer or assignment of any certificate of sale hereunder shall be valid unless entry of that transfer or assignment has been noted in the lien docket after appropriate filing with the City. In case any property remains unsold, that property again may be offered for sale in like manner. [New sec. Nov. 8, 1966; am. Dec. 14, 1971; am. May 20, 1986; am. Nov. 3, 1992.]

**Section 9-705. Redemption.** The City ordinance authorizing sale of property for delinquent assessments and the notice of sale to persons with an interest in the property stating that the property has been sold shall clearly state the provisions for redemption of the property by the prior owner as provided by State law or City ordinance. [am. Nov. 3, 1992.]

## **ARTICLE 8. FINANCING LOCAL IMPROVEMENTS; BONDING.**

**Section 9-801. Applications for Bonding.** Within thirty (30) days after notice of an assessment, deficit assessment or reassessment for a local improvement is first mailed, if the assessment exceeds a minimum fixed by the Council, the owner of the property assessed may file a written application to pay the assessment in installments. The application shall provide that the owner agrees to pay the assessment in installments including interest and charges as specified by the Council. The application also shall describe the applicant's property assessed for the improvement. [June 7, 1915, new sec. 278; 1928 pub., sec. 278; 1942 recod., sec. 9-701; rev. Nov. 8, 1966; am. May 20, 1986; am. Nov. 3, 1992.]

**Section 9-802. Final Assessment Bond Lien Docket.** After the time expires for filing applications to pay assessments in installments, the City official designated by ordinance shall enter all applications received in a docket kept for that purpose under separate heading for each improvement. Thereafter, that docket shall stand as a bond lien docket in favor of the City for the amount of the unpaid assessments docketed therein, with interest on unpaid assessments at a rate determined by ordinance, against each parcel of land assessed, until the assessments and interest are paid. All unpaid assessments and interest are a lien upon each parcel of land in favor of the City, and that lien shall have priority over all other liens and encumbrances. [New sec. Nov. 8, 1966; am. May 20, 1986; am. Nov. 3, 1992.]

**Section 9-803. Improvement Bonds.** After the bond lien docket is made up for the particular local improvement, the Council shall authorize by ordinance the issuance of bonds not exceeding the actual costs of the unpaid improvement assessments as shown on the bond lien docket. [New sec. Nov. 8, 1966; May 20, 1986; am. Nov. 3, 1992.]

**Section 9-804. Installment Payments; Delinquency and Collections.** Bonded assessments shall be paid in installments, plus accrued interest, penalties, and charges, as specified by ordinance. If payment of any installment is delinquent thirty (30) days, the entire unpaid balance is immediately due and payable, and the installment contract may be declared void. The property owner may execute a new agreement as provided by City Code, or the City may collect the total amount due in the manner as provided by ordinance. Prior to sale of the property for collection, the owner may remove the property from the sale list in the manner provided by Code. [New sec. Nov. 8, 1966; am. May 20, 1986; am. Nov. 3, 1992; am. May 18, 1994.]

**Section 9-805. Sinking Funds; Investment; Bond Reissuance and Rebonding.** After issuance of improvement bonds covering unpaid bonded assessment for a particular improvement, the City official designated by ordinance shall keep an account of money paid upon bonded improvement assessments separate from other City funds, as provided by ordinance.

Whenever improvement bonds issued upon bonded assessments are redeemable and it appears to the Council advantageous to redeem them, but money available in the sinking fund account is insufficient, the Council may transfer money from another sinking fund or sinking fund account as a temporary loan to the sinking fund account to be redeemed, to be repaid with interest at the rate fixed by the Council. The Council may authorize and provide for issuance and sale of new bonds upon bonded assessments to redeem outstanding bonds. Such new bonds shall be limited in amount to the amount of bonds to be redeemed from the proceeds, shall bear interest, be sold and be redeemable as provided in this Charter. In case of a temporary loan, if property owners fail to pay into the sinking fund a sufficient amount to repay the temporary loan, when needed, the Council shall provide money for repayment by the sale of bonds as provided in this Section. [New sec. Nov. 8, 1966; am. May 20, 1986; am. Nov. 3, 1992.]

**Section 9-806. Assessment-Collection Bonds; Assessment Collection Fund.** To facilitate collection of delinquent assessments and to assist in financing local improvements, the Council may issue and dispose of bonds to be known as Assessment-Collection Bonds. The total amount of these bonds shall not exceed one million five hundred thousand dollars (\$1,500,000) outstanding at any one time. The bonds shall be general obligations of the City and shall be issued and sold in any denominations in the same manner as other bonds of the City. The rate of interest thereon shall not exceed the maximum rate permitted under State law, and their maturity shall not exceed twenty (20) years.

Money from the sale of the bonds, after paying from the proceeds the costs of advertising and sale, shall be deposited in a special fund known as the "Assessment Collection Fund," which may be used under Council direction for purchasing property by and in the name of the City at Treasurer's sale or other sale for City assessments, and at foreclosure sales for delinquent taxes, to protect the interest and rights of the City in the property. Net proceeds from the sale of property purchased from the Assessment Collection Fund shall be credited to that fund.

In selling property purchased from the Assessment Collection Fund, or Treasurer's certificates thereon, no transfer of certificate of sale or deed to the City shall be held void or insufficient because of any omission, error, defect or objection, jurisdictional or otherwise, in the assessment or other proceedings if, at some stage of the proceedings before assessment was made, notice was given, and if the description of the property in the certificate or deed is reasonably sufficient to identify it. This provision is intended to be curative as fully as the people may enact, as to all matters affecting the validity of the certificate or deed. Every certificate of sale or deed shall be presumptive evidence of the regularity and sufficiency of all things affecting its validity. In any case where this curative provision is found insufficient, the money realized from the attempted sale shall be treated as not applying to the payment of the attempted assessment, and shall not discharge any obligation of the owner of the property to bear a fair and just proportion of the cost of the local improvement for which the attempted assessment was made. Proceeds from the attempted sale shall be refunded to the Assessment Collection Fund and the Council may make a reassessment against that property.

The Council may renew the Assessment Collection Fund from time to time by selling additional bonds, subject to the limitation in this Article on total amount.

The Council may provide for the sale and assignment of certificates of sale and the assignment or conveyance of the rights of the City in such property either before or after receiving the deed from the City Treasurer or from County officials; may provide for sale of the property under contract for not more than ten (10) years; may pay real estate commissions, court costs, legal and clerical services and all other expenses related to the purchase and clearance of title; may purchase or redeem any Treasurer's certificates of sale outstanding against the property; may pay any tax liens outstanding against the property; may transfer money from the Assessment Collection Fund to the General Fund, provided that provision is made for redemption of outstanding Assessment-Collection Bonds; may provide for waiving all or part of accrued penalties; may pay any bonded or open liens outstanding against the property and cancel assessments against it; and may enact ordinances to give full effect to this Section.

The Assessment Collection Fund may also be used to purchase and hold warrants issued upon any special local improvement fund formed or to be formed. The face amount and interest on warrants so purchased shall be credited, upon payment, to the Assessment Collection Fund. [New sec. Nov. 8, 1966; am. Dec. 14, 1971; am. May 20, 1986; am. Nov. 3, 1992.]

# CHARTER OF THE CITY OF PORTLAND, OREGON

---

## CHAPTER 10

### PUBLIC UTILITIES AND FRANCHISES

#### ARTICLE 1. PUBLIC UTILITIES.

**Section 10-101. Definition, "Public Utility."** The term "public utility" as used in this Charter shall be deemed to include every plant, property or system engaged in the public service within the City or operated as a public utility as such terms are commonly understood. [May 3, 1913, new sec. 60; rev. 1914, sec. 153; 1928 pub., sec. 153; 1942 recod., sec. 10-101.]

**Section 10-102. General Provisions.** The City of Portland shall have the power to construct, condemn, purchase, add to, acquire, maintain, operate and own all or any part of any public utility or any plant or enterprise, for the purpose of serving the City and the people thereof for uses public and private. Such power may be exercised in any lawful manner and shall include the power to purchase, condemn or otherwise acquire any franchise heretofore granted to operate a public utility. [May 3, 1913, new sec. 58; rev. 1914, sec. 151; 1928 pub., sec. 151; 1942 recod., sec. 10-102.]

**Section 10-103. Power of Construction and Acquisition.** The City shall have the power to construct and acquire in any legal way and to maintain and operate works, plants and facilities for the purpose of doing any and all municipal work by direct employment of labor under the supervision of the City, and may use such works, plants and facilities, and the product thereof, for the purpose of doing municipal work of all kinds, and shall have the power to sell such product for use in the construction of municipal improvements of all kinds. It shall have power to provide payment for the whole or any part of local improvements constructed or done by the City directly under the provisions of this Section by assessment against the property benefited thereby.

Funds for the carrying out of this Section may be provided by issuing bonds as provided in Section 7-201 of this Charter or by the use of any moneys in the General Fund at the end of the fiscal year. [May 3, 1913, new sec. 59; rev. 1914, sec. 152; 1928 pub., sec. 152; 1942 recod., sec. 10-103.)

**Section 10-104. Debt Limitation.** No indebtedness shall be incurred for the acquisition of any public utility under the provisions of this Charter, which, together with the existing bonded indebtedness of the City, shall exceed at any one time seven percent of the assessed value of all real and personal property in the City, but in estimating such bonded indebtedness, all bonds given for the acquisition or construction of public properties and utilities the interest on which bonds is paid out of the earnings of said public utilities or properties, shall be excluded; provided, that whenever and for so long as such utility or undertaking fails to produce a sufficient revenue to pay all costs of operation and administration (including interest on the City bonds issued therefor and the cost of insurance against loss by fire, accidents, and injuries to persons), and an annual

amount sufficient to pay at or before maturity all bonds issued on account of said undertaking, all such bonds outstanding shall be included in determining the limitation of the City's power to incur indebtedness, unless the principal and interest thereof be payable exclusively from the receipts of such undertaking. The City officer responsible for accounting shall annually report to the Council, in detail, the amount of revenue from each such undertaking, and whether there is any, and if so, what, deficit in meeting the requirements above set forth. [Ch. 1903, sec. 88; rev. 1914, sec. 160; 1928 pub., sec. 160; 1942 recod., sec. 10-105; rev. Nov. 8, 1966; am. May 20, 1986.]

**Section 10-105. Supervision and Regulation.** The Council shall have general supervision and power of regulation of all public utilities within the City of Portland, and of all persons and corporations engaged in the operation thereof. [May 3, 1913, part of new sec. 61; rev. 1914, sec. 154; 1928 pub., sec. 154; 1942 recod., sec. 10-106; rev. Nov. 8, 1966.]

**Section 10-106. Investigations and Rate Fixing.** The Council shall have the power to investigate from time to time, and whenever they shall deem that the public service, health or welfare require it, the affairs, business and property of any public utility within the City. For that purpose they shall have the right to compel the attendance of witnesses and the production of books, papers and records, and of entry in person or by authorized agent upon any premises or places of any person or corporation engaged in the operation of a public utility. They shall have the power to control, regulate and order such changes, improvements, extensions, additional facilities, appliances or equipment in or upon the plant and property of any person or corporation operating public utilities within the City as may be deemed necessary to promote the public interest, convenience or safety, and to protect its employees in the construction, maintenance or operation of any such public utilities.

Every charge, rate, fare or compensation made, charged or demanded by any person or corporation engaged in the operation of a public utility within the City of Portland for any service rendered or to be rendered shall be just, fair and reasonable. The Council shall have the power to hear and determine what are just, fair and reasonable rates, fares and charges and to fix and limit such rates, fares and charges and for that purpose may make valuations of the property of any person or corporation engaged in the operation of a public utility within the City. To that end they shall make and enforce regulations providing that at the time of construction or acquisition of any plant or property rendering a public service and of any improvement or additions thereto the person or corporation having charge thereof shall record with the City Officer responsible for accounting a description of all property which such person or corporation shall intend to present for such valuation and all later improvements when made, together with full information as to the cost thereof and vouchers supporting the same, to the end that a complete record of all property to be valued under this Section shall be at all times available. [May 3, 1913, new sec. 62; rev. 1914, sec. 156; 1928 pub., sec. 156; 1942 recod., sec. 10-107; rev. Nov. 8, 1966; am. May 20, 1986.]

**Section 10-107. Quarterly Reports.** Every person or corporation operating a public utility within the City rendering service to be paid for wholly or in part by the users of such service shall keep full and correct books and accounts and make stated quarterly reports in writing to the Council, verified by such person or an officer of the corporation, which shall contain an accurate statement in summarized form as well as in detail of all receipts from all sources and all expenditures for all purposes together with a full statement of all assets and debts including stock and bond issues as well as such other information as to the cost and profits of said service, and the financial condition of such grantee as the Council may require. Such reports shall be public and a summary thereof shall be printed as a part of the City's annual financial report, and the Council may inspect or examine, or cause to be inspected or examined, at all reasonable hours, any and all books of account and vouchers of such grantee.

Such books of account shall be kept and reports made in accordance with forms and methods prescribed by the Council and so far as practicable shall be uniform for all grantees and holders of franchises, and shall, except for important and necessary changes, conform to such reports as are required by state or federal public utility commissions.

[May 3, 1913, new sec. 63; rev. 1914, sec. 157; 1928 pub., sec. 157; 1942 recod., sec. 10-108; rev. Nov. 8, 1966; am. May 20, 1986.]

**Section 10-108. Orders, Rules, and Regulations.** The Council shall have power to make all orders, rules and regulations necessary or appropriate to carry into effect the powers granted and to make the same effective by penalties and forfeitures, and upon failure by any franchise holder to comply with any of the requirements of Section 10-107, 10-216, 10-213 or 10-214 of this Charter for a period of thirty (30) days after notice, the Council shall have power to declare by ordinance a forfeiture of the franchise under which any person or corporation so failing to comply is operating a public utility within the City of Portland.

Every such order, rule or regulation of the Council shall take effect at a time to be therein specified, and shall continue in force until modified or abrogated by the Council or modified, suspended or set aside by the decree or judgment of a court of competent jurisdiction.

Whenever any person or corporation against whom any rule, order or regulation is directed, as provided by the foregoing subdivision shall believe an order to be unjust or unreasonable, such person or corporation may test its justice or reasonableness by a proper action in the courts commenced within thirty (30) days after service of any such order, rule or regulation, and in such action such further order may be entered in the premises as shall be warranted by the facts developed upon the trial and the law applicable thereto. [May 3, 1913, new sec. 64; rev. 1914, sec. 158; 1928 pub., sec. 158; 1942 recod., sec. 10-109; rev. Nov. 8, 1966.]

**Section 10-109. Bridges and Ferries.** All ferries now or hereafter owned or leased, and all bridges together with approaches and terminals, heretofore erected or leased, or hereafter to be erected or leased, by the City of Portland across the Willamette River shall be operated by the county of Multnomah, as now provided by law, or as may hereafter be provided by law at the expense of said county of Multnomah. No exclusive franchise or privilege shall be granted to any person, firm or corporation, for the use of the whole or any part of such bridges, approaches or terminals. All privileges or franchises that may be granted by the City of Portland for the use of the whole or any part of such bridges, approaches or terminals shall be for a term not exceeding twenty-five (25) years, and the compensation to be paid the City by any person, firm or corporation desiring to use such bridges for the operation of cars thereover, shall be not less than three cents (\$.03) per car for each and every car that crosses such bridges in each direction. Said rental shall be paid at the end of each calendar month to the City Treasurer. The Council shall specifically reserve in any franchise granted over any of said bridges the right to reasonably regulate the number and routing of cars across any such bridges. [Nov. 2, 1912, new sec. 118-3/4; rev. 1914, sec. 184; 1928 pub., sec. 184; 1942 recod., sec. 10-110; rev. Nov. 8, 1966.]

## ARTICLE 2. FRANCHISES.

**Section 10-201. Control by Charter Provisions.** Every franchise hereafter granted shall be expressly subject to all the provisions of the foregoing sections and the power of control and regulation as authorized by such sections cannot be limited, divested or granted away. Subject to the initiative and referendum such power of control and regulation shall be exercised by the Council and may be exercised by the Council through its agents. [May 3, 1913, new sec. 65; rev. 1914, sec. 159; 1928 pub., sec. 159; 1942 recod., sec. 10-201.]

**Section 10-202. Property Nature of Franchises.** Every franchise granted under this Charter shall be taken and deemed as property and shall be subject to taxation as property. [Ch. 1903, sec. 100; am. May 3, 1913, sec. 67; rev. 1914, sec. 166; 1928 pub., sec. 166; 1942 recod., sec. 10-202.]

**Section 10-203. Authorization of Industrial Tracks.** The Council shall have power on application or assent in writing of the owners of a majority part in extent of the lots or tracts of land fronting on each side of that portion of any street or part of a street on which it is desired to construct railroad tracks for spurs, sidings or switches, other than those for street railways, to grant revocable permits for the use of streets for that purpose, subject to sections 10-108 and 10-206 of this Charter. [Ch. 1903, sec. 102; am. May 3, 1913, new sec. 68; rev. 1914, sec. 167; 1928 pub., sec. 167; 1942 recod., sec. 10-203.]

**Section 10-204. Agreements with Railroads.** The Council shall have power and authority by ordinance duly passed to agree with any corporation, firm or person constructing a commercial railroad and desiring to enter the City, upon the extent, terms and conditions upon which the streets, alleys, or public grounds of the City may be

appropriated, used or occupied by such railroad and upon the manner, terms and conditions under which the cars and locomotives of such railroad may be run over and upon such streets, alleys and public grounds; such agreement shall be subject to the provisions and requirements of sections 10-101 to 10-103, 10-105 to 10-108, 10-201 to 10-209, 10-212 and (e) and (f) of Section 10-210 of this Charter.

No exclusive right for the aforesaid purposes shall be granted to any corporation, firm or person and the use of all such rights shall at all times be subject to regulation by the Council.

In addition to the other requirements of this Charter every ordinance granting such right shall be upon the condition that such grantee shall allow any other railroad company to use in common with it the same track or tracks throughout their entire length between the extreme limits for which the franchise is granted including any private rights of way which may intervene upon obtaining the consent of the Council expressed by ordinance prescribing the regulations for such use, and the compensation therefor, each paying an equitable and proper proportion of the construction, maintenance and repair of the tracks and appurtenances and any private right of way used by such railroad companies jointly, such proportion to be fixed by the Council. [Ch. 1903; sec. 103; am. May 3, 1913, secs. 69 and 70; rev. 1914, secs. 168 and 169; 1928 pub., secs. 168 and 169; 1942 recod., sec. 10-204.]

**Section 10-205. Limited Time.** Franchises may be granted for a limited time in and upon the streets, highways and public places and property of the City of Portland, in the manner and subject to the conditions hereinafter contained. [May 3, 1913, new sec. 71; rev. 1914, sec. 170; 1928 pub., sec. 170; 1942 recod., sec. 10-205.]

**Section 10-206. Nonexclusiveness.** No exclusive franchise shall be granted nor shall any franchise, lease or rights be granted for a longer period than twenty-five (25) years. [May 3, 1913, new sec. 72; rev. 1914, sec. 171; 1928 pub., sec. 171; 1942 recod., sec. 10-206.]

**Section 10-207. Method of Granting.** Every franchise shall be embodied in an ordinance, which shall contain all the terms and conditions of the proposed grant, and shall be filed with the Auditor. Thereupon such proposed ordinance shall be published in full, once in the City official newspaper. There shall also be published, in a conspicuous place in such daily newspaper of the City having a circulation in excess of fifteen thousand (15,000), as the Council may direct, a notice prepared by the Auditor, that an application has been made for a franchise, giving the name of the applicant, the character and location of the proposed grant, and requesting any person having any objections to such proposed franchise or any provisions thereof to file the same in writing with the Auditor within twenty (20) days from the first publication of such notice. If the request is made therefor, the Council shall fix a time for a hearing upon such objections and give reasonable notice of the time thereof and not less than five (5) days. All of such publications and notices shall be at the expense of the applicants for such franchises.

Such ordinances shall not come up for first reading until after the expiration of the said twenty (20) days.

If such ordinance shall be amended, it shall be republished in the City official newspaper in full as amended.

No such ordinance granting a franchise shall be put on final passage within thirty (30) days after the first reading nor within twenty (20) days after any amendment thereto, and the affirmative vote of four (4) Commissioners shall be required to pass the same. [May 3, 1913, new sec. 73; rev. 1914, sec. 172; 1928 pub., sec. 172; 1942 recod., sec. 10-207.]

**Section 10-208. Effective Date.** No franchise shall take effect until sixty (60) days after its passage unless it shall receive a majority of the votes cast thereon at a referendum election held for that purpose within a less time. The filing of a petition for referendum shall defer the taking effect of a franchise until after the election. A petition signed by two thousand (2,000) registered voters shall be sufficient to call a referendum upon any franchise ordinance. [May 3, 1913, new sec. 74; rev. 1914, sec. 173; 1928 pub., sec. 173; 1942 recod., sec. 10-208.]

**Section 10-209. Specific Conditions.** Every franchise granted by the City of Portland shall contain full and explicit statements of its conditions in the following particulars:

- (a) In case of railroads and street railways it shall specify plainly the streets or other public places or parts thereof to which they apply. Any other franchises shall state the boundary of the district or districts within which they shall be exercised.
- (b) The amount and manner of payment of the compensation to be paid by the grantee for the right. The Council shall make an estimate of the cash value of any franchise upon the filing of the application, or an estimate for what it may consider fair compensation to the City for such franchise, and the same shall be entered upon the minutes of the proceedings of the Council and published with the published copy of the franchise. In lieu of a money valuation the Council may at its option declare what will be a reasonable reduction of fares, rates or charges, either at the beginning or progressively from time to time, to be made by the grantee in compensation for the grant.
- (c) The time of beginning the construction or other work thereunder, the estimated total cost of such work, the monthly or yearly sums of money to be expended thereon, and in case of franchises to transportation companies or other franchises covering certain streets or portion of streets, the time within which the work under such franchise shall be completed upon such streets or portions of streets, respectively.

- (d) Every grant of a franchise which provides for or permits the changing of rates, fares or charges shall contain a provision fixing the maximum that the holder can collect for services rendered by virtue of said franchise and the operation of the plant or property thereunder; subject, however, to the power of regulation prescribed in Section 10-108 of this Charter.

Rates, however, shall always be uniform to all persons of like classes, under similar circumstances and conditions.

[May 3, 1913, new sec. 75; rev. 1914, sec. 174; 1928 pub., sec. 174; 1942 recod., sec. 10-209.]

**Section 10-210. Conditions and Restrictions.** Every franchise granted by the City shall be subject to the conditions and restrictions hereinafter provided, to wit:

- (a) That the City may in lawful manner and upon the payment of a fair valuation lawfully ascertained, purchase, condemn, acquire, take over and hold the property and plant of the grantee in whole or in part; if such purchase or taking over be at the expiration of the term of the franchise such valuation shall not include any sum for the value of the franchise or grant under which such plant and property is being operated.
- (b) That upon payment by the City of Portland of a fair valuation, as above stated, the plant and property so acquired shall become the property of the City without formal execution of any instrument of conveyance; provided, however, the City may at its option compel the execution to it of an instrument of transfer and conveyance.
- (c) That upon the acquisition of any such plant or property the right of the holder of any such franchise pursuant to which such plant or property was operated shall cease and determine, and the acquisition by the City of any such property or plant shall operate to divest the holder of any such franchise of all right, title and interest therein.
- (d) No franchise shall be granted without fair compensation to the City therefor, either by way of direct payment or by reduction of rates, fares or charges, and in addition to the other forms of compensation to be therein provided, the grantee may be required to pay annually to the City such part of its gross receipts as may be fixed in the grant of said franchise. This provision shall not exempt the holder of the franchise from any lawful taxation upon its property nor from any license, charge or imposition not levied on account of such use.
- (e) Every franchise and all things constructed thereunder or used in connection therewith, other than rolling stock and power, shall be subject to common use by any person or corporation, including the City, operating a similar

public utility whenever it shall be advantageous to the public upon payment or tender of fair compensation for such use. The compensation for the franchise itself shall be payable only to the City and not to the holder of the original franchise.

The Council shall have power to determine what is a fair compensation and to regulate the manner of such use subject to judicial review, but no judicial proceedings shall suspend or postpone such use if the person or corporation desiring such common use shall deposit in the court such sum as the court on a preliminary hearing may determine.

Such compensation shall not include any remuneration for the franchise or rights conferred by the City, except that the new user may be required to pay a ratable part of any tax or public charge imposed upon the original grantee by reason of said franchise, in addition to such other payment to the City as the Council may deem equitable.

- (f) The holder for the time being of any franchise to construct or operate railways in the streets or public places shall keep those portions of streets or other places occupied by such holder in good order, as required by the Council, and shall pave, improve, or repair and maintain from time to time in the manner and within the time directed by the Council, that portion of the street occupied by it lying between the rails of any track and extending one foot outside of such rail and portion of the streets lying between the tracks.

In addition any franchise granted to any street or other railroad, for the operation thereof, may provide that the holder thereof for the time being shall pave, repave and keep in repair at the time and in the manner required by the Council any street or part thereof used pursuant to such franchise for the whole or any part of the entire width of the street.

Failure or neglect upon the part of any holder of a franchise to do the work in the manner and within the time required by the Council, shall constitute an offense punishable by a fine of not less than ten dollars (\$10) nor more than one hundred dollars (\$100) for each and every day such refusal or neglect shall continue.

[May 3, 1913, new sec. 78; rev. 1914, sec. 177; 1928 pub., sec. 177; 1942 recod., sec. 10-210.]

**Section 10-211. Additional Conditions.** The enumeration and specification of particular matters which must be included in every franchise granted shall not be construed to impair the right of the City to insert in such franchise such other and further conditions and restrictions as the Council may deem proper for the public welfare. [May 3, 1913, new sec. 77; rev. 1914, sec. 176; 1928 pub., sec. 176; 1942 recod., sec. 10-211.]

**Section 10-212. Written Acceptance.** Every grantee of any franchise, right or privilege shall within thirty (30) days after the ordinance granting the same shall be enforced, file with the City Recorder a written acceptance of the same, and a failure on the part of the grantee to file such written acceptance within the time specified shall be deemed an abandonment and rejection of the rights and privileges conferred, and the ordinance granting the same shall thereupon be null and void; such acceptance shall be unqualified and shall be construed to be an acceptance of all the terms, conditions and restrictions contained in the ordinance granting the same. [May 3, 1913, new sec. 76; rev. 1914, sec. 175; 1928 pub., sec. 175; 1942 recod., sec. 10-212; am. May 20, 1986.]

**Section 10-213. Statements.** Within ninety (90) days after this Charter shall take effect, the holder of any franchise shall file with the Auditor a full and correct statement of the franchise, rights and privileges owned or claimed to be owned, and shall designate the same by the numbers and titles of the ordinances by which such franchises were granted, and any holder of any franchise, on failure so to do, shall be guilty of an offense punishable by a fine of not less than ten dollars (\$10) and not more than one hundred dollars (\$100) per day while such refusal or neglect continue. The holder of every franchise, and the grantees of every franchise hereafter granted, on sale, transfer, mortgage or lease being made of such franchise, shall within sixty (60) days thereafter file with the Auditor a copy of the deed, agreement, mortgage, lease, or other written instrument evidencing such sale, transfer or lease, certified and sworn to as correct by the grantee, in person, if an individual, or by the president or secretary or authorized agent, if a corporation.

Every sale, transfer, mortgage or lease of such franchise, whether voluntary or involuntary, shall be deemed void and of no effect unless the grantee shall, within sixty (60) days after the same shall have been made, file such certified copy as required by this Section and consented to as provided in Section 10-216 of this Charter, also unless the Council agrees to such sale by an ordinance expressly passed for that purpose, as provided by Section 10-216.

The Auditor shall file all such documents and shall make and keep an index of the same in a book to be kept by the Auditor for that purpose, which book shall be a part of the public records of the City. [May 3, 1913, new sec. 80; rev. 1914, sec. 179; 1928 pub., sec. 179; 1942 recod., sec. 10-213.]

**Section 10-214. Records.** The City officer responsible for accounting shall keep a separate record for each grantee of a franchise from the City rendering service to be paid for wholly or in part by users of such service, which record shall show in the case of each such grantee:

1. The true and entire cost of construction, of equipment, of maintenance and of the administration and operation thereof; the amount of stock issued, if any; the amount of cash paid in, the number and par value of shares, the amount and character of indebtedness, if any; the rate of taxes, the

dividends declared; the character and amount of all fixed charges; the allowance, if any, for interest, for wear and tear or depreciation; all amounts and sources of income.

2. The amount collected annually from the City treasury and the character and extent of the service rendered therefor to the City.
3. The amount collected annually from other users of the service and the character and extent of the service rendered therefor to them. Such books of record shall be open to public examination at any time during City business hours. Such information, in addition to any further data which may be required by the City, under this Charter, shall be furnished by the grantees or holders of such franchises upon request, and at such grantee's own cost and expense.
4. In case any grantee or holder of a franchise fails or refuses to furnish such information when requested so to do on petition being presented on behalf of the City to the circuit court, such court shall have jurisdiction to compel such grantee or owner to furnish such information and tax the costs of such application against the defendant in such proceedings and in addition may impose a fine of not less than twenty-five dollars (\$25) nor more than five hundred dollars (\$500) for every such offense. All fines collected under this Section shall be paid into the General Fund. The procedure on such application shall be as far as possible analogous to that on mandamus.

[May 3, 1913, new sec. 81; rev. 1914, sec. 180; 1928 pub., sec. 180; 1942 recod., sec. 10-214; am. May 20, 1986.]

**Section 10-215. Nonabandonment.** No abandonment, nonuser or failure to comply with the terms of the franchise shall release the holder from any of the obligations thereof without the consent of the City expressed by ordinance which shall be subject to the referendum. Notwithstanding such abandonment the provisions of the franchise may be enforced, but upon abandonment, nonuser, or failure to comply with any of the terms of the franchises, the City may by ordinance declare a forfeiture, whereupon all rights of the holders of the franchise shall immediately be divested without a further act upon the part of the City, and in case of a franchise for occupancy of streets, the holder shall be required notwithstanding such forfeiture, to remove its structures or property from the streets and restore the streets to such condition as the Council may require or as may be stipulated in the grant; and upon failure to do so the City may perform the work and collect the cost thereof from the holder of the franchise. The cost thereof shall be a lien upon all the plant and property of the holder of the franchise, prior to any other lien except that of City assessments or general tax, and the City may collect the same as a City assessment or in any other lawful manner. [May 3, 1913, new sec. 83; rev. 1914, sec. 182; 1928 pub., sec. 182; 1942 recod., sec. 10-215.]

**Section 10-216. Assignments.** No franchise shall be sublet or assigned, nor shall any of the rights or privileges thereby granted or authorized be leased, assigned, sold or transferred without the consent of the City expressed by ordinance which shall be subject as other ordinances to the referendum. [May 3, 1913, new sec. 79; rev. 1914, sec. 178; 1928 pub., sec. 178; 1942 recod., sec. 10-216.]

**Section 10-217. Forfeiture.** All franchises or privileges heretofore granted by the City which are not in actual use or enjoyment or which the grantee thereof has not in good faith commenced to exercise within the time required by the terms thereof are hereby declared forfeited and of no validity. This Charter shall in no wise validate any contract, privilege or franchise not heretofore a legal and valid obligation of the City. [May 3, 1913, sec. 82; rev. 1914, sec. 181; 1928 pub., sec. 181; 1942 recod., sec. 10-217.]

**Section 10-218. Common Transportation Terminal.** It shall be the policy of the City of Portland to create a common transportation terminal, both land and water, embracing both sides of the harbor for its full extent in the City, which shall be subject to entry and use throughout its full extent by all common carriers on equal terms, as far as the property, rights and jurisdictions of the City may apply to secure same; and all such property, rights and jurisdictions of the City within one thousand (1,000) feet of meander line specified in Section 1-104 of this Charter shall be subject to use and demands for such common terminal purposes and needed connecting roadways, tracks and appurtenant facilities; provided that the public docks may be furnished with warehouses subject to lease.

All proposed franchises, grants, privileges, and public improvements and other improvements as far as the jurisdiction of the City may extend, affecting such territory must be considered in relation to said common terminal and adapted thereto in a systematic way, and shall to that end be submitted to the City Engineer and the official or officials in charge of the public docks for approval. Without the approval of these, it shall require a four-fifths vote of the Council to pass such measure. If the Council pass such measure without the approval aforesaid, the Mayor shall have the measure placed upon the ballot at the next ensuing regular election for approval or rejection by the people.

No grant or franchise affecting this territory shall confer any superior right that may operate to defeat the purpose of this act to protect the common access on equal terms in said territory and any provision in any grant or franchise contrary to said purpose shall be null and void.

The purpose of this act is to provide connections for and means of interchange of traffic upon the lines or tracks of all common carriers, public or private, with the greatest facility and economy and the least obstruction, inconvenience and cost possible. The City Engineer and the official or officials in charge of the public docks shall at once draw up such plan and elaborate and extend it from time to time to meet the purpose of this act as public needs develop.

In pursuance of the policy established by this amendment, the Mayor shall cause to be made an inventory of all public properties and rights within the one thousand (1,000) foot limit defined herein, and to have said properties defined and recorded, especially between meander and harbor lines, and utilize the same to the fullest possible extent in the development of the terminal plan herein provided for. And where, in such development, the City may lack jurisdiction for control, the Mayor and Council are required to use, under wise discretion, their best efforts to secure the jurisdiction and control necessary.

All acts and parts of acts in conflict with this act are hereby repealed. [June 2, 1913, new sec. 93-1/2; rev. 1914, sec. 183; 1928 pub., sec. 183; 1942 recod., sec. 10-218.]

## CHAPTER 11

### SPECIAL SERVICES

#### ARTICLE 1. WATER WORKS

**Section 11-101. General Authority.** The City may construct, reconstruct, purchase or otherwise acquire, keep, maintain, improve, alter and change water works and all plants and facilities found appropriate by the Council for furnishing water to the City, its property, its inhabitants, and the places and people along or in the vicinity of the pipes, conduits or aqueducts constructed or used for that purpose. The City may acquire by purchase or otherwise, own and possess real and personal property or interests therein, within and without the limits of the City, which the Council finds necessary or convenient. The Council may establish and maintain headworks and supply sources, with all convenient reservoirs, tanks, pumps, supply systems, distribution and related facilities, including land and interests in land, and may acquire other water systems serving property within present or future boundaries of the City. The Council may make all necessary expenditures to carry out these purposes and may enter into contracts for supply of water by the City or supply of water to the City or its inhabitants. Any surplus water may be sold to persons, public or private, outside the City, on terms and conditions the Council finds appropriate. [New sec. Nov. 8, 1966.]

**Section 11-102. Administration.** The City may employ personnel, contract for services and perform services under contract or otherwise, found necessary or convenient to carry out the powers granted in this Article. The Council may obtain materials and supplies and do any acts in the operation, maintenance, improvement and extension of City water works which the Council finds necessary or advantageous.

The Council may prescribe regulations relating to water supply, distribution and service, and may impose conditions, and require deposits or cost contributions for water main extensions and water distribution system. The Council may rent or lease equipment or facilities to or from others, and may sell or otherwise dispose of City property, facilities, supplies or equipment, as it finds convenient.

In the Bureau of Water, the Engineer in charge of the engineering staff, the person in charge of the business office, and the head of the Bureau shall not be subject to Civil Service requirements of this Charter. [New sec. Nov. 8, 1966.]

**Section 11-103. Water Bonds.** In order to provide funds for construction, reconstruction, replacement, extension, acquisition and maintenance of water plant and property, and the acquisition of water systems, the Council may issue bonds of the City in denominations and for terms the Council determines, in the same manner other bonds of the City are issued. These bonds shall be general obligations of the City, but primarily payable from water revenue. These bonds shall not be included within the debt limit elsewhere prescribed in this Charter. No bonds shall be issued under this section in any

year which, with the net outstanding water bond indebtedness, would exceed the total original cost of existing plant and property of the water works and system. [Nov. 8, 1932, new sec. 228-1/2; 1942 recod., sec. 11-201; am. May 16, 1952; rev. Nov. 8, 1966.]

**Section 11-104. Funds.** After payment of expenses for issuance of water bonds, the proceeds shall be placed in the Water Construction Fund.

Money from the sale of water and charges related to water works or service shall be placed in the Water Fund. After deducting sinking fund requirements, operating expenses of the water works and plant and the Water Bureau, which may include depreciation on plant and property, and maintenance expense found necessary or appropriate, the Council may transfer any excess in the Water Fund to the Water Construction Fund.

The Council may make transfers between funds in the Water Bureau, but the funds and accounts of the Water Bureau relating to water plant and works shall be separate from other accounts and funds of the City and treated as a separate municipal operation. The Council may impose charges it finds equitable upon the operation of the water system for municipal services of other departments, bureaus and officers, and may impose fees of the same character as for public utilities. Otherwise, money in the Water Fund or the Water Construction Fund shall not be transferred to the General Fund of the City, nor to special funds unrelated to the water works, water system and the sinking funds for water bond debt service. [New sec. Nov. 8, 1966.]

**Section 11-105. Rates and Charges.** For each fiscal year the Council shall fix water rates which will provide an estimated income to equal expenses and debt service relating to water bonds. No charge shall be made for water used in extinguishing fires in the City.

The Council may fix special charges for connections, disconnections, turn-ons, discontinuances of service, all special services or work, and other contingencies, situations or conditions, which it finds advantageous or appropriate from time to time. Charges and bills may be adjusted as found just and equitable. [New sec. Nov. 8, 1966.]

**Section 11-106. Collections.** The Council may make regulations, impose conditions, penalties and forfeitures and institute civil or penal process it finds necessary or appropriate to collect bills for water or charges, and in addition may refuse or discontinue water service to premises for which a bill or charge remains unpaid. Penal enforcement is subject to the penalty limitations fixed in the Charter for ordinance violations. [New sec. Nov. 8, 1966.]

**ARTICLE 2. SPECIAL FACILITIES.**

**Section 11-201. Municipal Auditorium.** The Council may construct, reconstruct, repair and maintain a building or buildings for use as municipal auditorium and related facilities. The Council may fix fees and impose charges for the use of auditorium facilities and services, and may waive or reduce the fees and charges to the extent it finds appropriate in the public interest. The Council or the Commissioner In Charge may make rules and regulations for management and control of the auditorium facilities and services. The Council may delegate management and control to any commission established by Charter, notwithstanding stated functions and limitations on that commission, or to any commission established by ordinance for that purpose. Employees and positions connected with the Municipal Auditorium and related facilities are not within the classified Civil Service of the City unless included therein by vote of the people. In case the revenues from the auditorium and any related facilities are insufficient to pay for maintenance and operation, the Council may pay the deficit out of the General Fund. The Council may permit use without charge of any surplus space in a building or facility, for the purposes of a nonprofit organization devoted in whole or in part to the preservation of matters of historical interest, and for use and occupancy by any bureau, department or office of City government. [June 5, 1911, new sec. 425-3/4; 1914 rev., secs. 239-248; 1928 pub., secs. 239-248; 1942 recod., sec. 11-1001; rev. Nov. 3, 1964, sec. 11-201; am. Nov. 8, 1966.]

**ARTICLE 3. SEWAGE DISPOSAL OR PURIFICATION.**

**Section 11-301. Sewage Disposal or Purification System.** The Council may construct, reconstruct, enlarge, alter, modify, equip, operate and maintain a sewage disposal or sewage purification system within or without the corporate limits or both, including but not limited to: all methods of storm drainage, intercepting sewers, diversion sewers, relieving or interconnection sewers, sewers to separate storm and sanitary sewage, pump or ejector stations and equipment, and plants for the treatment and disposal of sewage. For that purpose the City may acquire by any lawful means property, real or personal, interests in property, equipment, and related facilities and may make all expenditures which the Council finds necessary or appropriate to carry out such purposes, either within or without the corporate limits. The City may sell or otherwise dispose of any or all by-products or salvage products from this operation. The City also may contract with any other person, public or private, to further purification of public waters or protection of the public health. [Nov. 8, 1938, new sec. 347; 1942 recod., sec. 9-604; rev. Nov. 8, 1966.]

**Section 11-302. Service Charges.** For all purposes relating to design, construction, acquisition, operation, maintenance and contract requirements of sewage treatment or purification facilities and related facilities, the City may fix fees and charges for connection or use or both of sewers and sewage purification or disposal systems to be paid by property which is served or is capable of being served for use of the sewage disposal system. Sewer user service charges may be collected by the Water Bureau which shall

be compensated for such service as determined by the Council. The City may establish procedures for collection and may provide for penalties, interest and costs. The City may establish requirements and impose regulations as it finds appropriate. Sewer user service charges shall be paid for all premises connected with City sewers, directly or indirectly, notwithstanding that such premises may have been assessed or may in the future be assessed for construction of sewers under local improvement assessment procedures or may have otherwise paid for sewers.

The City may enter into contracts relating to sewage disposal, treatment or purification or all such functions. The City may impose charges for sewage transportation, disposal, treatment or purification or any or all such functions, on property outside the City served through City facilities, at rates no less than those imposed for similar service inside the City to similar classifications.

Proceeds of such charges shall be placed in the Sewage Disposal Fund, and may be expended for any matter connected with the sewer or sewage disposal or treatment system of the City, and bonded debt and debt service related thereto. [Added Nov. 8, 1938, sec. 347; 1942 recod., sec. 9-604; Nov. 8, 1960, new sec. 9-606; rev. Nov. 8, 1966 as sec. 11-302; am. May 26, 1970.]

**Section 11-303. Use of Sewers.** The Council may require any property located within one hundred (100) feet of a right of way in which there is a City sewer to connect to that sewer.

The Council may prohibit discharge of sewage or harmful matter or impurities into any stream or river within the City. This prohibition may extend to any source whatever, including ships, houseboats and water craft of all kinds. These sources may be required to connect to the City's sewer system when physically possible, or otherwise to construct and use a prescribed sewage or waste disposal system.

To facilitate sewage treatment and protect the City's sewage facilities, the City may limit the classes or kinds of sewage that may be discharged or may continue to be discharged into public sewers, may prohibit discharge of wastes other than domestic sanitary sewage into public sewers or facilities, and may require private pretreatment before discharge, upon terms fixed by the City Engineer. [New sec. Nov. 8, 1966.]

**Section 11-304. Intent of Article.** This Article shall be construed as granting additional authority, and not in derogation of any authority granted elsewhere in this Charter. This Article shall not affect authority of the Council concerning local sewer improvements and the assessment of benefits therefor. The Council also shall have all authority now or hereafter granted by statute concerning disposal and purification of sewage and waste. [New sec. Nov. 8, 1966.]

## CHAPTER 12

### PUBLIC FACILITIES AND WORKS

#### ARTICLE 1. RECREATION AREAS.

**Section 12-101. Parks and Recreational Areas and Facilities.** The Council may establish parks, playgrounds, recreation areas and facilities of all kinds. For that purpose the Council may acquire by purchase, condemnation, gift, grant, donation, exchange or otherwise, real and personal property and any interest therein; may rent or lease property of any kind for public use; and may construct, reconstruct, remodel, alter, repair, maintain, improve and equip areas and facilities which the Council finds necessary, appropriate or desirable, either inside or outside the City. The Council may exchange any property for other property which it deems more suitable or convenient for park and recreation use, and may dispose of the property not needed for those purposes. The Council may establish exhibits and conduct programs for the education or the furtherance of public enjoyment and recreation, and may change, alter or discontinue them. The Council may construct, reconstruct, alter, remodel, furnish and equip improvements found necessary or appropriate for the convenience of the public using park and recreation facilities, or of persons or employees conducting or assisting park or recreational programs or maintaining parks, areas, facilities, or improvements. The Council may contract with any public or private person in any matter relating to services or programs. The Council may do all things it finds necessary or convenient to promote recreational facilities and aesthetic enjoyment of the people, and the beautification of City property. [May 19, 1950, new sec. 9-605; rev. Nov. 8, 1966.]

**Section 12-102. Regulations and Restrictions.** The Council or the Commissioner to whom authority has been delegated may make regulations and impose restrictions on public use of parks, recreational areas and facilities as found needed and appropriate, may exclude some or all kinds of vehicles from all or particular areas of any park or facilities, may limit to a particular class or classes of persons those permitted to use any particular area or facility if the limitation is not based on race, color, creed or national origin, and may restrict the kinds and times of public use. [New sec. Nov. 8, 1966.]

**Section 12-103. Fees and Charges.** The Council may fix fees it finds reasonable for specialized facilities, special services, conveniences, materials or supplies used in a program and for special programs of all kinds. After their establishment, payment of the fees shall be a condition prerequisite to use or participation. Establishment and collection of fees does not change the public character of any area, facility or program. [New sec. Nov. 8, 1966.]

**ARTICLE 2. FINANCING OF REVENUE PRODUCING FACILITIES.**

**Section 12-201. Revenue Bonds.** For financing the acquisition of any public utility operating or to be operated within City jurisdiction, or of utility plant or property used or useful in connection with operation within the City, or for the construction, establishment or betterment of a facility inside or outside the City owned or to be owned by the City, and producing or intended to produce revenue, the City may issue and sell interest bearing revenue bonds. Revenue bonds shall not be a general liability of the City and shall be paid solely from the revenues derived from the facility and other pledged facilities or from the rental, lease or sale thereof. The Council may secure these bonds by mortgage or similar encumbrance upon the plant and property, may pledge the revenues thereof and revenues from similar facilities, and may agree in the bond that the rates and charges shall be fixed at specific, general or minimum amounts. Issuance of the bonds shall be pursuant to ordinance which shall be subject to referendum. The bonds shall be issued and sold the same as other bonds of the City. The proceeds derived from the sale of the bonds may be used for the costs of advertising, bond issuance and sale, legal fees and costs, planning, engineering, inspection, administrative costs, the acquisition by any lawful means of plant and property, real or personal, and interests in land and structures, construction, reconstruction, remodeling, equipment betterment, additions to and supply of the particular facility, and related matters. [New sec. Nov. 8, 1966.]

**ARTICLE 3. PERFORMANCE OF PUBLIC WORKS.**

**Section 12-301. Contract or Direct Labor on Public Work.** Subject to other requirements of this Charter, the Council may enter into contracts it finds in the public interest, for the design, construction, reconstruction, alteration, remodeling, repair or maintenance of any public work, improvement, facility or structure, including any local improvement, or may at its option directly employ labor for this purpose or any portion thereof or function connected therewith. The Council may by practice or regulation classify various improvements and functions, some of which may be performed under contract and others of which may be performed by direct labor. [New sec. Nov. 8, 1966.]

**Section 12-302. Production of Materials.** The Council may provide for the manufacture, compounding, mixture or production of any products, materials or supplies for use in public works, improvements or facilities, including local improvements, whether used by the City directly or by its contractor or contractors, but no such product, materials or supplies shall be sold to private persons for use in private enterprises in competition with private businesses. ## CHAPTER 13

### CHARTER REVISION AND INTERPRETATION

#### **ARTICLE 1. REPEALS, AMENDMENTS AND RE-ENACTMENTS.**

**Section 13-101. Effect of Repeal, Amendment and Substitution.** When a particular grant of authority contained in the Charter subsequently is removed, expressly or by implication, the prior grant of authority nevertheless shall continue in force unless specifically forbidden, to the following extent: if the City has contracted with another person under such authority, if the City has begun a public work, facility, structure, project or program pursuant thereto and termination would entail risk of City liability for damages, or if the Council finds that third persons have materially changed their position in reliance upon Council action thereunder, then the authority previously contained in the Charter shall continue until the contract, public work, facility, structure, project or program is completed, or the action carried out.

When a particular procedure is changed, expressly or by implication, proceedings pending or in process under the prior procedure may continue as though unchanged, or the Council may use the changed procedure for the balance of the proceedings after the change, or the Council may use the prior procedure in part and the changed procedure in part, as it finds appropriate or convenient. [New sec. Nov. 8, 1966.]

**Section 13-102. Continuance of Original Charter Provisions as Ordinances.** Ordinance provisions originally included in a Charter, subsequently continued as ordinances and not amended, repealed or superseded, shall continue in full force and effect as ordinances until amended, repealed or superseded by the Council. Reinclusion of the same authority or procedure in the Charter removes authority of the Council to affect them. [May 3, 1913, part of new sec. 96; 1914 rev. sec. 283; 1928 pub. sec. 283; 1942 recod., sec. 12-103; rev. Nov. 8, 1962.]

**Section 13-103. Procedural Ordinances.** When a Charter provision is to be implemented by general ordinance, lack of general ordinance setting forth the procedural steps shall not prevent an improvement, work or act. Existing ordinances may be followed so far as applicable, and the Council may, by resolution or ordinance relating to that improvement, work or act, carry out the public purpose by resolution or ordinance recognizing and approving the procedure followed. Lack of a general procedural ordinance shall not impair the validity of the proceedings. A subsequent general ordinance need not follow the same procedure.

In following procedures provided in this Charter, the Council by ordinance may fix additional procedures in any matter for which the procedures provided in this Charter are incomplete or silent. [New sec. Nov. 8, 1966.]

**ARTICLE 2. CONSTRUCTION AND INTERPRETATION.**

**Section 13-201. Restrictions and Limitations.** Any restriction or limitation imposed on the authority of the Council by Charter provision, applies only as its language explicitly and necessarily requires. Simultaneous or subsequent specification of authority is not exclusive and does not impair other or general authority and power granted by existing or future Charter provisions, by statute or by general law. Specification of procedures does not exclude other or alternative procedures unless expressly stated to be exclusive. The City has authority to carry out general or special powers expressed or implied by Charter, statute or general law, as the Council finds necessary or convenient. This Section applies, unless expressly negated, to all present and future Charter provisions. [New sec. Nov. 8, 1966.]

**Section 13-202. Intent of Reinclusion of Former Charter Provisions.** Whenever a provision in a City Charter has been continued as an ordinance provision and subsequently reincluded in the Charter without substantive change, the reincluded provision shall be a continuance of the prior Charter provision to the extent of its reinclusion as though continued in the Charter without interruption. [New sec. Nov. 8, 1966.]

**ARTICLE 3. PROVIDE FOR PERIODIC CHARTER REVIEW.**

**Section 13-301. Charter Commission.** From time to time, but no less frequently than every 10 years, the Council shall convene a Charter review commission ("Charter Commission") to review and recommend amendments to this Charter provided, however, that the first Charter Commission shall be convened no later than two (2) years after the effective date of this Article. The Charter Commission shall be reflective of the City in terms of its racial and ethnic diversity, age and geography. It shall be comprised of twenty (20) residents of the City. Each member of the Council shall nominate four (4) Charter Commission members who shall be subject to confirmation by the Council. The Charter Commission shall determine its own rules of procedure. No member of the Charter Commission shall serve as an elective officer of the City during his or her service on the Charter Commission. The Mayor or Council may request that the Charter Commission review specific sections of the Charter, but the work and recommendations of the Charter Commission shall not be limited to such specific sections. The Commission shall provide a written report of its findings to the City Council. [New Section May 15, 2007, effective January 1, 2009.]

**Section 13-302. Submission to Voters.** All Charter amendments proposed by the Charter Commission supported by an affirmative vote of at least fifteen (15) members of the Charter Commission, after a public hearing process prescribed by the Council, shall be submitted to the voters of the City of Portland at the next primary or general election that is at least 120 days after the date the recommendations are presented to the City Council. All Charter amendments proposed by the Charter Commission supported by an affirmative vote of a majority but less than least fifteen (15) members of the Charter

Commission shall be considered as recommendations to the City Council. The Council may, but is not required to, refer such proposed amendments to the voters of the City of Portland. [New Section May 15, 2007, effective January 1, 2009.]

**Section 13-303. Effective date.** This Article 3 of Chapter 13 shall take effect on January 1, 2009. [New Section May 15, 2007, effective January 1, 2009.]
