**1) Legislation Title:**

\*Accept and appropriate a grant in the amount of \$14,500 from State Historic Preservation Office for Survey of Unreinforced Masonry Buildings (Ordinance)

**2) Purpose of the Proposed Legislation:**

To authorize the City of Portland Bureau of Planning and Sustainability (BPS) to accept a Historic Preservation Fund grant in the amount of \$14,500 from the State Historic Preservation Office (SHPO). The grant supplements program funding for the City's historic resources program. The Historic Preservation section of the Bureau of Planning and Sustainability requested the grant as per Ordinance 185135.

**3) Which area(s) of the city are affected by this Council item? (Check all that apply—areas are based on formal neighborhood coalition boundaries)?**

**FINANCIAL IMPACT**

**4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.**

SHPO grant funds are appropriated for FY 2011-12 and will be appropriated in FY 2012-13 in the budget for Planning and Sustainability, Green Building Program (PNSD000002). This action will supplement the program budget.

**5) Expense:** What are the costs to the City as a result of this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the level of confidence.)

The grant requires a 1:1 match of \$14,500. General fund resources committed to staffing, materials and services of the Historic Preservation Program (Green Building Team) of the Bureau of Planning and Sustainability will supply the matching funds from its FY 2011-12 and FY 2012-13 budgets. No additional expenses will be incurred by this action.

**6) Staffing Requirements:**

- Will any positions be created, eliminated or re-classified in the current year as a result of this legislation? (If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)

None.

- Will positions be created or eliminated in future years as a result of this legislation?

None.

(Complete the following section only if an amendment to the budget is proposed.)

**7) Change in Appropriations** (If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)

Fund	Fund Center	Commitment Item	Functional Area	Funded Program	Grant	Sponsored Program	Amount

**PUBLIC INVOLVEMENT**

**8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:**

☐ **YES:** Please proceed to Question #9.

☒ **NO:** Please, explain why below; and proceed to Question #10.

This Council item generally responds to issues raised by citizen preservation groups who are concerned about threats to historic masonry buildings that may be at risk from natural disasters such as seismic activity, and/or at risk from safety issues and demolition in areas throughout the city, including "hubs" and commercial corridors. The Portland Historic Landmarks Commission was involved in the development of this Council item.

**9) If "YES," please answer the following questions:**

**a) What impacts are anticipated in the community from this proposed Council item?**

**b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?**

**c) How did public involvement shape the outcome of this Council item?**

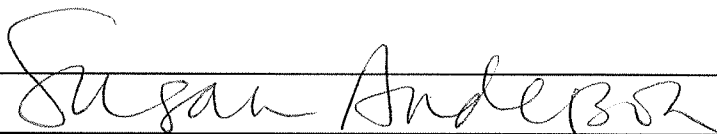

**d) Who designed and implemented the public involvement related to this Council item?**

**e) Primary contact for more information on this public involvement process (name, title, phone, email):**

**10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.**

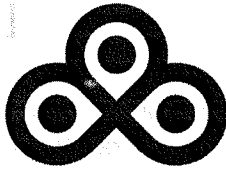

Future public involvement is not directly anticipated because this is a study of existing conditions. However this project will provide educational benefits that will be shared with the public. This project will also collaborate with organizations preparing public documents and holding discussions on seismic preparedness. A future phase of this work may include public involvement.

- 

3. **Council Date:** May 2, 2012
4. ☒ **Consent Agenda Item** ☐ **Regular Agenda Item**

☐ **Emergency Item** (explain below)

☐ **Non-Emergency Item**

There is an emergency clause so that procedures can occur to secure the grant for work to begin this fiscal year.

5. **Purpose of Agenda Item:**

The Historic Preservation section of the Bureau of Planning and Sustainability requested the grant. This grant will fund projects including inventory of historic masonry structures that are at risk from natural disasters and demolition, and it will supplement program funding for the City's historic resources program.

6. **History of Agenda Item/Background:**

The SHPO grants consist of federal and state funds and require a 50/50 match of local funds or donated services. The City of Portland has requested and received SHPO grants on a yearly basis since the mid-1990s. Grant funds have been used to supplement City funding for historic preservation programs and projects. Past projects have included improvements to the City's regulations affecting historic properties, and

historic inventory work in East Portland and Central Portland. Work under this grant will focus on inventorying historic masonry structures that are at risk from natural disasters and demolition and also located within identified "hub" areas, to aid in historic preservation planning and rehabilitation strategies. The grant application was authorized under Ordinance 185135.

7. **Legal Issues:** There are no known legal issues.
8. **What individuals or groups are or would be supportive or opposed to this action?**  
The Portland Historic Landmarks Commission and historic preservationists would be supportive of this action.
9. **How does this relate to current City policies?**

State Goal 5 includes a provision for the protection of historic resources in the State of Oregon. Portland Comprehensive Plan Goal 3 - Neighborhoods has policies that call for preserving and reinforcing the stability and diversity of the City's neighborhoods. Policy 3.4 Historic Preservation calls for preserving and retaining historic structures and areas throughout the city. Under Comp Plan Goal 12 - Urban Design, Policy 12.3 Historic Preservation calls for enhancing the city's identity through the protection of Portland's significant resources. Work under this grant will focus on gaining a greater understanding of historic resources that are at-risk from natural disasters and/or demolition. Therefore, the proposal supports and will help the city to comply with these goals and policies.
