FINANCIAL IMPACT**4) Revenue:** Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

This Ordinance increases project revenue by \$399,638 in subsequent fiscal years. This project is already in PBOT's Capital Improvement Program (Project Number T00083).

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the level of confidence.)

The cost to the City is \$399,638 and is fully funded by the Portland Development Commission. This Ordinance enables the Bureau of Transportation to budget project costs of \$1,182,730.64. \$399,638.00 will be reimbursed by PDC under this pending IGA for the construction phase. Other funding sources include \$261,133.79 to be reimbursed by the LID; \$27,000 has previously been reimbursed by PDC under an IGA for the development phase; and \$494,958.85 will be reimbursed by PDC under the previously-executed IGA for the design phase.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)*
No.
- **Will positions be created or eliminated in future years as a result of this legislation?**
No.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

☐ YES: Please proceed to Question #9.

☒ NO: Please, explain why below; and proceed to Question #10.

Outreach has already occurred with local property owners, nearby residents and with the Powellhurst-Gilbert Neighborhood Association. These stakeholders are already aware of the project and are expecting construction to occur.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

c) How did public involvement shape the outcome of this Council item?

d) Who designed and implemented the public involvement related to this Council item?

e) Primary contact for more information on this public involvement process (name, title, phone, email):

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

This ordinance allows the Bureau of Transportation to advertise for bids to construct this project in summer or fall 2012, as is expected by the community. Separate outreach is ongoing on final design and upcoming construction of the project.
