Thanks for your time this afternoon, Sue. We would like to have a time on the March 17 council agenda for this proclamation. I will also work with Amanda Fritz' office on additional possibilities. Previously I sent the proposed proclamation to Grace. This would be the second such proclamation from the city.

Let me know if you need additional information

sincerely

Thank you for your email, John. I will reserve a spot for you on the Communications portion of the March 17th Council agenda. If other presentation plans work out for you with Commissioner Fritz' office, please let me know.

Here is further information on the Communications:
You will have three minutes to address the Council and may also submit written material (please provide seven copies).

We start the meeting at 9:30 and Communications are the first item on the agenda.

Please note communications allow the Council to hear issues that interest our citizens, but do not allow an opportunity for dialogue.

The Council meeting takes place at City Hall, 1221 SW 4th Ave., 2nd Floor, Council Chambers.
