Dear Ryan,

Thank you for your request to address the Portland City Council. Unfortunately, all 5 spots on February 3rd have been filled. The next available date is February 10th. I will put your name down for that date.

City Code requires individuals to schedule their own Communications so Jared and Angela will have to send me their request and it should include their name, address, phone number and what it is they will be speaking about. Have them send them as soon as possible as we do not hold spots. Currently there are 4 more spots available on February 10th and all members of Council are expected to be in attendance that day as well.

If you all want to come up at the same time the first person speaking will have to ask the Mayor (or President of the Council if the Mayor is absent) to do this.

Regards,  
Karla
