Re: Free Geek program update to City Council

---

In 2008, the City entered into an agreement to donate surplus City IT equipment to the local non-profit recycling organization Free Geek. Free Geek would, in turn, recycle the equipment and donate it to Portland community members and non-profits. Staff from Free Geek will update the City Council at the February 24 Council hearing on the agreement.

Free Geek program update (Presentation introduced by Commissioner Saltzman)
