Hi there,
We spoke on the phone a couple times Friday.
My name is Kiah Stern and I am emailing you to confirm the city council spot for May 30th that you were holding for me.

I would be speaking about education and the budget cuts that have effected so many students, teachers, and parents. I would like to get help from city council and show them how much of a problem this is and see if we can find a long-term solution.

If there are any cancellations before the 30th like the 16th or the 23rd please contact me, I would like that spot.

Thank you,
Kiah Stern
