Subject: Re-appointments and Appointment to the Electrical Code Board of Appeal

**Re-appointments**

We are recommending reappointment of the following members who have served in this capacity for several years. We are fortunate and pleased to have them continue in this important role. Their time and contributions continues to be a benefit to the City's safety, livability and economic vitality.

Matt Dhillon, Chuck Mello, Jim Ferris, and Jeanette McLearn's terms expired in August 2008. However, they have continued to serve on the Electrical Board of Appeal since that time. The board meets approximately once or twice a year. I am recommending **Matt Dhillon** move from the Electrical Engineer alternate position to the Electrical Engineer position replacing Chuck Mello. I am recommending **Jim Ferris** continue as the Electrical Contractor member. Chuck Mello and Jeanette McLearn (alternate) have completed their terms. Matt Dhillon and Jim Ferris' terms will expire on August 31, 2011.

**New Appointment**

Randal Crowe's term expired in August 2008. Mr. Crowe has served on the Board since 1994. The Bureau of Development Services and the City has benefited greatly from his dedication and service. Mr. Crowe has continued to serve on the Board since that time. I am recommending **John McCamish** fill the Journeyman Electrician position replacing Mr. Crowe. Mr. McCamish's term will expire on August 31, 2011.

**Summary**

With these appointments, the Electrical Board has two vacant alternate positions and one alternate position that will become vacant on September 20, 2009. BDS staff is currently seeking alternate members and will submit a Report to Council when this process is completed.

***Electrical Code Board of Appeals:***

The Electrical Code Board of Appeals hears appeals where an applicant is aggrieved by the findings of the Director. Three members and three alternates are appointed by the Mayor to serve on the Electrical Board of Appeals. Appeals heard by the board are appeals of actions taken by the Administrative Appeals Board.

One member and one alternate member are Oregon licensed journeymen electricians whose experience and training provide expertise on matters contained in PCC Title 26. One member and one alternate member are Oregon registered electrical engineers with substantial experience in electrical design and construction. One member and one alternate member are electrical contractors experienced in electrical design and construction. Board of Appeal members and alternate members serve three-year terms.
