

ORDINANCE No. 185487

*Authorize an Electric Line Easement with Portland General Electric across a portion of City-owned property in the vicinity of N Columbia Blvd and N Peninsular Ave (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Portland General Electric Company (PGE) has requested an easement four (4) feet in width over a distance of approximately twenty (20) feet over a portion of City-owned property controlled by the Bureau of Environmental Services.
2. The easement is requested for the purpose of constructing, accessing and maintaining an anchor wire, and all uses directly or indirectly necessary thereto.
3. The Electric Line Easement attached as Exhibit A provides for conditions advantageous to the City and provides for payment to the City in the amount of \$2,000.

NOW, THEREFORE, the council directs:

- a. That the Bureau of Environmental Services is authorized to grant the easement in a form substantially the same as Exhibit A attached hereto.
- b. In consideration of the privileges granted by the easement, Portland General Electric Company shall pay to the City a sum of \$2,000, to be deposited in the Sewage Disposal Fund, Account 600000.

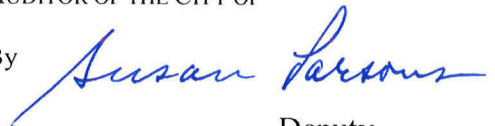

Section 2. The Council declares that an emergency exists because a delay in granting the easement would result in the delay of providing necessary upgrades to the electric power infrastructure. Therefore, this ordinance shall be in full force and effect from and after its passage by the Council.
