**YES:** Please proceed to Question #9.

**NO:** Please, explain why below; and proceed to Question #10.

**9) If “YES,” please answer the following questions:**

**a) What impacts are anticipated in the community from this proposed Council item?**

As part of the 2011-2016 Consolidated Plan and 2011-2012 Action Plan, the City allocated \$10 million in federal housing and community development funds to its community partners to implement strategies to preserve and develop affordable housing; provide housing access and stabilization services to people experiencing homelessness and others facing barriers to housing.

The unmet housing and service needs of homeless persons is clearly documented in the 2011-2012 Action Plan. By providing this piece of City property at Sunderland Yard, Dignity Village will provide a safe, designated campground for 50 to 60 people per night to sleep safely each night of the year of the three-year grant.

**b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?**

As required by federal regulations, a Citizen Participation Plan (CPP) describing the overall framework for public involvement was developed and adopted with the 2011-2016 Consolidated Plan.

A series of hearing and public meetings were held regarding the development of the Plan, in all areas of the city to ensure access to a broad range of community members. Translation services were provided when requested. All hearings locations were accessible to persons with disabilities. All documents were posted on the Portland Housing Bureau website.

As part of the Plan, the Portland Housing Advisory Commission (PHAC), the bureau’s advisory body, reviewed the Plan and its recommendations. The Federal Funding Oversight Committee, a representative body of the three jurisdictions (Portland, Gresham, and Multnomah County) also reviewed the Plan.

**c) How did public involvement shape the outcome of this Council item?**

In the Consolidated Plan process, public involvement affected the City’s understanding of community needs. For this particular initiative needs include addressing the increase in homelessness, continued lack of affordable housing.

**d) Who designed and implemented the public involvement related to this Council item?**

PHB staff.
