

ORDINANCE No. 185493

*Authorize Memorandum of Understanding with 211 info and Multnomah County to define working relationship in preparing for and responding to emergencies (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. 211info (211) provides free guidance to people in need by connecting them with thousands of community resources that can help.
2. The purpose of this Memorandum of Understanding (MOU) is to define a working relationship between 211, Multnomah County Emergency Management (County) and the City of Portland Bureau of Emergency Management (City) in preparing for and responding to emergencies. This MOU provides the broad framework for cooperation and support among 211, the County and the City in assisting individuals and families who have been impacted by an emergency by providing information services through 211's operation as the Public Inquiry Center (PIC) during times of disaster and other times as designated by mutual agreement. The PIC is intended to serve as a central location for answering inquiries from the public and disseminating approved messages.
3. Prior to an emergency or disaster, 211, the City and the County will coordinate their preparedness activities to improve disaster response. The three will work together to develop plans and secure resources to facilitate delivery of services before, during and after disasters. This may include, but is not limited to, providing 211 with information about pre-designated areas for disaster supplies and/or shelter as well as those services that target people with disabilities and/or functional and access needs during an emergency.

NOW, THEREFORE, the Council directs:

- a. The Mayor is authorized to execute a Memorandum of Understanding between 211info, the City and County, as outlined in a form substantially in accordance with the attached Exhibit A.

Section 2. The Council declares that an emergency exists because there is no way to predetermine when a disaster may strike, or when the citizens of the City of Portland need to have these services available; therefore, this ordinance shall be in force and effect from and after its passage by the Council.
