RE: Typo in Section 14A.110.280

The City Attorney's office has approved the correction of a typo in Section 14A.110.280. A comma will be added following the word "officer" and the word "or" will be removed as shown below:

## 14A.110.280

No person, except a peace officer, ~~or~~ shall bring or carry aboard a Portland Streetcar vehicle or to a station any firearm, knife (except a folding knife with a blade less than 3 1/2 inches in length) or any other instrument, article, device, material or substance specifically designed to inflict or cause bodily harm to another. Where possession of such weapons cannot be prohibited by law, a person in possession of a weapon may not display or carry the weapon in a manner which is likely to result in fear or alarm by other persons or Portland Streetcar employees.
