FINANCIAL IMPACT

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

This legislation will authorize the issuance of a Request for Proposals and will have no direct financial impact. If a proposal is selected and an automatic passenger counting system is purchased, a separate Council action will be required.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the level of confidence.)

There are no expenses related to running the competitive solicitation process. However, the automatic passenger counting system is expected to cost up to \$166,000. This amount has been budgeted for FY 2012-2013 in T00014.C09.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)* No. If an automatic passenger counting system is purchased, it will be operated and maintained by existing personnel.
- **Will positions be created or eliminated in future years as a result of this legislation?** No.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*
