

ORDINANCE No. 185522

*Authorize an Intergovernmental Agreement for Student Transit Pass Program between TriMet, Portland Public Schools and the City (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. TriMet, Portland Public Schools (PPS), and the City previously entered into student transit pass project(s) agreements supported by funding from the Oregon Department of Energy Business Energy Tax Credits (BETC) Program.
2. In 2011, the Oregon Legislature eliminated the BETC Program funding for student transit passes.
3. Recognizing the benefit that student transit passes provide to PPS high school students, the parties have worked together to designate replacement funding for a Student Transit Pass project in an environment of extremely tight budgets.
4. The purpose of this agreement is to implement a new Student Transit Pass project under revised funding terms that would provide free transportation on regular TriMet service routes and Portland Streetcar to 9th through 12th grade students enrolled at PPS high schools, including designated programs within the Education Option Department for the fall and spring terms during the period of September 1, 2012 through June 14, 2013.
5. Additionally, the parties will form a work group to seek and develop sustainable funding sources for future extensions of the Student Transit Pass program.

NOW, THEREFORE, the Council directs:

- a. That the Mayor is authorized to sign the attached Agreement, substantially in accordance with the original of this ordinance and, by reference, made a part hereof.
- b. Portland Transportation is directed to make payment to TriMet in the amount of \$200,000, as specified in the Agreement.

Section 2. The Council declares that an emergency exists because a delay in proceeding could delay implementation of the Student Transit Pass program for the upcoming fall school session; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
