Hello Ms. Moore-Love-

I am a representative from Friends for Responsible Growth contacting you regarding our presentation to City Council on September 12, 2012. We have 5 slots semi reserved from 9:30 on. I'd like slot #4 if possible. I will be addressing responsible growth and how it fits into the neighborhood context in relation to the topic of development of large apartment buildings with no parking throughout the inner east side. I will address the impact of multiple new high density apartments on current neighbors.
