FINANCIAL IMPACT

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

Funds in the amount of \$16,000 will be appropriated in the FY 12-13 budget for the Bureau of Planning and Sustainability.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in future years. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)

Funds from Metro through this Agreement are to be used to provide staffing to support waste reduction and recycling outreach and assistance for multifamily communities within the boundaries of the City of Portland. The agreement authorizes staffing to be obtained in one or more of the following ways: 1) hiring of temporary personnel or contractor or 2) paid intern.

6) Staffing Requirements:

- Will any positions be created, eliminated or re-classified in the current year as a result of this legislation? (If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.) NA
- Will positions be created or eliminated in future years as a result of this legislation? NA

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations (If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)

PUBLIC INVOLVEMENT

8) Was public involvement included in the development of this Council item (e.g. ordinance, resolution, or report)? Please check the appropriate box below:

- YES:** Please proceed to Question #9.
 NO: Please, explain why below; and proceed to Question #10.

This council item authorizes an IGA between the City of Portland and Metro to pay for education and outreach efforts to promote recycling in multifamily housing in 2012-2013. Based on the dollar amount, longstanding history of the program and existing policy framework, we considered additional public involvement unnecessary.

9) If "YES," please answer the following questions:

a) What impacts are anticipated in the community from this proposed Council item?

b) Which community and business groups, under-represented groups, organizations, external government entities, and other interested parties were involved in this effort, and when and how were they involved?

c) How did public involvement shape the outcome of this Council item?

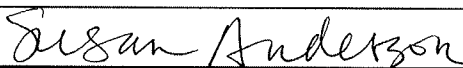

d) Who designed and implemented the public involvement related to this Council item?

e) Primary contact for more information on this public involvement process (name, title, phone, email):

10) Is any future public involvement anticipated or necessary for this Council item? Please describe why or why not.

Much of the work will be direct outreach and partner-based.

4. **Consent Agenda Item** **Regular Agenda Item**

Emergency Item (explain below)

Non-Emergency Item

5. **Purpose of Agenda Item:**

This Intergovernmental Agreement (IGA) authorizes the City's acceptance of \$16,000 from Metro to support recycling and waste prevention through educational efforts in multifamily housing in Portland.

6. **History of Agenda Item/Background:**

The City receives grants from Metro for programs that encourage waste management and recycling in the city and regionally. The City's Solid Waste and Recycling Administrative Rules mandate that recycling and garbage companies collect recyclables from multifamily complexes, which include buildings with five or more units on single tax lots. To support property managers, tenants and garbage and recycling companies, the City provides education, resources and technical resources. Staff sponsored by the Bureau of Planning and Sustainability perform outreach efforts. In the past year the City employed the services of an AmeriCorps volunteer but will use in-house staff in 2012-2013.

7. **Legal Issues:** None.
8. **What individuals or groups are or would be supportive or opposed to this action?**
Supporters include Metro, recycling advocates, Portland businesses and surrounding local jurisdictions that employ best management practices for business recycling and waste prevention.
9. **How does this relate to current City policies?**
The City has aggressive recycling and waste prevention goals that must be achieved and recycling requirements with which the commercial sector makes a significant contribution.
