

# Potentially Contaminated Sites - HAZ-05

BUILDABLE LANDS

## COMPREHENSIVE PLAN

185657

- ▲ Leaking Underground Storage Tank
- ▲ Environmental Cleanup Sites
- City Boundary

Environmental Cleanup Sites I (ECSI) mapped by Bureau of Environmental Services using Dept. of Environmental Quality data (2011). Developed only as a flagging mechanism during the construction permitting process. Note: confirmed release sites (CRLs) are a subset of the ECSI.

Leaking Underground Storage Tanks (LUST) original data from Dept. of Environmental Quality (2011). Locations where cleanup complete or started or no further action required removed.

**Bureau of Planning and Sustainability**  
Innovation. Collaboration. Practical Solutions.  
City of Portland, Oregon  
Sam Adams, Mayor • Susan Anderson, Director

June 5, 2012 City of Portland | Bureau of Planning and Sustainability | Geographic Information System  
The information on the map was derived from digital data-bases on the City of Portland, Bureau of Planning and Sustainability GIS. Care was taken in the creation of this map but it is provided "as is". The City of Portland cannot accept any responsibility for error, omissions, or positional accuracy, and therefore, there are no warranties which accompany this product. However, notification of any errors will be appreciated.  
This work was supported in part by a periodic review grant from the Oregon Department of Land Conservation and Development.
