Subject: October 24th Council agenda

Karla,

I would like to request a three minute presentation on the Council's agenda for October 24th. The Council is recognizing the national Food Day on October 24th and I would like to give an update on Zenger Farm and how it has grown in its role as a city asset that is combating the root causes of hunger, providing food and nutrition education, and promoting environmental stewardship.

Zenger Farm is a 16-acre property owned by the City of Portland's Bureau of Environmental Stewardship and Friends of Zenger Farm has a free long-term lease with the city to provide farm-based education to residents. Since the organization was founded in 1999 it has grown from serving 100 youth and adults a year to 7,000. I look forward to the opportunity to share the farm's successes with Council.

Thank you,

Jill Kuehler
