

## Winter Shelter and Services for Persons Experiencing Homelessness in Portland & Multnomah County, Oregon • 2012-2013

The City of Portland and Multnomah County fund year-round, winter, and severe weather emergency shelter. There are also privately-funded organizations that provide shelter services. There are 677 emergency shelter beds available year-round.

**Winter shelter** is available from November 1-March 31, unless otherwise indicated below. Approximately 270 additional beds are available during the winter season for men, women, and families. See the detailed numbers below for specific programs.

**Severe weather emergency shelter** is also available when the City declares a **Severe Weather Notice**, based on temperature/wind chill at 25°F or less, or other life-threatening weather conditions. When severe weather is declared, up to 240 additional beds may be made available for homeless persons.
