

ORDINANCE No. 185709

Authorize Pretreatment Program Implementation Agreement with Clean Water Services for sewer services (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The Wholesale Sewer Service Agreement between the City of Portland ("the City") and Clean Water Services ("CWS," then known as the Unified Sewerage Agency) was adopted on May 20, 1998 (Ordinance #172285) and amended for pretreatment program clarification on March 15, 2000 (Ordinance #174250) (collectively, "the 1998 Agreement," as amended.)
2. The 1998 Agreement governs the overall relationship between the parties relating to the conveyance and treatment of sewage and pretreatment from areas of the City that drain by gravity to CWS' system and from within the Fanno Creek Basin area, which includes portions of both the City and CWS served by the City's Fanno Basin Pump Station.
3. These areas include regulated industrial users, and the City and CWS are required by their NPDES Waste Discharge Permits to implement and enforce pretreatment programs to control discharges from industrial users of their wastewater treatment systems.
4. Both parties are currently proposing a new wholesale sewer service agreement to replace the 1998 Agreement and have decided to address the pretreatment responsibilities of the parties in a separate agreement.
5. The attached Pretreatment Program Implementation Agreement between the City and CWS has been successfully negotiated between both jurisdictions' staff, including the City Attorney's Office, and will be executed in multiple counterparts as both parties will be approving the agreement concurrently.

NOW, THEREFORE, the Council directs:

- a. The Commissioner of Public Affairs is authorized to execute a pretreatment program implementation agreement with Clean Water Services for the purpose described in Section 1, substantially similar in form to the agreement attached as Exhibit A.
- b. The Director of the Bureau of Environmental Services is authorized to execute amendments to the agreement.

Passed by the Council,
Dan Saltzman
Commissioner of Public Affairs
