Plan District: Central City - Lloyd District

Zoning: CXd - Central Commercial zone with a Design overaly

Design District: Central City - Lloyd
Historic District: None
Case Type: DA, Design Advice Request
Procedure: A public meeting with the Design Commission to provide informal, advisory response for the applicants/owners to consider in preparation of a potential future land use review application.

Proposal:

The applicant seeks design advice on a potential development of a 6-story, 75' tall, mixed use building on the property bounded by NE Broadway Street, NE Weidler Street, NE 2nd Avenue and NE 3rd Avenue. The original proposal was for a full block development, which the Design Commission provided feedback on at their meeting on August 9, 2012. Since then, the project scope has changed to reflect a reduction in site area, which now excludes the two lots at the southwest corner of the block currently developed with residential structures occupied with offices.

The redesigned building would retain the L-shaped mass arranged along NE Broadway Street and NE 3rd Avenue. An outdoor plaza and open space on the rooftop of the 2nd floor has been shifted from the southwest corner to the center of the block along NE Weidler. The fully structured parking has also changed to include some surface spaces and functions. Eighteen surface parking spaces are proposed in the center of the block and includes two drive-through lanes for the primary retail tenant (bank). Parking for the residents would in a below-grade garage with 70 spaces. Site access remains unchanged with a one-way entry off of 2nd and a one-way exit onto 3rd.

The 99 residential units has not changed from the original proposal. Reductions have occurred in the non-residential floor area from the original DAR; the ground level retail floor area from 16,360 SF to 14,170 SF and the second floor office area from 29,525 SF to 21,796 SF. The primary commercial tenant for some of the retail and all of the office would be a credit union bank and headquarters.

Approval Criteria:

If a formal land use review application were submitted in the future for the proposed development, it would be reviewed in accordance with the relevant approval criteria of Title 33, Portland Zoning Code.

The applicable approval criteria could include some or all of the following: 33.130, Commercial Zones; 33.420, Design Overlay Zone; 33.510, Central City Plan District; 33.825, Design Review; the Central City Fundamental Design Guidelines; and the Lloyd District Design Guidelines.

If requested, Modifications would be reviewed against 33.825.040, Modifications That Will Better Meet Design Review Requirements.

If requested, Adjustments would be reviewed against 33.805.040, Adjustment Approval Criteria.

This application was submitted on June 20, 2012.

Purpose of a Design Advice Request

Design Advice Requests are not intended to substitute for other Code-required land use or legislative procedures. Purposes served by Design Advice Requests might include the following:

- Early feedback on atypical building types or configurations unable to draw on other prior project approvals to assess approval potential.
- Projects which, for various reasons, anticipate including elements that do not appear to conform to design guidelines, and which may require a waiver of one or more design guidelines.
- Unique urban design schemes for which interest or support is sought prior to approaching other agencies.

Process

The Portland Zoning Code affords the opportunity for parties interested in bringing matters before the Design Commission outside of other prescribed regulatory or legislative processes. The relevant Code chapter reads as follows:

33.730.050 F. Other pre-application advice.

An applicant may request advice from the Design Commission or Historical Landmarks Commission prior to submitting a land use request that would be heard by these commissions. These requests are known as "Design Advice Requests". These requests do not substitute for a required pre-application conference with the BDS staff and other City urban service or technical representatives.

The general order of appearance for those attending the meeting is as follows: Bureau of Development Services introduction, applicant presentation, clarifying questions about the proposal by the Commission, public comment, informal discussion about the proposal between the Commission and the applicants, and Design Commission final comment. There will be no final decision about this proposal during this Design Advice Request process.

At the request of the Commission, a submittal for a Design Advice Request may be continued to a future date for further discussion.

Opportunity for Public Comment

The neighborhood association, listed on the first page of this notice, may take a position on the proposed development and may have scheduled an open meeting prior to providing comment to the Design Commission. Please contact the person listed as the neighborhood contact to determine the time and date of this meeting.

The public meeting with the Design Commission will provide an opportunity for parties to submit oral and written comment on this matter. To comment, you may write to the Design Commission, 1900 SW Fourth Ave., Suite 5000 or FAX your comments to 503-823-5630; or you may attend the meeting to provide comment. Please refer to the file number when seeking information or submitting comment.

A Design Advice Request file is available for your review by appointment. Please contact the file review at 503-823-7617 to schedule a time. I can provide some information over the phone. Copies of all information in the file can be obtained for a fee equal to the cost for such services. You may also find additional information about the City of Portland and City Bureaus as well as a digital copy of the Portland Zoning Code, by visiting the City's homepage on the Internet at www.ci.portland.or.us.

Design Advice Request Results

Design Advice Requests will provide informal, advisory response only. Responses received at the meeting may inform City staff when processing future land use reviews, but will not be considered a formal directive from the Commission. The Commission may offer future procedural or design direction, and may also offer a preliminary assessment against approval criteria that would apply were the proposal to be reviewed formally through the land use review process. Comment provided at the meeting will be documented by City staff, and will be available for further and future reference.

Meeting Cancellation

This public meeting will be cancelled if Portland Public Schools close due to inclement weather or other similar emergency. Check local television and radio reports for school closures. The meeting will be rescheduled for the earliest possible date. A renotification notice will not be sent. Please call the Bureau of Development Services at 503-823-7617, for immediate information regarding cancellations or rescheduling. To attend the meeting, public transportation is available. Tri-Met buses stop near the BDS building at SW Fifth or Sixth Ave. at SW Hall St. and SW Harrison St. Call Tri-Met at 503-238-7433 (or www.tri-met.org/routes_times.htm) for routes and times. Hourly rated public parking is available a half block south of the building on Fourth Ave.

The Bureau of Development Services is committed to providing equal access to information and hearings. Please notify us no less than five business days prior to the event if you need special accommodations. Call 503-823-7300 (TTY 503-823-6868).
