

**ORDINANCE NO.**

**185792**

Authorize the Portland Water Bureau Administrator to sign a Net Metering Agreement with Portland General Electric for the Powell Butte Reservoir 2 Project solar electric generation system (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The City of Portland recognizes the importance of encouraging development of alternative and renewable energy generation sources to increase environmental quality and livability of the City of Portland.
2. The City also considers that the development of renewable energy sources will be to the long-term advantage of its ratepayers, increasing the economic and environmental sustainability of the water system.
3. The City actively supports community values on environmental stewardship and is committed to reducing the impacts from various City operations.
4. The City is required to execute a Net Metering Agreement with Portland General Electric for the Water Bureau's Powell Butte Reservoir 2 Project's solar electric generation system.
5. A Net Metering Agreement with Portland General Electric establishes that all power generated by the solar facility over the course of a year will be applied towards and offset any power used by the facility.
6. There are no funds requested for this action.

NOW, THEREFORE, the Council directs:

- a. That the Water Bureau Administrator is authorized to execute on behalf of the City a Net Metering Agreement with Portland General Electric in a form substantially in accordance with the amendment attached as Exhibit A.
- b. Amendments to the Net Metering Agreement may be agreed to and executed by the Water Bureau Administrator.
