

ORDINANCE No. 185793

* Authorize application to the U.S. Department of Housing and Urban Development for a grant in the amount of \$4,000,000 for the implementation of lead-based paint hazard control activities and administration. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds that:

1. Lead-based paint hazards are the number one environmental health hazard facing American children. Research has indicated that low levels of lead exposure significantly affect IQ, reading and learning ability, attention span and behavior. Population studies show that one in ten Latino, Native American, and African-American children residing in the City of Portland have lead concentrations in their blood greater than the federal acceptable level.
2. The U.S. Department of Housing and Urban Development has made available a Notice of Funding Availability for Lead-Based Paint Hazard Control Grant Program funds. These funds are available to undertake lead-based paint hazard control activities, the training of low-income workers to become certified Lead Hazard Abatement Workers, and for community outreach and education.
3. The Portland Housing Bureau is responding to the Notice of Funding Availability with an application for \$4,000,000 in federal funds.
4. The grant for the U.S. Department of Housing and Urban Development requires a ten percent (10%) local match. Local match will be provided in the form of community education and outreach funding from the Portland Water Bureau in the form of rate payer dollars.

NOW THEREFORE, The Council directs that:

- A. The Mayor is hereby authorized to make application to the U.S. Department of Housing and Urban Development for a grant in the amount of \$4,000,000.
- B. The Mayor is authorized to provide such information and assurances as are required for the grant period.
- C. The Office of Management and Finance Grants Office is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.

Section 2. The Council declares that an emergency exists since the application must be submitted to the U.S. Department of Housing and Urban Development in Washington, D.C. no later than January 20, 2012; therefore this ordinance shall be in full force and effect from and after its passage by the Council.
