

## ORDINANCE No. 185820

\*Amend Intergovernmental Agreement with Oregon Department of Transportation to extend the completion date for the SW Moody Avenue Project: SW River Parkway to SW Gibbs (Ordinance; amend Contract No. 30001376)

The City of Portland ordains:

Section 1. The Council finds:

1. In 2003, the Portland Bureau of Transportation (PBOT) and the Oregon Department of Transportation (ODOT) agreed to a set of principles for traffic management in North Macadam that provided for interim and final improvements to SW Macadam and the northbound I-5 off ramp.
2. City Council passed Resolution No. 36441 on October 4, 2006, establishing a finance plan for the North Macadam Access Improvements Project to identify revenue sources for the improvements from the City of Portland and ODOT, including Oregon Transportation Investment Act (OTIA) funding.
3. City Council passed Resolution No. 36696 on April 8, 2009, adopting the North Macadam Transportation Development Strategy. Based on expected growth in traffic volumes, the plan identifies improvements to the area to meet operational standards for the City of Portland. The SW Moody Avenue: SW River Parkway – SW Gibbs Street improvements are identified in the North Macadam Transportation Improvements.
4. On October 21, 2009, the Oregon Transportation Commission (OTC) approved an amendment to the State Transportation Improvement Program (STIP) that divided the funding for I-5 at North Macadam between two projects: SW Harbor Dr/SW River Parkway Improvements and SW Moody Avenue: SW River Parkway – SW Gibbs Street.
5. The SW Moody Avenue: SW River Parkway – SW Gibbs Street Project will facilitate economic activity by opening up large parcels adjacent to SW Moody Avenue for development and will incorporate additional transit options along SW Moody Avenue to help ensure the economic success of the South Waterfront district. The project also supports the Portland-Milwaukie Light Rail Extension and streetcar extensions including the Close the Loop line connecting eastside and westside streetcar lines and the Portland-to-Lake Oswego lines.
6. ODOT notified the City of Portland that it will award a 2003 OTIA grant for the SW Moody Avenue: SW River Parkway – SW Gibbs Street Project to Portland Bureau of Transportation in the amount of \$12,000,000.

7. A percentage match is not required by this grant. However, City Council adopted a Finance Plan for the project in October 2006 (Resolution No. 36441) that established the City's commitment to provide an equal match to the ODOT funding in order to sustain the Oregon Transportation Commission's commitment to the project and the OTIA funds. The City is responsible for all costs in excess of the OTIA funded amount for the project
10. On April 21, 2010, City Council passed Ordinance No. 183696 accepting a grant from the Oregon Department of Transportation for the SW Moody Avenue: SW River Parkway to SW Gibbs project.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to execute an amendment to Contract No. 30001376 with Oregon Department of Transportation for the SW Moody Avenue Project: SW River Parkway to SW Gibbs, in substantially the form of the attached exhibit for this purpose.
- b. The OMF Grants Office is authorized to perform all administrative matters in relation to the grant amendment, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.

Section 2. The Council declares that an emergency exists because a delay would unnecessarily delay the City's ability to perform the activities authorized by the grant; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.

Passed by the Council,

DEC 19 2012
