

ORDINANCE NO. 185850

*Authorize application to U.S. Department of Housing and Urban Development for administration of the regional Homeless Management Information System, the OTIS supportive housing program, a Continuum of Care Planning grant, and submission of the Consolidated Continuum of Care application on behalf of the Portland/Gresham/Multnomah County Continuum of Care. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The U.S. Department of Housing and Urban Development (HUD) funds homeless services at the local level through its Continuum of Care program. HUD directly administers grants with eligible government and non-profit grantees, but requires that communities submit consolidated applications for all funded projects on an annual basis. This is known as the Consolidated Continuum of Care application. Locally, all projects in Portland, Gresham, and Multnomah County submit applications as a consolidated continuum of care.
2. HUD has made available a Notice of Funding Availability (NOFA) through which the City of Portland may apply for annual renewals of two Continuum of Care program grants to administer the regional Homeless Management Information System and OTIS supportive housing program and a new Continuum of Care planning grant.
3. The Portland Housing Bureau (PHB) is responding to the NOFA with two renewal applications and a new grant application for a total of \$716,710 in federal funds.
4. In addition to the direct grant funds that PHB is requesting under this NOFA, the City of Portland, through PHB, acts as the Collaborative Applicant, submitting the Consolidated Continuum of Care application to HUD on behalf of all direct grantees throughout the Portland/Gresham/Multnomah County Continuum of Care.

NOW THEREFORE, The Council directs:

- a. The Mayor is hereby authorized to make application to the U.S. Department of Housing and Urban Development for two renewal grants and a new grant totaling \$716,710.
- b. The Mayor is hereby authorized to submit the Consolidated Continuum of Care application as the Collaborative Applicant.
- c. The Mayor is authorized to provide such information and assurances as are reasonably required by the U.S. Department of Housing and Urban Development for the grant period.
- d. The Portland Housing Bureau, in collaboration with the OMF Grants Office, is authorized to perform all administrative matters in relation to the grant application, grant agreement or amendments, requests for reimbursement from the grantor, and to submit required online grant documents on the Mayor's behalf.

182820

Section 2. The Council declares that an emergency exists because the grant application must be submitted no later than January 18, 2013. Therefore this ordinance shall be in full force and effect from and after its passage by the Council.
