Hello Carla,

Yes, please sign me up for a slot on the 9th of Jan, 2013. Kimberly Kaminski, 503 421 9197. I will be speaking about the lack of process by which the City Commission determined that fluoride chemicals will be added to our water supply.

Thank you,
Kim

Hi Charlie and Kim,

City Code requires Communication speakers to submit their own request. If Kim would respond to this email with her name, address and phone number and what it is she will be speaking about, I will gladly give her that last spot on the January 9th agenda.

Regards,
Karla

Hi Karla,

I just talked with Kim Kaminski who would like to speak in the Communication slot for January 9, 2012.

She will be addressing the Council process on the water fluoridation issue to the new mayor and commissioner et al.

Please email Kim if you need additional information. (She doesn't have a Fax set up yet.)

Thank you!

Charlie
