Hi Karla,

Sorry for the delay in responding. Yes, please schedule me for Feb. 20th or the next available date. My topic will be:

"A request that the City, as the responsible funding entity, study the original test documents from the housing discrimination audit testing performed by the Fair Housing Council of Oregon in 2010-11 to determine the validity of the claims made, and release a quantitative report of the City's study to the public and press."

Please let me know about date and time. I will submit the required documentation to you when I come to the council meeting.

Thank you,

Larry Southall

Hi Karla,

I was able to arrange a public comment time slot to city council through you last year and hope that I can do so again. If so, could you please let me know what dates you have coming up with times open for public comment?

Thank you,
