1) Legislation Title:

*Authorize Asphaltic Concrete supply contracts for use on Maintenance Operations projects (Ordinance).

2) Purpose of the Proposed Legislation:

Maintenance Operations has an annual need to purchase and use AC paving materials in order to perform required road maintenance and paving work. The Ordinance authorizes Procurement Services to enter into supply contracts with qualified AC supply plants for AC mix used by City forces in performing maintenance and repair work. The Ordinance also authorizes the Auditor to draw and deliver warrants for purchasing the AC products when demand is presented.

3) Which area(s) of the city are affected by this Council item? (Check all that apply—areas are based on formal neighborhood coalition boundaries)?

FINANCIAL IMPACT

Revenue and/or Expense:
 Is ALL the Revenue and/or Expense a part of the current year's budget? or 5-yr CIP? YES
 SAP COST OBJECT No(s): _____
 All Revenue and Expense financial questions must be completed regardless of the current year's budget. Documents may be returned where the FIPIS portion has not been sufficiently completed.

4) Revenue: Will this legislation generate or reduce current or future revenue coming to the City? If so, by how much? If so, please identify the source.

This legislation does not generate or reduce current or future revenue.

5) Expense: What are the costs to the City related to this legislation? What is the source of funding for the expense? (Please include costs in the current fiscal year as well as costs in

future year, including Operations & Maintenance (O&M) costs, if known, and estimates, if not known. If the action is related to a grant or contract please include the local contribution or match required. If there is a project estimate, please identify the **level of confidence**.)

There are no expenses to the City related to this legislation other than the annual purchase of AC materials. Maintenance Operations typically purchases about \$3,500,000 worth of AC materials annually. The level of confidence is moderate because the amount of materials purchased is directly tied to the amount of repair work needed and performed.

6) Staffing Requirements:

- **Will any positions be created, eliminated or re-classified in the current year as a result of this legislation?** *(If new positions are created please include whether they will be part-time, full-time, limited term, or permanent positions. If the position is limited term please indicate the end of the term.)*

No.

- **Will positions be created or eliminated in future years as a result of this legislation?**

No.

(Complete the following section only if an amendment to the budget is proposed.)

7) Change in Appropriations *(If the accompanying ordinance amends the budget please reflect the dollar amount to be appropriated by this legislation. Include the appropriate cost elements that are to be loaded by accounting. Indicate "new" in Fund Center column if new center needs to be created. Use additional space if needed.)*
