

ORDINANCE No. 00185909

*Authorize a contract to replace two sewer inspection vehicles for use by the Bureau of Environmental Services for \$730,162. (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. The CityFleet Division of the Bureau of Internal Business Services replaces all City vehicles based on an annual replacement plan.
2. CityFleet has reviewed the standard replacement schedule and the condition of the Bureau of Environmental Services sewer inspection vehicles.
3. It has been determined that two sewer inspection vehicles need to be replaced for Bureau of Environmental Services - Exhibit A attached.
4. The cost of these vehicles is \$730,162 for both sewer inspection vehicles.
5. The City now desires to purchase these vehicles.

NOW, THEREFORE, the Council directs:

- a. The Chief Procurement Officer is authorized to enter into the contract and any subsequent amendments on behalf of the City for the purposes identified in Section 1.
- b. The Commissioner and Auditor are hereby authorized to pay for said purchases from the CityFleet replacement funds.

Section 2. The Council declares that an emergency exists because delay in proceeding with the purchases would result in additional expense and unnecessarily deprive the City of the use of these vehicles at an early date; therefore, this Ordinance shall be in full force and effect from and after its passage by Council.
