Re: Presentation to Council from the "107ist" (Timbers Army)

It is my pleasure to provide the community non-profit 107ist an opportunity to let Council in on all the great work they have been involved with over the past year. As you know, the Timbers Major League Soccer (MLS) team has a rabid fan base and there is no better expression of this than the incredible energy and volunteer efforts the 107ist takes on in its role as a partner and supporter of the Timbers soccer club. With the exciting start to Portland's 3<sup>rd</sup> season in MLS, it is a great time to celebrate the successful public/private agreement that was the renovation of what is now Jeld-Wen Field and the private purchase of the Timbers MLS franchise by Merritt Paulson (Peregrine Sports LLC).

Over the past two seasons the user fee revenue from Jeld-Wen Field events (7% of ticket sales) has exceeded the forecast amount in the agreement, with last year's user fee revenue \$120,000 above the baseline minimum. With the addition of 11 home matches by the women's Portland Thorns Football Club this coming year, we can expect these great revenue numbers to continue and even improve. I look forward to celebrating the great work 107ist does in our community and thank you for allowing time at Council for their short presentation.
