

ORDINANCE No. 185938

\*Authorize a contract with the lowest responsible bidder for the NE Prescott Sidewalk Infill project (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. In 2012, the Portland Bureau of Transportation (PBOT) began work to identify, design and construct sidewalk infill projects on busier streets carrying transit in East Portland.
2. PBOT has based the prioritization of the projects on the East Portland In Motion plans which were adopted by City Council (Resolution No. 36917 dated April 18, 2012).
3. PBOT began design work on NE Prescott from NE 105<sup>th</sup> to NE 116<sup>th</sup> and conducted outreach to property owners and residents.
4. The Bureau of Transportation has funds budgeted in FY 12-13 and requested FY 13-14 for construction, inspection and management of the project.
5. The Bureau's level of confidence in the cost estimate for this project is moderate because the project is defined and plans and specifications are nearing completion.

NOW, THEREFORE, the Council directs:

- a. Upon the Council's acceptance of the Chief Procurement Officer's report recommending the lowest responsible bidder, the Chief Procurement Officer is authorized to negotiate and execute a contract, provided the contract has been approved as to form by the City Attorney's office.
- b. The Auditor to draw and deliver warrants chargeable to T00322 when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because the project is seeking to advertise for bids before the year end procurement deadline; therefore, this Ordinance shall be in full force and effect from and after its passage by the Council.
