

## ORDINANCE NO. 185961

\* Authorize an Intergovernmental Agreement with the State of Oregon, Department of State Police to provide access to the Automated Biometric Identification System (Ordinance)

The City of Portland ordains:

Section 1. The Council finds:

1. Western Identification Network, Inc ("WIN") provides services related to the reading, digitizing, matching, storing, and retrieval of fingerprint and palm print images, data records, and respective minutiae data ("AFIS" services).
2. In addition to fingerprint and palm print services, WIN intends to broaden its services to include the reading, digitizing, matching, storing, and retrieval of other biometric data, including but not limited to retinal and facial minutiae data, now called the Automated Biometric Identification System (ABIS).
3. OSP is required to install and maintain systems for filing and retrieving fingerprint data and supplemental information submitted by criminal justice agencies for the identification of criminal offenders as the Superintendent of State Police deems necessary.
4. WIN has determined that all local law enforcement agency access should be authorized through a direct contract with the principal state law enforcement agency which, in Oregon, is OSP. OSP is authorized by WIN to subcontract WIN ABIS access through agreements such as this Agreement.
5. PPB and OSP have entered into intergovernmental agreements in the past whereby OSP would provide fingerprint and palm print image, data record, and respective minutiae data reading, digitizing, matching, storing, and retrieval services to PPB. The past agreement expired on June 30, 2011.
6. OSP and PPB further acknowledge that in the event that OSP's participation in WIN terminates, for whatever reason, prior to the expiration date of this Agreement, OSP and PPB understand and agree that OSP and PPB will negotiate a new Agreement, prior to any OSP termination in WIN, so that PPB will continue to receive ABIS services from OSP.
7. The maximum payable amount to OSP under this Agreement is \$91,000. This is funded with the bureau's ongoing General Fund discretionary appropriation.

NOW THEREFORE, The Council directs:

- a. The Mayor, City Auditor and Chief of Police are hereby authorized to enter into the attached intergovernmental agreement with the Oregon State Police.
- b. The Mayor and Auditor are hereby authorized to draw and deliver warrants to the State of Oregon, Department of State Police when demand is presented and approved by the proper authority.

Section 2. The Council declares that an emergency exists because delay in proceeding with this agreement will unnecessarily deprive the Oregon State Police and the City of the mutual benefits

Section 2. The Council declares that an emergency exists because delay in proceeding with this agreement will unnecessarily deprive the Oregon State Police and the City of the mutual benefits of this agreement; therefore this ordinance shall be in force and effect from and after its passage by the Council.
